courts of the Temple the Gospels the Epistles and the Psalms bring us into the holy place or the Court of the priests but the Song of Solomon is the most holy place the holy of holies before which the veil still hangs to many an untaught believer It is not all the saints who can enter here for they have not yet attained unto the holy confidence of faith and that exceeding familiarity of love which will permit them to commune in conjugal love with the great Bridegroom We are told that the Jews did not permit the young student to read the Canticles that years of full maturity were thought necessary before the man could rightly profit by this mysterious Song of loves Possibly they were wise at any rate the prohibition foreshadowed a great truth The Song is in truth a book for full grown Christians Babes in grace may find their carnal and sensuous affections stirred up by it towards Jesus whom they know rather after the flesh than in the spirit but it needs a man of fuller growth who has leaned his head upon the bosom of his Master and been baptized with his baptism to ascend the lofty mountains of love on which the spouse standeth with her beloved The Song from the first verse to the last will be clear to those who have received an unction from the holy One and know all things The Song is a golden casket of which love is the key rather than learning Those who have not attained unto heights of affection those who have not been educated by familiar intercourse with Jesus cannot come near to this mine of treasure seeing it is hid from the eyes of all living and kept close from the fowls of heaven O for the soaring eagle wing of John and the farseeing dove s eyes of Solomon but the most of us are blind and cannot see afar off May God be pleased to make us grow in grace and give us so much of the Holy Spirit that with feet like hind s feet we may stand upon the high places of Scripture and have some near and dear intercourse with Christ Jesus
