Will Norman, Duncan White

Speak Memory:

Speak, Memory Vladimir Nabokov, 2011-02-16 From one of the 20th century's great writers comes one of the finest autobiographies of our time Scintillating One finds here amazing glimpses into the life of a world that has vanished forever The New York Times *Speak Memory* was first published by Vladimir Nabokov in 1951 as *Conclusive Evidence* and then assiduously revised and republished in 1966 Nabokov's memoir is a moving account of a loving civilized family of adolescent awakenings flight from Bolshevik terror education in England and migr life in Paris and Berlin The Nabokovs were eccentric liberal aristocrats who lived a life immersed in politics and literature on splendid country estates until their world was swept away by the Russian revolution when the author was eighteen years old *Speak Memory* vividly evokes a vanished past in the inimitable prose of Nabokov at his best *Speak, Memory* Vladimir Vladimirovich Nabokov, 1989 This book first published in 1951 as *Conclusive evidence* and then assiduously revised in 1966 examines Nabokov's life and times while offering incisive insights into his major works including *Lolita* *Invitation of a Beheading* *The Eye* *The Invincible* *The Gift* *The real life of Sebastian Knight* and *The defense*

Nabokov's Art of Memory and European Modernism John Burt Foster, Jr., 1993-02-08 Despite Vladimir Nabokov's hostility toward literary labels he clearly recognized his own place in cultural history In a fresh approach stressing Nabokov's European context John Foster shows how this writer's art of memory intersects with early twentieth century modernism Tracing his interests in temporal perspective and the mnemonic image in intertextual reminiscences and in individuality amid cultural multiplicity the book begins with such early Russian novels as *Mary* then treats his emerging art of memory from *Laughter in the Dark* to *The Gift* After discussing the author's cultural repositioning in his first English novels Foster turns to Nabokov's masterpiece as an artist of memory the autobiography *Speak Memory* and ends with an epilogue on *Pale Fire* As a cross cultural overview of modernism this book examines how Nabokov navigated among Proust and Bergson Freud and Mann and Joyce and Eliot It also explores his response to Baudelaire and Nietzsche as theorists of modernity and his sense of Dostoevsky Tolstoy and Pushkin as modernist precursors As an approach to Nabokov the book reflects the heightened importance of autobiography in current literary study Other critical issues addressed include Bakhtin's theory of intertextuality deconstructive views of memory Benjamin's modernism of memory and Nabokov's assumptions about modernism as a concept

The Enchanter Lila Azam Zanganeh, 2011-04-25 Discovering happiness in reading the work of an extraordinary writer The protagonist of Vladimir Nabokov's *The Gift* playfully dreamed of writing *A Practical Handbook How to Be Happy Now* Nabokov's own creative reader Lila Azam Zanganeh lends life to this vision with sly sophistication and ebullient charm as she shares the delirious joy to be found in reading the masterpieces of the great writer of happiness Plunging into the enchanted and luminous worlds of *Speak Memory* *Invitation of a Beheading* and the infamous *Lolita* Azam Zanganeh seeks out the Nabokovian experience of time memory sexual passion nature loss love in all its forms and language in all its allusions She explores Nabokov's geography from his Russian childhood to the landscapes of his America suffers encounters

with his beloved nature hallucinates an interview with the master and seeks the crunch of happiness in his singular vocabulary This beautifully illuminated book will both reignite the passion of experienced Nabokovians and lure the innocent reader to a well of delights as yet unseen **That Other World** Azar Nafisi, 2019-06-25 The foundational text for the acclaimed international best seller *Reading Lolita in Tehran* Empathetic incisive A sweeping overview of Nabokov's major works Graceful and discerning Kirkus Reviews The ruler of a totalitarian state seeks validation from a former schoolmate now the nation's foremost thinker in order to access a cultural cache alien to his regime A literary critic provides commentary on an unfinished poem that both foretells the poet's death and announces the critic's secret identity as the king of a lost country The greatest of Vladimir Nabokov's enchanters Humbert is lost within the antithesis of a fairy story in which Lolita does not hold the key to his past but rather imprisons him within the knowledge of his distance from that past In this precursor to her international best seller *Reading Lolita in Tehran* Azar Nafisi deftly explores the worlds apparently lost to Nabokov's characters their portals of access to those worlds and how other worlds hold a mirror to Nabokov's experiences of physical linguistic and recollective exile Written before Nafisi left the Islamic Republic of Iran and now published in English for the first time and with a new introduction by the author this book evokes the reader's quintessential journey of discovery and reveals what caused Nabokov to distinctively shape and reshape that journey for the author **Vladimir Nabokov and**

the Art of Painting Gerard de Vries, Donald Barton Johnson, 2006 Studie van de verwijzingen naar beeldende kunst in het werk van de Russisch Amerikaanse schrijver 1899-1977 Autobiography and Imagination John Pilling, 2015-08-20 Originally published in 1981 This book looks at the autobiographical work of nine twentieth century writers Henry Adams Henry James W B Yeats Boris Pasternak Leiris Jean Paul Sartre Vladimir Nabokov Henry Green and Adrian Stokes The author argues that often the writer has shaped his life through his craft coming to understand the pattern of his own existence through the formalism of language In each case the writer stamps his personality on the work by means of a distinctive verbal surface whose discipline enables him to evade narrow egotism and forces both reader and writer into an act of collaboration and corroboration Written at a time when criticism was turning to focus on the relation between the reader and the text this study added a provocative dimension to the debate and is still an important read today Vladimir Nabokov Brian Boyd, 2016-06-10 The story of Nabokov's life continues with his arrival in the United States in 1940 He found that supporting himself and his family was not easy until the astonishing success of *Lolita* catapulted him to world fame and financial security

Transitional Nabokov Will Norman, Duncan White, 2009 This collection of original essays is concerned with one of the most important writers of the twentieth century Vladimir Nabokov The book features contributions from both well established and new scholars and represents the latest developments in research The essays all address the possibility of reading Nabokov's works as operating between categories of various kinds whether linguistic formal historical or national In doing so they explore exciting new paradigms for approaching Nabokov's oeuvre The volume brings together a diverse range

of critical voices from around the world to respond to some of the most urgent questions raised about Nabokov's work. Topics covered include the relationship between his artistic and scientific work, his influences on contemporary fiction and the development of his aesthetics over his career. Drawing variously on archive research, alternative readings of key texts and fresh theoretical approaches, this book injects new impetus into Nabokov studies as it continues to evolve as a discipline.

Self-same Songs Roger J. Porter, 2002-01-01 *Self Same Songs* constitutes a major contribution to the growing literary study of autobiography. Using a range of authors including Homer, Edward Gibbon, Benjamin Franklin, Somerset Maugham, Franz Kafka and Eugène Delacroix, Roger J. Porter offers a broad-based examination of the autobiography and the varied techniques used by its practitioners over time. In a style that is both graceful and erudite, Porter focuses on the diverse motivations and rhetorical functions that the act of self-writing serves for particular writers. He reflects on the texts not only as an exploration of self-identity but also as the writer's attempts to modify the life in the act of writing about it. Then stepping out of his critical role, Porter ends each chapter with an autobiographical discussion of his professional and personal engagement with the autobiographer under discussion, creating an intriguing and absorbing literary autobiography within the critical text.
