American Historical Review **Postmodern Gandhi and Other Essays** Lloyd I. Rudolph, Susanne Hoeber

Rudolph, 2010-07-15 Gandhi with his loincloth and walking stick seems an unlikely advocate of postmodernism But in Postmodern Gandhi Lloyd and Susanne Rudolph portray him as just that in eight thought provoking essays that aim to correct the common association of Gandhi with traditionalism Combining core sections of their influential book Gandhi The Traditional Roots of Charisma with substantial new material the Rudolphs reveal here that Gandhi was able to revitalize tradition while simultaneously breaking with some of its entrenched values and practices Exploring his influence both in India and abroad they tell the story of how in London the young activist was shaped by the antimodern other West of Ruskin Tolstoy and Thoreau and how a generation later a mature Gandhi's thought and action challenged modernity's hegemony Moreover the Rudolphs argue that Gandhi's critique of modern civilization in his 1909 book Hind Swaraj was an opening salvo of the postmodern era and that his theory and practice of nonviolent collective action satyagraha articulate and exemplify a postmodern understanding of situational truth This radical interpretation of Gandhi's life will appeal to anyone who wants to understand Gandhi's relevance in this century as well as students and scholars of politics history charismatic leadership and postcolonialism

Jinnah: A Life Yasser Latif Hamdani, 2020-06-23 Was Jinnah the sole driving force behind the Partition of India Or was he a champion of Islam who stood for a new Islamic renaissance Mahomed Ali Jinnah started his political career in the Congress as a staunch Indian nationalist He believed in secular politics and was opposed to bringing religion into it He was known as an ambassador of Hindu Muslim unity So why did he towards the end of his career initiate the creation of a separate Muslim state This new biography provides the answers while casting fresh light on Jinnah's character his personal life his political and legal careers his relationship with Gandhi Nehru as well as his disagreements with their ideas Carefully examining the major events of his life from early childhood to his first speech as President of the All India Muslim League Yasser Latif Hamdani presents a complex and compelling portrait of Jinnah who is often narrowly regarded as a votary of a theocratic Islamic state Based on extensive research and a wealth of archival material Hamdani has revealed those traits of Jinnah's personality that made him the most misunderstood leader of his times He also comments on how religious zealots have turned Pakistan into an Islamic Republic contrary to Jinnah's vision

Muslims against the Muslim League Ali Usman Qasmi, Megan Eaton Robb, 2017-09-15 Discusses the dynamics of the Indian freedom movement during the 1940s from the perspective of those Muslim leaders and political parties who opposed the idea of a separate state for South Asian Muslims or whose primary engagement with Muslim League activities treated separatism as marginal to

their political agenda Provided by publisher Partition's First Generation Amber H. Abbas, 2020-11-26 The Mohammadan Anglo Oriental College MAO that became the Aligarh Muslim University AMU in 1920 drew the Muslim elite into its orbit and was a key site of a distinctively Muslim nationalism Located in New Dehli the historic centre of Muslim rule it was home to many leading intellectuals and reformers in the years leading up to Indian independence During partition it was a hub of pro Pakistan activism The graduates who came of age during the anti colonial struggle in India settled throughout the subcontinent after the Partition They carried with them the particular experiences values and histories that had defined their lives as Aligarh students in a self consciously Muslim environment surrounded by a non Muslim majority This new archive of oral history narratives from seventy former AMU students reveals histories of partition as yet unheard In contrast to existing studies these stories lead across the boundaries of India Pakistan and Bangladesh Partition in AMU is not defined by international borders and migrations but by alienation from the safety of familiar places The book reframes Partition to draw attention to the ways individuals experienced ongoing changes associated with partitioning the process through which familiar spaces and places became strange and sometimes threatening and they highlight specific never before studied sites of disturbance distant from the borders Syama Prasad Mookerjee, the Hindu Dissent and the Partition of Bengal, 1932-1947 Chhanda Chatterjee, 2020-06-14 This study on Dr Syama Prasad Mookerjee will help the readers understand the circumstances under which he assumed the leading role in the carving out the province of West Bengal from the littoral that was soon to become the province of East Pakistan The role of Dr Syama Prasad Mookerjee in demanding the separation of the Hindu majority districts in the western half of Bengal from the proposed East Pakistan has not been studied so far or documented The Right historians today try to view it as a great triumph for the Hindus while Secular ones try to paint Syama Prasad as an arch communalist Underlying both versions of the story is an assumption that the partition of Bengal was a much sought after goal pursued by Syama Prasad Yet an impassioned examination of the actual documents show that Syama Prasad tried to work out a formula for the co existence of the Hindus and the Muslims till the very last Only when all attempts including that of Mahatma Gandhi in the dark days of the Noakhali riots failed to dissuade the Muslim League from trying to push the subcontinent towards partition that Syama Prasad launched his drive for the separation of the western districts of Bengal from East Pakistan Partition was the bane of the Hindu Mahasabha They had called a hartal on 3 July 1947 to register their disapproval of the idea But once partition gained acceptance at all levels beginning from the Congress to the Viceroy Lord Mountbatten Syama Prasad saw no alternative to making the best of a bad bargain and pushed for partition The bloodbath of 16 August 1946 in Calcutta and the reprehensible violation of Hindu women in Noakhali the following October cast the die He took a leaf out of Master Tara Singh's plans in the Punjab for the regrouping of the provinces by isolating the non Muslim population from the Muslim majority zones The Congress Working Committee took the same line passing a resolution on 8 March 1947 in favour of the isolation of the non Muslim areas in the Punjab from the predominantly Muslim

ones This strengthened Syama Prasad s case for the partition of Bengal However this was a last resort measure failing all other options Please note This title is co published with Manohar Publishers Delhi Taylor Francis does not sell or distribute the Hardback in India Pakistan Nepal Bhutan Bangladesh and Sri Lanka *Explaining Pakistan's Foreign Policy* Aparna Pande,2011-03-16 Pakistan has over the decades become a hotbed for the terrorist ideology often referred to as Jihadism This book investigates the underlying principles of Pakistan s foreign policy from 1947 until the present day and explains the rise of Jihadism as an offshoot of Pakistan s security concerns The book goes on to discuss that from its inception as a separate state Pakistan s foreign policy focused on seeking parity with India and escaping from an Indian South Asian identity The desire to achieve parity with its much larger neighbour led Pakistan to seek the assistance and support of allies The author analyses the relationship Pakistan has with Afghanistan United States China and the Muslim world and looks at how these relationships are based on the desire that military economic and diplomatic aid from these countries would bolster Pakistan s meagre resources in countering Indian economic and military strength The book presents an interesting contribution to South Asian Studies as well as studies on International Relations and Foreign Policy Leveling Crowds Stanley J. Tambiah,2023-04-28 Ethno nationalist conflicts are rampant today causing immense human loss Stanley J Tambiah is concerned with the nature of the ethno nationalist explosions that have disfigured so many regions of the world in recent years He focuses primarily on collective violence in the form of civilian riots in South Asia using selected instances in Sri Lanka Pakistan and India He situates these riots in the larger political economic and religious contexts in which they took place and also examines the strategic actions and motivations of their principal agents In applying a wide range of social theory to the problems of ethnic and religious violence Tambiah pays close attention to the history and culture of the region On one level this provocative book is a scrupulously detailed anthropological and historical study but on another it is an attempt to understand the social and political changes needed for a more humane order not just in South Asia but throughout the world Ethno nationalist conflicts are rampant today causing immense human loss Stanley J Tambiah is concerned with the nature of the ethno nationalist explosions that have disfigured so many regions of the world in recent years He focuses primarily on colle *Pakistan's Political Labyrinths* Ravi Kalia,2015-08-11 This book explores Pakistan from different vantage points It examines a variety of events in contemporary Pakistan through a comprehensive analysis of identity and power politics media landscapes military recruitment role of madrassahs terrorism and militancy civil war as well as outlines future trajectories It studies themes such as Pakistan s relationship with India the legacy of Jinnah gender and fundamentalism urbanisation unrest that have plagued the northern areas It further looks at the nation after the capture of Osama bin Laden and the changing nature of its relation with the US in its aftermath Including contributions from experts in the field and policy makers across the world this volume will interest scholars and researchers on Pakistan studies politics and international relations It will also appeal to government think tanks and the general reader **The Oxford Handbook**

of the Ends of Empire Martin Thomas, Andrew Thompson, 2018-12-06 The Oxford Handbook of the Ends of Empire offers the most comprehensive treatment of the causes course and consequences of the ends of empire in the twentieth century The volume s contributors convey the global reach of decolonization with chapters analysing the empires of Western Europe Eastern Europe China and Japan The Handbook combines broad regional treatments of decolonization with chapter contributions constructed around particular themes or social issues It considers how the history of decolonization is being rethought as a result of the rise of the new imperial history and its emphasis on race gender and culture as well as the more recent growth of interest in histories of globalization transnational history and histories of migration and diaspora humanitarianism and development and human rights The Handbook in other words seeks to identify the processes and commonalities of experience that make decolonization a unique historical phenomenon with a lasting resonance In light of decades of historical and social scientific scholarship on modernization dependency neo colonialism failed state architectures and post colonial conflict the obvious question that begs itself is when did empires actually end In seeking to unravel this most basic dilemma the Handbook explores the relationship between the study of decolonization and the study of globalization It connects histories of the late colonial and post colonial worlds and considers the legacies of empire in European and formerly colonised societies

Conflict Between India and Pakistan Peter Lyon, 2008-10-02 This up to date encyclopedia examines the conflict between India and Pakistan from Independence to the present day with an authoritative treatment that presents the issues evenhandedly and from both countries perspectives Tensions between India and Pakistan are deeply rooted Many go back to 1947 or earlier when with the partitioning of the provinces of Punjab and Bengal British India was succeeded by two independent countries a primarily Hindu India and a Muslim Pakistan Subsequently the two countries have fought three wars and come close to open war several other times especially over Kashmir Conflict Between India and Pakistan begins with a discussion of the partition of India and those who figured prominently in it notably Mohammed Ali Jinnah Clem Attlee the last viceroy Admiral Louis Mountbatten and Jawaharlal Nehru Then in a series of evenhanded carefully crafted portraits it describes the people political parties foreign and domestic policies and economic religious and cultural pressures that have played a role in the conflicts between these nations from 1947 to the present

Unstable Constitutionalism Mark Tushnet, Madhav Khosla, 2015-09-17 Although the field of constitutional law has become increasingly comparative in recent years its geographic focus has remained limited South Asia despite being the site of the world s largest democracy and a vibrant if turbulent constitutionalism is one of the important neglected regions within the field This book remedies this lack of attention by providing a detailed examination of constitutional law and practice in five South Asian countries India Pakistan Sri Lanka Nepal and Bangladesh Identifying a common theme of volatile change it develops the concept of unstable constitutionalism studying the sources of instability alongside reactions and responses to it By highlighting unique theoretical and practical questions in an underrepresented

region Unstable Constitutionalism constitutes an important step toward truly global constitutional scholarship **Liberty or Death** Patrick French, 2016-06-21 At midnight on 14 August 1947 Britain's 350 year old Indian Empire was broken into three pieces The greatest mass migration in history began as Muslims fled north and Hindus fled south and Britain's role as an imperial power came to an end Patrick French's vivid and surprising account of the chaotic final years of colonial rule in India has been acclaimed as the definitive book on this subject Journeying across India Bangladesh and Pakistan he brings to life a cast of characters including spies idealists freedom fighters and politicians from Churchill to Gandhi The result is a compelling story of deal making missed opportunities hope and tragedy *The Oxford History of the British Empire: Volume V: Historiography* Robin Winks, 2001-07-26 The Oxford History of the British Empire is a major new assessment of the Empire in the light of recent scholarship and the progressive opening of historical records From the founding of colonies in North America and the West Indies in the seventeenth century to the reversion of Hong Kong to China at the end of the twentieth British imperialism was a catalyst for far reaching change The Oxford History of the British Empire as a comprehensive study helps us to understand the end of Empire in relation to its beginning the meaning of British imperialism for the ruled as well as for the rulers and the significance of the British Empire as a theme in world history This fifth and final volume shows how opinions have changed dramatically over the generations about the nature role and value of imperialism generally and the British Empire more specifically The distinguished team of contributors discuss the many and diverse elements which have influenced writings on the Empire the pressure of current events access to primary sources the creation of relevant university chairs the rise of nationalism in former colonies decolonization and the Cold War They demonstrate how the study of empire has evolved from a narrow focus on constitutional issues to a wide ranging enquiry about international relations the uses of power and impacts and counterimpacts between settler groups and native peoples The result is a thought provoking cultural and intellectual inquiry into how we understand the past and whether this understanding might affect the way we behave in the future **Oceanic Islam** , 2020-05-31 The Indian Ocean interregional arena is a space of vital economic and strategic importance characterized by specialized flows of capital and labor skills and services and ideas and culture Islam in particular and religiously informed universalism in general once signified cosmopolitanism across this wide realm This historical reality is at variance with contemporary conceptions of Islam as an illiberal religion that breeds intolerance and terrorism The future balance of global power will be determined in large measure by policies of key actors in the Indian Ocean and the lands that abut it rather than in the Atlantic or the Pacific The interplay of multiple and competing universalisms in the Indian Ocean arena is in urgent need of better understanding Oceanic Islam Muslim Universalism and European Imperialism is a fresh contribution to Islamic and Indian Ocean studies alike placing the history of modern South Asia in broader interregional and global contexts It refines theories of universalism and cosmopolitanism while at the same time drawing on new empirical research The essays in the volume bring the best academic scholarship on Islam in South Asia

and across the Indian Ocean in the age of European empire to the readers **Law and Muslim Political Thought in Late Colonial North India** Adeel Hussain, 2022 Muhammad Iqbal and Muhammad Ali Jinnah developed their crucial political ideas in the 1930s They used India to test out how law could be used to settle political conflicts how theological concepts could be politicized and how to speak to an increasingly hostile All India National Congress This book maps this development
