Smoke Island:

Light of Day Jennifer Bernard, 2025-08-26 Some secrets are buried deep On Sea Smoke Island digging them up could cost you everything including your heart Heather McPhee swore she'd keep her distance from Sea Smoke Island she escaped the reputation of the messy McPhees and intended to keep it that way But when her best friend and podcast co host vanishes after uncovering a bombshell story on the remote Maine island Heather has no choice but to go back Luke Carmichael also thought he left the drama of his powerful family behind Banished from their elite resort and raising his daughter on his own the island constable prefers a quiet life Until Heather storms back into town stirring up old ghosts As they investigate Gabby's disappearance Heather and Luke uncover a generations old conspiracy tied to the elite Carmichael resort one someone will kill to protect And as sparks fly between the messy McPhee and the renegade Carmichael they'll have to decide what's worth risking the truth their lives or their hearts Because on Sea Smoke Island some secrets refuse to stay buried And the truth always comes to light
