The Smile of the Stranger Joan Aiken, 2016-09-06 The Paget family's adventures begin in this Gothic Regency period romance reissue from legendary author Joan Aiken. When danger forces expatriate English gentlewoman Juliana Paget to flee her home in Italy, she embarks on a journey full of thrilling adventure. Nothing could have prepared her for outwitting a French mob crossing the Channel in a hot air balloon or fending off the advances of the fascinating Count Welcker. Arriving in London just in time for her very first Season, Juliana is going to find all her ideals challenged and the truth of her heart finally revealed. What readers say: A Regency romp with Gothic overtones and a lot of fun. Full of thrills and chills. Classic Aiken abductions, mysterious strangers, and terrible betrayals. I stayed up late to find out what would happen next.

The Savage Seas Paul Anthony Williams, 2015-09-11 Hush little child do not speak. Silence brings you a special treat. One quick swipe and all will be gone. And you can join your loving mom. Hush little one, see the world burn. Yet still it twists and always turns. Whispers lay before all of us. Don't leave now, there's no rush. Hush little child, see the world die. As darkness shall fall. Beneath the wings of black butterflies. As I lay you down upon the forest of the east. Look at the butterflies, come to you. Upon you they shall feast. This is the fourth book of the Dark Clown Series and is the final book in this first chapter of my fantasy series; the second chapter is planned to begin from 2018 with a new series of four books to continue the adventures before that. I have a new trilogy of crime horror books which will be coming 2016 onwards and a full-length thriller titled project3 due in 2018.
