Cole,2022-08-02 Moms know all too well that God doesn t promise an easy road for us or our kids As much as we d love to protect them from heartaches it just isn t possible This is especially true during the school year when they are introduced to new teachers new classmates new concepts and maybe even a new school that seems big and frightening Jesus tells us In the world you will have tribulation But take heart I have overcome the world John 16 33 With this reassurance we try to reassure our children that no matter what God is there and He s on their side And we pray In *Everyday Prayers for the School Year* author Tara L. Cole offers devotional readings and opportunities for mothers to pray for many issues concerning their children such as Are they making godly friends Are their teachers kind and caring Can they make wise choices in bad situations Will they commit to studying Are they being targeted by bullies If they are unprepared for a test will they trust God or cheat No matter what our kids are facing during the school year we can t go wrong when we pray and teach them to pray too Our prayer is that they ultimately trust Him for their salvation but even after they become Christians they have the daily choice to trust God when they feel like they are standing alone and the circumstances look impossible Tara says My hope for this journal is that it will help moms turn their worry about their children s school year into hope that they take their concerns to God and walk away confident that He loves our kids more than we do And He is in control
