Good Practices in Health Financing Pablo Enrique Gottret,George Schieber,Hugh Waters,2008-01-01 This volume focuses on nine countries that have completed or are well along in the process of carrying out major health financing reforms These countries have significantly expanded their people s health care coverage or maintained such coverage after prolonged political or economic shocks e g following the collapse of the Soviet Union In doing so this report seeks to expand the evidence base on good performance in health financing reforms in low and middle income countries The countries chosen for the study were Chile Colombia Costa Rica Estonia the Kyrgyz Republic Sri Lanka Thailand Tunisia and Vietnam

Twentieth Century British History William Simpson,2005 Rev ed of Working with sources 1988 **The Secularization Debate** William H. Swatos (Jr.),2000 Introduced to social scientific audiences by Max Weber the concept of secularization has had a major influence on the way in which religion has been understood in the West But at least since the late 1980s both the predictive and the descriptive adequacy of this concept have been seriously challenged In the face of this challenge The Secularization Debate offers a timely summary of the critical issues that have arisen over the past decade With its wide range of essays by prominent international scholars The Secularization Debate is sure to become a pivotal volume for anyone interested in the hotly contested concept of secularization and its continued relevance to the study of religion

Critical Responses to Josiah Royce, 1885-1916 Randall E. Auxier,2000-08-15 This set collects the most important responses to the philosophy of Josiah Royce 1885 1916 perhaps the most influential philosophical idealist America has yet produced Royce s works in theology metaphysics logic history psychology epistemology social policy ethics and even his fiction are still widely read and discussed These volumes contain reviews of his most important books and ideas and therefore should be of use to the study of American philosophy and the history of philosophy *The Rise and Fall of Political Orders* Richard Ned Lebow,2018-09-13 Drawing on political theory comparative politics international relations psychology and classics Ned Lebow offers insights into why social and political orders form how they evolve and why and how they decline Following *The Tragic Vision of Politics* and *A Cultural Theory of International Relations* this book thus completes Lebow s trilogy with an original theory of political order He identifies long and short term threats to political order that are associated respectively with shifts in the relative appeal of principles of justice and lack of self restraint by elites Two

chapters explore the consequences of late modernity for democracy in the United States and another chapter co authored with Martin Dimitrov the consequences for authoritarianism in China The Rise and Fall of Political Orders forges new links between political theory and political science via the explicit connection it makes between normative goals and empirical research

Papers in Honor of Josiah Royce on His Sixtieth Birthday, 1916 Paradigms of Justice Denise Celentano, Luigi Caranti, 2020-10-28 This book explores the relation between redistribution and recognition two key paradigms in the contemporary discourse on justice Combining insights from the traditions of critical social theory and analytical political philosophy the volume offers a multifaceted exploration of this incredibly inspiring conceptual couple from a plurality of perspectives The chapters engage with concepts such as universal basic income property owning democracy poverty equality self respect pluralism care and work all of which have an impact on individuals recognition as well as on distributive policies An important contribution to the field of political and social philosophy the volume will be useful to scholars and researchers of politics law human rights economics social justice as well as policymakers

Paradoxes of Social Capital Myriam Cherti, 2025-10-01 Paradoxes of Social Capital critically examines the robustness of social capital theory as an analytical tool in explaining the various integration patterns amongst Moroccans in London The book also considers how structural factors impact on the ways in which Moroccans across generations sustain access and use social capital at the levels of family ethnic community migrant associations and schools Furthermore this research elaborates on how social capital serves as an identity resource that is continuously negotiated and redefined through in active group family ethnic religious and national memberships An original model of studying the second generation processes of adaptation viewed as transversal adaptation is also introduced shifting the focus from predetermined integration patterns to a circular and a longitudinal approach to integration where new opportunities and constraints emerge structured by the temporal flow of life trajectories

Teaching With Primary Sources for Cultural Understanding, Civic Mindedness, and Democracy Scott M. Waring, 2024 This resource has been developed for Pre K 20 educators in order to help students use primary sources to go beyond simple acquisition of content knowledge and rote memorization The procedures and approaches outlined in this book are designed to be used with Pre K 20 students to help them use primary sources in discipline and inquiry based ways to develop and enhance understandings for cultural understanding civic mindedness and democracy Expert authors demonstrate how the skills students learn through this process can be applied to their everyday life and allow them to think critically about the world around them better understand various cultures communicate their understandings effectively and enhance their democratic values Grounded in the National Council for the Social Studies C3 Framework topics include social emotional learning inclusion higher order thinking civic agency project based learning democracy building across cultures teaching about war enacting change through intentional civic engagement and systemic racism in the United States Book Features Chapters by leading experts in the areas of civic education and teaching with primary sources Guidance for

supporting multilingual learners and students with disabilities Detailed examples of classroom tested instructional ideas and approaches from educators teaching with primary sources in Pre K 20 classrooms Primary sources and links to resources throughout the book

Political Theory Hoveyda Abbas,Ranajay Kumar,2012 Political Theory is about the description observation analysis and inquiry into the issues of political science Divided into 15 chapters the book captures all relevant aspects of political science and analyses them in the light of examples from India and the rest of the world Through a thorough examination of various political institutions the role of different social groups and the evolution of our politics this book will help students understand the basic concepts and notions of political theory and illustrate how these concepts apply to political systems across the world

Human Rights Judith Blau,Alberto Moncada,2015-12-03 In an era of globalization and greater connectivity human rights have come to the fore Human rights depend on treaties but also increasingly on local and national laws and grassroots activism The authors provide a basic introduction to human rights and they unveil long standing yet intensifying obstacles to attaining them most notably the opposing logics of capitalism and of solidarity and collective struggles They suggest ways to overcome these contradictions and create greater participation by the U S in the international community

Race and Ethnicity: The Basics Peter Kivisto,Paul R. Croll,2012-06-12 Race and ethnicity have shaped the social cultural and political character of much of the world and remain an important influence on contemporary life in the 21st Century Race and Ethnicity The Basics is an accessible introduction to these potent forces Topics covered include The forms and dynamics of racial and ethnic relations The dynamics of inequality The relationship between prejudice and discrimination Ethnic conflict Models of inclusion Including plenty of examples chapter summaries and a glossary this book is an essential read for all those interested in the contested field of race and ethnicity

Documents in Communist Affairs B. Szajkowski,1981-06-18

The Logics of Change Andreas Koch,Clemens Sedmak,2012-12-19 We live in a world of constant and dynamic change Change manifests in various guises ranging from small to big local to global individual to societal or from subtle to sudden It often comes out of the unexpected yet people can also actively bring about change Change can be for the better but often reality means change for the worse Preconditions for a contented and happy life both material and intangible are constantly challenged Living conditions of individuals as well as communities are affected by inequality exclusion or poverty Different kinds of challenge and change require different reactions This volume results from a two day conference in November 2011 in Salzburg Austria bringing together researchers and practitioners from different scientific disciplines in order to discuss approaches of poverty research social inclusion strategies and local knowledge applications with particular focus on transformation The contributions shed light on appropriate theories methodologies and concrete applications of change concepts referring to poverty place and identity at different temporal social and spatial scales They address a readership ranging from social and political scientists economists and statisticians to philosophers cultural scientists and geographers

Populism in Power Giorgos Venizelos,2023-05-09

Shifting attention away from policy achievements and effects on democracy this book focuses on the charismatic function of populist discourse comprising antagonistic narratives transgressive style and appeals to the common people The book puts forward an integrative approach that brings together discourse analysis analysis of digital media in depth interviews and ethnographic methods and places into comparative perspective the cases of SYRIZA in Greece and Donald Trump in the United States Theorising populism through the lens of collective identification Venizelos places the rhetorical and emotional dynamics of populist performativity at the core of the analysis offering a rigorous yet flexible conceptualisation of populism in power Against theoretical expectations findings suggest that both SYRIZA and Trump retained to different degrees their populist character in power although their style and vision differed vastly This book urges researchers journalists and politicians to adopt a reflexive approach to analysing the political implications of populism for politics polity and society and to challenge the normatively charged definitions that are uncritically reproduced in the public sphere It will appeal to researchers of political theory populism comparative politics sociologists and ethnographers
