Speak Mandarin Not Dialect:

Speak Mandarin, Not Dialect Elizabeth Haynes, 1999 Fever and delirium in a Delhi hotel a highjacked bus in Mexico a ghost in the mountains an outlaw in a Camaro with cinematic immediacy Elizabeth Haynes captures people at those moments in their lives when the past catches up with them Sometimes that past is invited sometimes it lies in ambush waiting for a trick of light or a twist of fate to reveal it [A Study of Attitudes of Dialect Speakers Towards the Speak Mandarin Campaign in Singapore](#) Patrick Chin Leong Ng, 2017-01-19 This book makes an original contribution to the fields of sociolinguistics language planning policy and Chinese language studies It examines the effectiveness of the Singapore s Speak Mandarin Campaign in changing the language use of dialect speakers towards Mandarin Singapore may be only a small red dot and barely visible on the world s map However its complex and dynamic linguistic diversity and its quadrilingual educational system make it a unique and fascinating research site for examining deliberate language planning on the part of governmental authorities 2017 marks the 38th anniversary of the Speak Mandarin Campaign a focused language planning policy aimed at changing the deeply entrenched sociolinguistic habits of Chinese Singaporeans who are used to speaking Chinese dialects This book provides a revealing update on dialect speakers attitudes towards the campaign by including discussions and other related issues such as the recent call for the revitalisation of Chinese dialects by younger dialect speakers Chinese students attitude towards learning Mandarin in schools the encroachment of English in the home environment the spread and dominance of English in the local linguistic landscape and the challenges of maintaining Mandarin as a language of use and preference [Negotiating Language, Constructing Race](#) Nirmala Sreirekam PuruShotam, 2011-11-21 CONTRIBUTIONS TO THE SOCIOLOGY OF LANGUAGE brings to students researchers and practitioners in all of the social and language related sciences carefully selected book length publications dealing with sociolinguistic theory methods findings and applications It approaches the study of language in society in its broadest sense as a truly international and interdisciplinary field in which various approaches theoretical and empirical supplement and complement each other The series invites the attention of linguists language teachers of all interests sociologists political scientists anthropologists historians etc to the development of the sociology of language **Speak Not** James Griffiths, 2021-10-21 A New Yorker Best Book of 2022 A Globe Mail Book of the Year A stimulating work on the politics of language LA Review of Books As globalisation continues languages are disappearing faster than ever leaving our planet s linguistic diversity leaping towards extinction The science of how languages are acquired is becoming more advanced and the internet is bringing us new ways of teaching the next generation however it is increasingly challenging for minority languages to survive in the face of a handful of hegemonic super tongues In *Speak Not* James Griffiths reports from the frontlines of the battle to preserve minority languages from his native Wales Hawaii and indigenous American nations to southern China and Hong Kong He explores the revival of the Welsh language as a blueprint for how to ensure new

generations are not robbed of their linguistic heritage outlines how loss of indigenous languages is the direct result of colonialism and globalisation and examines how technology is both hindering and aiding the fight to prevent linguistic extinction Introducing readers to compelling characters and examining how indigenous communities are fighting for their languages Griffiths ultimately explores how languages hang on what happens when they don't and how indigenous tongues can be preserved and brought back from the brink

Fertility, Family Planning and Population Policy in China Chiung-Fang Chang, Che-Fu Lee, Sherry L. McKibben, Dudley L. Poston, Carol S. Walther, 2005-12-16 China's one child population policy first initiated in 1979 has had an enormous effect on the country's development By reducing its fertility in the past two decades to less than two children per woman and developing a family planning program focused heavily on sterilization and abortion China has undergone a significant transition in status to a demographically developed country Bringing together contributions from leading academics this book looks at the impact of the government's strict control over planning and population growth on the family the wider society and the country's demography The contributors examine developments such as family planning policy and contraceptive use biological and social determinants of fertility patterns of family and marriage and China's future population trends As such it will be essential reading for academics researchers policy makers and government officials with an interest in China's population policy

Language planning and policy in Quebec Jakob Leimgruber, 2019-09-23 This book presents an in depth study of the language policies present in the Canadian province of Quebec and considers them from a comparative perspective with special focus on Singapore and Wales In so doing it uses a mix of methods to look at the effects of language planning on language use questionnaires linguistic landscapes visible language in public space ethnography and psycholinguistic experiments Besides offering background information on Canada and Quebec the comparative element uses data from Singapore and Wales to shine a new light on how language is managed in Quebec

Contemporary History of Cantonese Migrants in Yokohama Chinatown Yee Lam Elim Wong, Tai Wei Lim, 2021-01-11 This book vividly portrays the past current and future development of Yokohama Chinatown through the context of its Cantonese residents grounded through a family history It is useful for both academic and non academic readers who are interested in migration history transformation of urban spaces anthropological perspectives of integration of immigrants diasporic studies and overseas Chinese studies It is informative when considering the role of immigrant communities in the world today in the context of globalization stimulating cross border movements and anti globalization forces that act as push and pull factors for migration It is also a study of harmonious integration of the overseas Chinese community in Yokohama and its ability to retain its own cultural traits rights rituals traditions and dialect language in one of the most homogenous countries in the world This increases the attractiveness of Yokohama City in terms of ethnic diversity cosmopolitan multiculturalism and urban space renewal

Multilingualism in the Chinese Diaspora Worldwide Li Wei, 2015-10-16 In this volume Li Wei brings together contributions from well known and emerging scholars in socio and

anthropological linguistics working on different linguistic and communicative aspects of the Chinese diaspora The project examines the Chinese diasporic experience from a global comparative perspective with a particular focus on transnational links and local social and multilingual realities Contributors address the emergence of new forms of Chinese in multilingual contexts family language policy and practice language socialization and identity development multilingual creativity linguistic attitudes and ideologies and heritage language maintenance loss learning and re learning The studies are based on empirical observations and investigations in Chinese communities across the globe including well researched from a sociolinguistic perspective areas such as North America Western Europe and Australia as well as under explored and under represented areas such as Africa Latin America Central Asia and the Middle East the volume also includes detailed ethnographic accounts representing regions with a high concentration of Chinese migration such as Southeast Asia This volume not only will allow sociolinguists to investigate the link between linguistic phenomena in specific communities and wider socio cultural processes but also invites an open dialogue with researchers from other disciplines who are working on migration diaspora and identity and those studying other language based diasporic communities such as the Russian diaspora the Spanish diaspora the Portuguese diaspora and the Arabic diaspora

Taiwan John F Copper, 2018-05-04 In this newly revised and updated edition of *Taiwan Nation State or Province* John F Copper examines Taiwan s geography and history society and culture economy political system and foreign and security policies in the context of Taiwan s uncertain political status as either a sovereign nation or a province of the People s Republic of China Copper argues that Taiwan s very rapid and successful democratization suggests Taiwan should be independent and separate from China while economic links between Taiwan and China indicate the opposite New to the sixth edition is enhanced coverage of the issues of immigration the impact of having the world s lowest birthrate China s economic and military rise and America s decline Taiwan s relations with China the United States and Japan and the KMT s Nationalist Party return to power The new edition will also examine the implications of the 2012 presidential election A selected bibliography guides students in further research

Teaching and Researching Chinese Second Language Listening Wei Cai, 2022-05-30 *Teaching and Researching Chinese Second Language Listening* focuses on Chinese L2 listening with theory and pedagogy at its heart The objectives of the book are to recount the development of Chinese L2 listening pedagogy to synthesize research on Chinese L2 listening and to propose a Chinese L2 listening approach This book is the first to bridge the gap between Chinese L2 and general L2 listening and develop a much needed systematic teaching approach to Chinese listening based on research findings in L2 listening the unique features of the Chinese language and the distinctive characteristics of the Chinese L2 learner population This book grounds Chinese L2 teaching in solid theories of L2 acquisition and teaching The research informed and evidence based Chinese L2 teaching approach proposed in the book seeks to move beyond the traditional product oriented approach to integrate form meaning process and learner focused listening This book also discusses Chinese L2 listening from learners

perspectives heritage versus non heritage learners and motivation These are presented together with theory and teaching practice The book is aimed at researchers in service teachers and students taking upper level undergraduate courses and postgraduate courses for programs in Chinese applied linguistics and teaching Chinese as a second language TCSL Chinese listening studies to date have mostly been published in the Chinese language which severely limits their readership This book is therefore written in English to fill the gap in current scholarship Due to a large number of Chinese learners and the consequential booming programs in TCSL and CIE Chinese international education it is important to dedicate a book specifically to Chinese listening
