Sutherland,2014-01-13 The study of Thackeray s major fiction reconstructs the novelist s working methods with the help of manuscript material much of it previously unpublished The book s main argument is directed against the commonplace view that Thackeray was in some way a careless artist Much that appears casual or unpremeditated in his work can in fact be explained by the mode of composition which he developed in response both to the publishing conditions of his age and to his own artistic temperament An appreciation of Thackeray s writing habits helps clear up much of the critical confusion which has surrounded his reputation in the last hundred years A particular feature of interest in the book is the use made of Thackeray s preparatory working materials These were widely dispersed after the writer s death and have never been comprehensively examined **Sessional Papers** Great Britain. Parliament. House of Commons,1908 *The Builder* ,1923 *The Lancet* ,1895 **Railway Record** ,1850
