Hadid, 1992 *The Rutgers Art Review*, 1984 **Writing and Filming the Painting** Laura M. Sager Eidt, 2008-01-01 This innovative interdisciplinary study compares the uses of painting in literary texts and films In developing a framework of four types of ekphrasis the author argues for the expansion of the concept of ekphrasis by demonstrating its applicability as interpretive tool to films about the visual arts and artists Analyzing selected works of art by Goya Rembrandt and Vermeer and their ekphrastic treatment in various texts and films this book examines how the medium of ekphrasis affects the representation of the visual arts in order to show what the differences imply about issues such as gender roles and the function of art for the construction of a personal or social identity Because of its highly cross disciplinary nature this book is of interest not only to scholars of literature and aesthetics but also for scholars of film studies By providing an innovative

approach to discussing non documentary films about artists the author shows that ekphrasis is a useful tool for exploring both aesthetic concerns and ideological issues in film This study also addresses art historians as it deals with the reception of major artists in European literature and film throughout the 20th century *Ramón Gómez de la Serna* Ricardo Fernández Romero,2023 A celebrity in his own day who gave lectures dressed as Napoleon or seated on the back of an elephant Ram on G omez de la Serna is the most representative writer of the interwar Spanish avant garde This book explores G omez de la Serna s art and his quest to break down the barriers between literature and life addressing two elements already present in his work of radical relevance in today s cultural debates the relation of the human being to the material world and the reduction of all experience to a singular individuality Bringing G omez de la Serna to an Anglophone audience it reveals him to be the embodiment of a new kind of art on both sides of the Atlantic **Zaha Hadid, 1992-1995** Zaha Hadid,1995
