City, Mo.)**

## **Sociology Of Giving:**

**Sociology of Giving** Helmuth Berking, 1999-09-20 We all give and receive gifts But few of us reflect on the risks and uncertainties inherent to this form For example to give means to acquire power to effect a symbolic exchange to initiate ties and alliances to convey social messages to others and to classify our own status Gift giving is also a device to register honour and shame to show solidarity to equalize and to create intimacy This fascinating volume looks at the ambivalence of gift giving contemporary gift giving its motives occasions and its rules examines sacrifice food sharing and gift giving as those basic institutions upon which symbolic orders of traditional society rely and considers the historical invention of hospitality paving the

**Gift Giving** Cele Otnes, Richard Francis Beltramini, 1996 Gift Giving brings together 21 scholars from a variety of disciplines including consumer behavior communications and sociology who are dedicated to the understanding of what motivates gift selection presentation and incorporation of a gift into a person's life The text explores the role of values in gift exchange the influence of ethnic generational and subcultural differences in gift exchange how gifts to the self are manifested and new directions and topics in gift giving In these essays gift giving occasions are probed for the meanings that can be illuminated with respect to this pervasive yet not always positive phenomenon For anyone interested in gift giving behavior this volume should prove both enlightening and provocative

**Moral Economy : Gift Giving in an Urban Society** Cheal, David J, University of Manitoba. Department of Sociology, Winnipeg Area Study, 1985 *The Kansas City Public Library Quarterly* Kansas City Public Library (Kansas City, Mo.), 1901 Publication of the American Sociological Society American Sociological Association, 1929 List of members in v 1 5 25 28 supplemental list in v 26 27 **The Journal of Social Forces** , 1924 **The School Review** , 1926 *Annual Catalog* Missouri Valley College, Marshall, Mo, 1925

**Beyond Sociology's Tower of Babel** Bernard S. Phillips, 2001 To look outside the discipline of sociology is to find little credibility given to the field as science Bernard Phillips argues that we are learning to see ever more clearly the contradiction between scientific standards and what in fact has been achieved by sociology Instead of knowledge based on the full range of our findings we have separate pieces of knowledge located within the diverse areas of the discipline and fads and fashions in the ideas and terms we use with relatively little cumulative development This has led many to question whether any scientific method can be applied to human behavior If the arguments and alternative interpretations in this book on the problematic nature of sociology's use of scientific method prove to be credible and fruitful then the implications are profound For example the conclusions drawn for every single social science study that has ever been conducted would be open to reinterpretation because they fail to take into account systematically the enormous complexity involved within any given instance of human behavior Our present approach assumes implicitly that the pieces of the human jigsaw puzzle can at some point be put together so as to yield a coherent picture Yet as Phillips shows if each piece is itself deficient then no coherent picture emerges when we attempt to put the pieces together Refusing to take the current fragmentation of

sociology as inevitable Phillips offers a clear vision through a series of heuristic web images of how sociologists might achieve the cumulative development and credibility that are the hallmarks of any science His research draws heavily on the works of classical and contemporary theorists philosophers and historians of science as well as on postmodernist critiques and responses to postmodernism This reconstruction will be useful for courses in method in the study of the classical tradition of sociology Bernard Phillips was introduced to sociology at Columbia University by C Wright Mills A former professor of sociology at Boston University cofounder of the ASA Section on Sociological Practice and founder of the Sociological Imagination Group his publications emphasize methodology and theory *Living Sociologically* Ronald N. Jacobs, Eleanor Townsley, 2025-02-15 *Living Sociologically* is built around a contemporary applied framework that is designed to help students find their place in a complex and contradictory social world Students who enroll in today's introductory sociology courses are already familiar with concepts such as inequality privilege conflict power and structure yet they do not realize how a sociological understanding of these concepts can help them to make sense of and enact change in their diverse social worlds *Living Sociologically* pairs central sociological concepts together Power and Resistance Inequality and Privilege Solidarity and Conflict Structure and Contingency and Global and Local giving students a framework and a set of tools to help them develop their sociological imaginations For example to understand the sociological and cultural meaning of wealth you also need to understand the sociological and cultural meaning of poverty These pairings illustrated and reinforced through abundant contemporary examples and case studies offer students relevant opportunities for thinking intersectionally and discovering the many ways in which sociological forces are at play in their lives **Routledge Library Editions: British Sociological Association** Various, 2021-07-14 The volumes in this set originally published between 1969 and 2001 is comprised of original books published in conjunction with the British Sociological Association The set draws together original research by leading academics based on study groups and conference papers in the areas of youth race the sociology of work gender social research urban studies class deviance and social control law development and health Each volume provides a rigorous examination of related key issues This set will be of particular interest to students and academics in the field of sociology health and social care gender studies and criminology respectively *Encyclopedia of the Social and Cultural Foundations of Education* Eugene F. Provenzo, Jr., 2008-10-29 More than any other field in education the social and cultural foundations of education reflect many of the conflicts tensions and forces in American society This is hardly surprising since the area focuses on issues such as race gender socioeconomic class the impact of technology on learning what it means to be educated and the role of teaching and learning in a societal context The *Encyclopedia of the Social and Cultural Foundations of Education* provides a comprehensive introduction to the social and cultural foundations of education With more than 400 entries the three volumes of this indispensable resource offer a thorough and interdisciplinary view of the field for all those interested in issues involving schools and society **Key Features** Provides an interdisciplinary perspective

from areas such as comparative education educational anthropology educational sociology the history of education and the philosophy of education Presents essays on major movements in the field including the Free School and Visual Instruction movements Includes more than 130 biographical entries on important men and women in education Offers interpretations of legal material including Brown v Board of Education 1954 and the GI Bill of Rights Explores theoretical debates fundamental to the field such as religion in the public school curriculum rights of students and teachers surveillance in schools tracking and detracking and many more Contains a visual history of American education with nearly 350 images and an accompanying narrative Key Themes Arts Media and Technology Curriculum Economic Issues Equality and Social Stratification Evaluation Testing and Research Methods History of Education Law and Public Policy Literacy Multiculturalism and Special Populations Organizations Schools and Institutions Religion and Social Values School Governance Sexuality and Gender Teachers Theories Models and Philosophical Perspectives A Visual History of American Education      **University of North Carolina Extension Bulletin** University of North Carolina (1793-1962). University Extension Division, 1926      **Popular Science** , 1894-07 Popular Science gives our readers the information and tools to improve their technology and their world The core belief that Popular Science and our readers share The future is going to be better and science and technology are the driving forces that will help make it better      *Publication of the American Sociological Society* , 1917      Gifts Richard Hyland, 2009 Over the past two thousand years Western legal systems have had to alter some of their most basic principles in order to regulate the giving of gifts This is a study of how legal concepts from the marketplace have been reshaped to accommodate a fundamentally different type of social practice Richard Hyland examines the law of gifts in England India and the United States and in Belgium France Germany Italy and Spain Gifts also surveys the extensive discussion about gift giving in anthropology history economics philosophy and sociology In addition Hyland offers a critique of the functionalist method in comparative law and demonstrates the benefits of an interpretive approach      *From Anthropology to Social Theory* Arpad Szakolczai, Bjørn Thomassen, 2019-01-17 Presenting a ground breaking revitalization of contemporary social theory this book revisits the rise of the modern world to reopen the dialogue between anthropology and sociology Using concepts developed by a series of maverick anthropologists who were systematically marginalised as their ideas fell outside the standard academic canon such as Arnold van Gennep Marcel Mauss Paul Radin Lucien Lévy-Bruhl and Gregory Bateson the authors argue that such concepts are necessary for understanding better the rise and dynamics of the modern world including the development of the social sciences in particular sociology and anthropology Concepts discussed include liminality imitation schismogenesis and trickster which provide an anthropological toolkit for readers to develop innovative understandings of the underlying power mechanisms of globalized modernity Aimed at graduate students and researchers the book is clearly structured Part I introduces the maverick anthropologists while Part II applies the maverick tool kit to revisit the history of sociological thought and the question of modernity      *Quantitative Psychological Research* David Clark-Carter, 2024-01-25

Quantitative Psychological Research The Complete Student's Companion expertly guides the reader through all the stages involved in undertaking quantitative psychological research designing a study choosing a sample of people undertaking the study analysing the data and reporting the research Accessibly written and clearly presented the book is designed for anyone learning to conduct quantitative psychological research as well being a reference work for professional psychologists It covers the full research process from the original idea to reporting the completed study emphasizing the importance of looking beyond statistical significance in evaluating data The book provides step by step guidance on choosing interpreting and reporting the appropriate analysis featuring worked examples and extended calculations as appendices for readers who wish to delve further This edition features a new chapter examining ideas on how causality might be identified when data is not obtained from an experiment and has been thoroughly updated throughout to reflect latest research practices Care has been taken to avoid tying the book to any specific statistical software providing readers with a thorough grounding in the basics no matter which package they go on to use This is a must read for professional psychologists as well as students and researchers of Psychology Statistics and Research Methods This book is also invaluable for anyone interested in conducting quantitative psychological research

Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of Sociology Of Giving eBooks, including some popular titles.

## FAQs About Sociology Of Giving Books

**What is a Sociology Of Giving PDF?** A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Sociology Of Giving PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Sociology Of Giving PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Sociology Of Giving PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Sociology Of Giving PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
