John Lombardini

Socrates Discursive Democracy Logos And Ergon In Platonic Political Philosophy:

Socrates' Discursive Democracy Gerald M. Mara, 1997-02-27 Focusing on the speeches and actions of the Platonic Socrates this book argues that Plato's political philosophy is a crucial source for reflection on the hazards and possibilities of democratic politics

Socrates' Discursive Democracy Gerald M. Mara, 1997-01-01 Focusing on the speeches and actions of the Platonic Socrates this book argues that Plato's political philosophy is a crucial source for reflection on the hazards and possibilities of democratic politics

The Cambridge Companion to Ancient Greek Political Thought Stephen G. Salkever, 2009-04-27 A guide to the central texts and problems in ancient Greek political thought from Homer through the Stoics and Epicureans

Equality and Excellence in Ancient and Modern Political Philosophy Steven Frankel, John Ray, 2023-04-01 Is it possible to reconcile human excellence with a dedication to equality Equality and Excellence in Ancient and Modern Political Philosophy explores the meaning conflict and potential resolution of the tension between human excellence and equality in the thought of philosophers from Greek antiquity to modern times Each chapter is devoted to the thought of a particular thinker and the chapters are arranged chronologically Interpretations offered here rely on close readings of the major texts by critically important thinkers from Plato Aristotle and Xenophon in antiquity to a broad range of modern thinkers from Spinoza to Rawls

Readings of Plato's Apology of Socrates Oda E. Wiese Tvedt, Vivil Valvik Haraldsen, Olof Pettersson, 2017-12-28 In Plato's Apology of Socrates we see a philosopher in collision with his society a society he nonetheless claims to have benefited through his philosophic activity It has often been asked why democratic Athens condemned a philosopher of Socrates character to death This anthology examines the contribution made by Plato's Apology of Socrates to our understanding of the character of Socrates as well as of the conception of philosophy Plato attributes to him The 11 chapters offer complementary readings of the Apology which through their different approaches demonstrate the richness of this Platonic work as well as the various layers that can be discerned in its presentation of Socrates While the contributions display variety in both topics and angles they also share common features An awareness of the importance of the literary aspects of Plato's courtroom drama as well as a readiness to take into consideration the historical context of the work Thereby they provide contributions to a manifold understanding of the aims and impact of the work without losing sight of the philosophical questions that are raised by Socrates confrontational and unrepentant defense speech Allowing the character of Socrates to take center stage the chapters of this volume examine the philosopher in relation to ethics and to politics and democracy as well as to the ideology religion and virtue shared by the Athenians Readers will also find reflections on classical Platonic subjects such as the nature of Socratic philosophical inquiry and of philosophy itself as well as on the notoriously ambiguous relationships between philosophy sophistry and rhetoric and their several relationships to truth and justice The anthology emphasizes and explores the equivocal and sometimes problematic aspects of Socrates as Plato presents him in the Apology illuminating why the Athenians let the verdict fall as they did while

drawing out problematic features of Athenian society and its reaction to Socrates philosophic activity thereby encouraging reflection on the role philosophy can play in our modern societies

Aristotle's Dialogue with Socrates Ronna Burger, 2009-07-01 What is the good life for a human being Aristotle's exploration of this question in the *Nicomachean Ethics* has established it as a founding work of Western philosophy though its teachings have long puzzled readers and provoked spirited discussion Adopting a radically new point of view Ronna Burger deciphers some of the most perplexing conundrums of this influential treatise by approaching it as Aristotle's dialogue with the Platonic Socrates Tracing the argument of the *Ethics* as it emerges through that approach Burger's careful reading shows how Aristotle represents ethical virtue from the perspective of those devoted to it while standing back to examine its assumptions and implications This is the best book I have read on Aristotle's *Nicomachean Ethics* It is so well crafted that reading it is like reading the *Ethics* itself in that it provides an education in ethical matters that does justice to all sides of the issues Mary P Nichols Baylor University

Plato the Teacher William H. F. Altman, 2012-02-16 In this unique and important book William Altman shines a light on the pedagogical technique of the playful Plato especially his ability to create living discourses that directly address the student Reviving an ancient concern with reconstructing the order in which Plato intended his dialogues to be taught as opposed to determining the order in which he wrote them Altman breaks with traditional methods by reading Plato's dialogues as a multiplex but coherent curriculum in which the Allegory of the Cave occupies the central place His reading of Plato's *Republic* challenges the true philosopher to choose the life of justice exemplified by Socrates and Cicero by going back down into the Cave of political life for the sake of the greater Good

The Oxford Handbook of Political Theory John S Dryzek, Bonnie Honig, Anne Phillips, 2008-06-12 Oxford Handbooks of Political Science are the essential guide to the state of political science today With engaging contributions from 51 major international scholars the Oxford Handbook of Political Theory provides the key point of reference for anyone working in political theory and beyond

Political Thinking, Political Theory, and Civil Society Steven M. DeLue, Timothy M. Dale, 2016-07-01 This comprehensive overview of the Western tradition of political thought approaches concepts with the aim of helping readers develop their own political thinking and critical thinking skills This text is uniquely organized around the theme of civil society what is the nature of a civil society why is it important that will engage students and help make the material relevant Major thinkers discussed in the text are explored not only with the goal of understanding their views but also with an interest in understanding the relationship of their ideas to the notion of a civil society DeLue and Dale contend that a civil society is important for securing the way of life that most of us value and want to preserve a way of life that allows people to live freely and place significance on their own lives New to the Fourth Edition Connects traditional political theory to contemporary challenges to civil society including new coverage of US electoral politics the Black Lives Matter movement Citizens United and Robert Putnam's view of the decline of social support systems Updates the coverage of feminism and feminist thinkers including coverage of gay marriage

in the context of civil society Expands coverage of global civil society especially in terms of contemporary challenges posed by ISIS the failure of the Arab Spring and ongoing humanitarian crises in Syria Iran and beyond The Ashgate Research Companion to Migration Law, Theory and Policy Satvinder S. Juss, 2016-03-23 The Ashgate Research Companion to Migration Law Theory and Policy complements the already successful Ashgate series Law Migration established in 2006 which now has a number of well regarded monographs to its credit The purpose of this Companion is to augment that Series by taking stock of the current state of literature on migration law theory and policy and to sketch out the contours of its future long term development in what is now a vastly expanded research agenda The Companion provides readers with a definitive and dependable state of art review of current research in each of the chosen areas that is all embracing and all inclusive of its subject matter The chapters focus on the regional and the sub regional as well as the national and the global In so doing they aim to give a snap shot that is contextual coherent and comprehensive The contributors are both world renowned scholars and newer voices and include scholars practitioners former judges and researchers and policy makers who are currently working for international organisations

The Odyssey of Political Theory Patrick J. Deneen, 2003-04-14 This path breaking and eloquent analysis of The Odyssey and the way it has been interpreted by political philosophers throughout the centuries has dramatic implications for the current state of political thought This important book offers readers original insights into The Odyssey and it provides a new understanding of the classic works of Plato Rousseau Vico Horkheimer and Adorno Through his analysis Patrick J Deneen requires readers to rethink the issues that are truly at the heart of our contemporary Culture Wars and he encourages us to reassess our assumptions about the Western canon s virtues or viciousness Deneen s penetrating exploration of Odysseus s and our own enduring battles between the dual temptations of homecoming and exploration patriotism and cosmopolitanism and relativism and universality provides an original perspective on contentious debates at the center of modern political theory and philosophy

Plato's Caves Rebecca Lemoine, 2020 From student protests over the teaching of canonical texts such as Plato s Republic to the use of images of classical Greek statues in white supremacist propaganda the world of the ancient Greeks is deeply implicated in a heated contemporary debate about identity and diversity In Plato s Caves Rebecca LeMoine defends the bold thesis that Plato was a friend of cultural diversity contrary to many contemporary perceptions Through close readings of four Platonic dialogues Republic Menexenus Laws and Phaedrus LeMoine shows that across Plato s dialogues foreigners play a role similar to that of Socrates liberating citizens from intellectual bondage

Political Vices Mark E. Button, 2016-01-04 This book explores our uniquely political vices hubris willful blindness and recalcitrance According to Mark Button this overlooked class of vice encompasses those persistent dispositions of character and conduct that threaten the functioning of democratic institutions and the trust that citizens place in these institutions to secure a just political order Political Vices provides an account for how citizens can best contend with our most troubling political sins without undermining core commitments to liberalism or pluralism

Machiavelli's Ethics Erica Benner, 2009-10-26 Machiavelli's Ethics challenges the most entrenched understandings of Machiavelli arguing that he was a moral and political philosopher who consistently favored the rule of law over that of men that he had a coherent theory of justice and that he did not defend the Machiavellian maxim that the ends justify the means By carefully reconstructing the principled foundations of his political theory Erica Benner gives the most complete account yet of Machiavelli's thought She argues that his difficult and puzzling style of writing owes far more to ancient Greek sources than is usually recognized as does his chief aim to teach readers not how to produce deceptive political appearances and rhetoric but how to see through them Drawing on a close reading of Greek authors including Thucydides Xenophon Plato and Plutarch Benner identifies a powerful and neglected key to understanding Machiavelli This important new interpretation is based on the most comprehensive study of Machiavelli's writings to date including a detailed examination of all of his major works The Prince The Discourses The Art of War and Florentine Histories It helps explain why readers such as Bacon and Rousseau could see Machiavelli as a fellow moral philosopher and how they could view The Prince as an ethical and republican text By identifying a rigorous structure of principles behind Machiavelli's historical examples the book should also open up fresh debates about his relationship to later philosophers including Rousseau Hobbes and Kant **Athenian**

Democracy: A Sourcebook Luca Asmonti, 2014-12-18 This volume presents a wide range of literary and epigraphic sources on the history of the world's first democracy offering a comprehensive survey of the key themes and principles of Athenian democratic culture Beginning with the mythical origins of Athenian democracy under Theseus and describing the historical development of Athens democratic institutions through Solon's reforms to the birth of democracy under Cleisthenes the book addresses the wider cultural and social repercussions of the democratic system concluding with a survey of Athenian democracy in the Hellenistic and Roman age All sources are presented in translation with full annotation and commentary and each chapter opens with an introduction to provide background and direction for readers Sources include material by Aristotle Homer Aristophanes Herodotus Thucydides Cicero Tacitus and many others The volume also includes an A-Z of key terms an annotated bibliography with suggestions for further reading in the primary sources as well as modern critical works on Athenian democracy and a full index *Platonic Political Art* John R. Wallach, 2010-11-01 In this first comprehensive

treatment of Plato's political thought in a long time John Wallach offers a critical historicist interpretation of Plato Wallach shows how Plato's theory while a radical critique of the conventional ethical and political practice of his own era can be seen as having the potential for contributing to democratic discourse about ethics and politics today The author argues that Plato articulates and solves his Socratic Problem in his various dialogues in different but potentially complementary ways The book effectively extracts Plato from the straightjacket of Platonism and from the interpretive perspectives of the past fifty years principally those of Karl Popper Leo Strauss Hannah Arendt M I Finley Jacques Derrida and Gregory Vlastos The author's distinctive approach for understanding Plato and he argues for the history of political theory in general can inform

contemporary theorizing about democracy opening pathways for criticizing democracy on behalf of virtue justice and democracy itself *The Politics of Sincerity* Elizabeth Markovits,2010-11 A growing frustration with spin doctors doublespeak and outright lying by public officials has resulted in a deep public cynicism regarding politics today It has also led many voters to seek out politicians who engage in straight talk out of a hope that sincerity signifies a dedication to the truth While this is an understandable reaction to the degradation of public discourse inflicted by political hype Elizabeth Markovits argues that the search for sincerity in the public arena actually constitutes a dangerous distraction from more important concerns including factual truth and the ethical import of political statements Her argument takes her back to an examination of the Greek notion of parrhesia frank speech and she draws from her study of the Platonic dialogues a nuanced understanding of this ancient analogue of straight talk She shows Plato to have an appreciation for rhetoric rather than a desire to purge it from public life providing insights into the ways it can contribute to a fruitful form of deliberative democracy today **The Politics of Socratic Humor** John Lombardini,2018-08-24 Was Socrates an ironist Did he mock his interlocutors and in doing so show disdain for both them and the institutions of Athenian democracy These questions were debated with great seriousness by generations of ancient Greek writers and helped to define a primary strand of the western tradition of political thought By reconstructing these debates *The Politics of Socratic Humor* compares the very different interpretations of Socrates developed by his followers including such diverse thinkers as Plato Aristotle Xenophon Aristophanes and the Hellenistic philosophers to explore the deep ethical and political dimensions of Socratic humor and its implications for civic identity democratic speech and political cooperation Irony has long been seen as one of Socrates most characteristic features but as Lombardini shows irony is only one part of a much larger toolkit of Socratic humor the broader intellectual context of which must be better understood if we are to appropriate Socratic thought for our own modern ends

Plato's Apology of Socrates Paul Allen Miller,Charles Platter,2012-11-13 The significance of Plato's Apology of Socrates is impossible to overestimate An account of the famous trial of Socrates in 399 b c it appeals to historians philosophers political scientists classicists and literary critics It is also essential reading for students of ancient Greek This new commentary on Plato's canonical work is designed to accommodate the needs of students in intermediate level Greek classes where they typically encounter the Apology for the first time Paul Allen Miller and Charles Platter two highly respected classicists and veteran instructors present the Apology in its traditional thirty three chapter structure They amplify the text with running commentary and glosses of unfamiliar words at the bottom of each page brief chapter introductions to relevant philosophical historical and rhetorical issues and a separate series of thought provoking essays one on each chapter The essays can serve as bases for class discussions or as starting points for paper topics or general reflection By integrating background material into the text at regular intervals rather than front loading it in a lengthy initial overview or burying it in back of the book endnotes the authors offer students a rich encounter with the text Their commentary incorporates the latest

research on both the trial of Socrates and Plato's version of it and it engages major philosophical issues from a contemporary perspective This book is not only a much needed aid for students of Greek It is also the basis of a complete course on the Apology

Aristocratic Souls in Democratic Times Richard Avramenko, Ethan Alexander-Davey, 2018-05-07 Great statesmen and gentlemen men of honor and rank seem to be phenomena of a bygone Aristocratic era Aristocracies which emphasize rank and value difference quality beauty rootedness continuity stand in direct contrast to democracies which value equality autonomy novelty standardization quantity utility and mobility Is there any place for aristocratic values and virtues in the modern democratic social and political order This volume consists of essays by political theorists historians and literary theorists that explore this question in the works of aristocratic thinkers both ancient and modern The volume includes analyses of aristocratic virtues interpretations of aristocratic assemblies and constitutions both historic and contemporary as well as critiques of liberal virtues and institutions Essays on Tacitus Hobbes Burke Tocqueville Nietzsche as well as some lesser known figures such as Henri de Boulainvilliers John Randolph of Roanoke Louis de Bonald Konstantin Leontiev Jose Ortega y Gasset Richard Weaver and the Eighth Duke of Northumberland explore ways of preserving and adapting the salutary aspects of the aristocratic ethos to the needs of modern liberal societies

Socrates Discursive Democracy Logos And Ergon In Platonic Political Philosophy Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Socrates Discursive Democracy Logos And Ergon In Platonic Political Philosophy free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Socrates Discursive Democracy Logos And Ergon In Platonic Political Philosophy free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Socrates Discursive Democracy Logos And Ergon In Platonic Political Philosophy free PDF

files is convenient, its important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but its essential to be cautious and verify the authenticity of the source before downloading Socrates Discursive Democracy Logos And Ergon In Platonic Political Philosophy. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether its classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Socrates Discursive Democracy Logos And Ergon In Platonic Political Philosophy any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About Socrates Discursive Democracy Logos And Ergon In Platonic Political Philosophy Books

1. Where can I buy Socrates Discursive Democracy Logos And Ergon In Platonic Political Philosophy books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a Socrates Discursive Democracy Logos And Ergon In Platonic Political Philosophy book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.). Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations. Author: If you like a particular author, you might enjoy more of their work.
