

"A fast-paced mystery and occult thriller with a saucy female detective whose language sparkles with wit and irony.

The book works both as mystery and as novel of magic, and contains an accurate, if good-humored, look at today's witchcraft scene."

Speak Daggers To Her:

Shakespeare and the Triple Play Sidney Homan, 1988 Developing the interrelationship of Shakespeare scholarship performance and teaching the contributors to this collection including scholars of the People's Republic of China share the perspective that Shakespeare's plays be viewed as texts to be enacted whether on the theater stage or the stage of the mind's eye

Boswell's Life of Johnson James Boswell, 1891 **Boswell's Life of Johnson, Including Boswell's Journal of a Tour to the Hebrides, and Johnson's Diary of A Journey Into North Wales** James Boswell, 1904 **Life of Johnson: Tour to the Hebrides (1773) and Journey into North Wales (1744)** James Boswell, 1904 **Hamlet on the Couch** James E. Groves, 2017-10-19 Hamlet on the Couch weaves a close reading of Shakespeare's Hamlet with a large variety of contemporary psychoanalytic and psychological theory looking at the interplay of ideas between the two Hamlet can be read almost as a psychoanalytic case study and be used to understand and illustrate a range of core psychoanalytic concepts Covering such basic psychoanalytic concepts as identity transference and countertransference the good enough mother the compulsion to repeat and the death instinct James E Groves shows how Hamlet can shed new light on understanding psychoanalytic theory and how psychoanalysis can in turn enrich our understanding of Shakespeare's work Perhaps the most radical feature of psychoanalysis is its tradition of self examination Mirroring it the book throughout uses an eclectic subjective critical approach to study how the poetry of Hamlet creates its realistically flawed and believably complex characters Combining deep insightful knowledge of Shakespeare and of psychoanalysis Hamlet on the Couch will be of great interest to psychoanalysts and psychoanalytic psychotherapists as well as literary scholars

The Life of Samuel Johnson, LL.D. James Boswell, 1885 *Philosophical Readings of Shakespeare* Margherita Pascucci, 2015-12-24 This book offers a close philosophical reading of King Lear and Timon of Athens which provides insights into the groundbreaking ontological discourse on poverty and money Analysis of the discourse of poverty and the critique of money helps to read Shakespeare philosophically and opens new reflections on central questions of our own time

The Political Magazine and Parliamentary, Naval, Military, and Literary Journal, 1785 *A Study of Hamlet* Frank Albert Marshall, 1875 **Tragedy of Hamlet, Prince of Denmark** William Shakespeare, 1891
