Smallpox Vaccination Program Public Health In An Age Of Terrorism:

The Smallpox Vaccination Program Institute of Medicine, Board on Health Promotion and Disease Prevention, Committee on Smallpox Vaccination Program Implementation, 2005-10-06 December 13 2002 the president of the United States announced that smallpox vaccination would be offered to some categories of civilians and administered to members of the military and government representatives in high risk areas of the world The events that precipitated that historic announcement included a series of terrorist attacks during the 1990s which culminated in the catastrophic events of 2001 Although preparedness for deliberate attacks with biologic weapons was already the subject of much public health planning meetings and publications as the twentieth century neared its end the events of 2001 led to a steep rise in bioterrorism related government policies and funding and in state and local preparedness activities for example in public health health care and the emergency response and public safety communities The national smallpox vaccination program is but one of many efforts to improve readiness to respond to deliberate releases of biologic agents The Institute of Medicine IOM Committee on Smallpox Vaccination Program Implementation was convened in October 2002 at the request of the Centers for Disease Control and Prevention CDC the federal agency charged with implementing the government's policy of providing smallpox vaccine first to public health and health care workers on response teams then to all interested health care workers and other first responders and finally to members of the general public who might insist on receiving the vaccine The committee was charged with providing advice to the CDC and the program investigators on selected aspects of the smallpox program implementation and evaluation The committee met six times over 19 months and wrote a series of brief letter reports The Smallpox Vaccination Program Public Health in an Age of Terrorism constitutes the committee's seventh and final report and the committee hopes that it will fulfill three purposes 1 To serve as an archival document that brings together the six reports addressed to Julie Gerberding director of CDC and previously released on line and as short unbound papers 2 To serve as a historical document that summarizes milestones in the smallpox vaccination program and 3 To comment on the achievement of overall goals of the smallpox vaccination program in accordance with the last item in the charge including lessons learned from the program

The Smallpox Vaccination Program Institute of Medicine, COMMITTEE ON SMALLPOX VACCINATION PROGRAM IMPLEMENTATION., Board on Health Promotion and Disease Prevention, 2005-09-06 December 13 2002 the president of the United States announced that smallpox vaccination would be offered to some categories of civilians and administered to members of the military and government representatives in high risk areas of the world The events that precipitated that historic announcement included a series of terrorist attacks during the 1990s which culminated in the catastrophic events of 2001 Although preparedness for deliberate attacks with biologic weapons was already the subject of much public health planning meetings and publications as the twentieth century neared its end the events of 2001 led to a steep rise in bioterrorism related government policies and

funding and in state and local preparedness activities for example in public health health care and the emergency response and public safety communities The national smallpox vaccination program is but one of many efforts to improve readiness to respond to deliberate releases of biologic agents The Institute of Medicine IOM Committee on Smallpox Vaccination Program Implementation was convened in October 2002 at the request of the Centers for Disease Control and Prevention CDC the federal agency charged with implementing the government's policy of providing smallpox vaccine first to public health and health care workers on response teams then to all interested health care workers and other first responders and finally to members of the general public who might insist on receiving the vaccine The committee was charged with providing advice to the CDC and the program investigators on selected aspects of the smallpox program implementation and evaluation The committee met six times over 19 months and wrote a series of brief letter reports The Smallpox Vaccination Program Public Health in an Age of Terrorism constitutes the committee's seventh and final report and the committee hopes that it will fulfill three purposes 1 To serve as an archival document that brings together the six reports addressed to Julie Gerberding director of CDC and previously released on line and as short unbound papers 2 To serve as a historical document that summarizes milestones in the smallpox vaccination program and 3 To comment on the achievement of overall goals of the smallpox vaccination program in accordance with the last item in the charge including lessons learned from the program

Biosecurity in the Global Age David Fidler, Lawrence O'Galthorpe Gostin, 2008 The renewed threat of biological weapons highlights the importance of crafting policy responses informed by the rule of law This book explores patterns in recent governance initiatives and advocates building a global biosecurity concert as a way to address the threats presented by biological weapons and infectious diseases in the early 21st century BOOK JACKET [The politics of vaccination](#) Christine Holmberg, Stuart Blume, Paul Greenough, 2017-03-16 Mass vaccination campaigns are political projects that presume to protect individuals communities and societies Like other pervasive expressions of state power taxing policing conscripting mass vaccination arouses anxiety in some people but sentiments of civic duty and shared solidarity in others This collection of essays gives a comparative overview of vaccination at different times in widely different places and under different types of political regime Core themes in the chapters include immunisation as an element of state formation citizens articulation of seeing or not seeing their needs incorporated into public health practice allegations that donors of development aid have too much influence on third world health policies and an ideological shift that regards vaccines more as profitable commodities than as essential tools of public health An electronic edition of this book is freely available under a Creative Commons CC BY NC ND licence **Empires of Panic** Robert Peckham, 2015-01-01 Empires of Panic is the first book to explore how panics have been historically produced defined and managed across different colonial imperial and post imperial settings from early nineteenth century East Asia to twenty first century America Contributors consider panic in relation to colonial anxieties rumors indigenous resistance and crises particularly in relation to epidemic disease How did

Western government agencies policymakers planners and other authorities understand deal with and neutralize panics What role did evolving technologies of communication play in the amplification of local panics into global events Engaging with these questions the book challenges conventional histories to show how intensifying processes of intelligence gathering did not consolidate empire but rather served to produce critical uncertainties the uneven terrain of imperial panic Robert Peckham is associate professor in the Department of History and co director of the Centre for the Humanities and Medicine at the University of Hong Kong Charting the relays of rumor and knowledge that stoke colonial fears of disease disorder and disaster Empires of Panic offers timely and cautionary insight into how viscerally epidemics inflame imperial anxieties and how words and their communication over new technologies accelerate panic rally government intervention and unsettle and entrench the exercise of global power Relevant a century ago and even more so today Nayan Shah University of Southern California author of Contagious Divides Epidemics and Race in San Francisco s Chinatown Empires generated anxiety as much as ambition This fine study focuses on anxieties generated by disease It is the first book of its kind to track shifting forms of panic through different geopolitical regimes and imperial formations over the course of two centuries Working across medical and imperial histories it is a major contribution to both Andrew S Thompson University of Exeter author of Empire and Globalisation Networks of People Goods and Capital in the British World c 1850 1914 with Gary B Magee

Public Health Law Lawrence O. Gostin, 2008-09-02 In this completely revised second edition Gostin analyzes the major health threats of our times from emerging infectious diseases e g SARS and pandemic influenza to bioterrorism e g the deliberate release of anthrax and smallpox to chronic diseases caused by overweight and obesity By analyzing transnational law Gostin shows how public health law transcends national borders in areas ranging from infectious disease and tobacco use to world trade and access to essential medicines Public Health Law creates an intellectual framework for the modern field of public health and supports that framework with illustrations of the intellectual scientific political and ethical issues involved In proposing innovative solutions for the future of the public s health Gostin s essential study provides a blueprint for coming public and political debates about this vital and burgeoning field BOOK JACKET *Textbook of Pharmacoepidemiology* Brian L. Strom, Stephen E. Kimmel, Sean Hennessy, 2013-07-08 Textbook of Pharmacoepidemiology Second Edition provides an introduction to pharmacoepidemiology and the data sources methods and applications used in clinical research the pharmaceutical industry and regulatory agencies Drawing upon the fifth edition of the authoritative reference Pharmacoepidemiology this new edition covers the key learning requirements of the discipline The textbook provides an introduction to pharmacoepidemiology pharmacoepidemiological data sources special issues in methodology special applications and future developments in the field Updated learning features such as case studies key points and Suggested Further Reading are included throughout the text Textbook of Pharmacoepidemiology is a practical educational resource for upper level undergraduates graduate students post doctoral fellows in schools of public health pharmacy and

medicine and for everyone learning and working in pharmacoepidemiology **Essentials of Public Health Preparedness and Emergency Management** Katz,2018-03-02 The public health community plays a vital role in identifying responding to containing and recovering from emergencies Essentials of Public Health Preparedness will introduce your students to the important and timely field of public health preparedness The book presupposes no previous exposure to the concepts yet provides enough depth for students who may have advanced knowledge The chapters are structured in five parts Background of the Field Defining the Problem Infrastructure Solving Problems and Practical Applications **Driven by Fear** Guenter B Risse,2015-12-30 From the late nineteenth century until the 1920s authorities required San Francisco s Pesthouse to segregate the diseased from the rest of the city Although the Pesthouse stood out of sight and largely out of mind it existed at a vital nexus of civic life where issues of medicine race class environment morality and citizenship entwined and played out Guenter B Risse places this forgotten institution within an emotional climate dominated by widespread public dread and disgust In Driven by Fear he analyzes the unique form of stigma generated by San Franciscans Emotional states like xenophobia and racism played a part Yet the phenomenon also included competing medical paradigms and unique economic needs that encouraged authorities to protect the city s reputation as a haven of health restoration As Risse argues public health history requires an understanding of irrational as well as rational motives To that end he delves into the spectrum of emotions that drove extreme measures like segregation and isolation and fed psychological ideological and pragmatic urges to scapegoat and stereotype victims particularly Chinese victims of smallpox leprosy plague and syphilis Filling a significant gap in contemporary scholarship Driven by Fear looks at the past to offer critical lessons for our age of bioterror threats and emerging infectious diseases *Vietnamese Traditional Medicine* C. Michele Thompson,2015-06-30 While reshaping our understanding of the history and development of traditional Vietnamese medicine in the 19th and 20th centuries Michele Thompson s new book reaches across disciplines to open important perspectives in Vietnamese colonial and social history as well as our understanding of the Vietnamese language and writing systems Traditional Vietnamese medicine is generally understood as an import from the Chinese tradition Thompson s detailed historical and linguistic research restores agency and voice to practitioners of Vietnamese medicine showing how the adoption of Chinese and then Western ideas of medicine in the 19th and 20th centuries relied on indigenous Vietnamese concepts of health and the human body She mines medical manuscripts in Chinese and in Nom vernacular Vietnamese to capture various aspects of the historical interaction between Chinese and Vietnamese thought She presents a detailed analysis of the Vietnamese response to a Chinese medical technique for preventing smallpox and to the medical concepts associated with it looking at Vietnamese healers from a variety of social classes Thompson s account brings together colorful historical vignettes contemporary observations and interviews and textual analysis It stands out as a demonstration of the power of the history of medicine to illuminate adjacent fields of enquiry It will be of interest to historians of medicine globally and in East Asia as well as to students of Vietnam and its

complex process of modernization
