Speak For Yourself A Mass Observation Anthology 1937 1949

KJ Lindholm-Leary

Speak For Yourself A Mass Observation Anthology 1937 1949:

Speak for Yourself Angus Calder, 1985 Humphrey Jennings and British Documentary Film: A Re-assessment Philip C. Logan, 2016-05-13 Humphrey Jennings ranks amongst the greatest film makers of twentieth century Britain Although a relatively unknown figure to the wider public his war time documentaries are regarded by many including Lord Puttnam Lindsay Anderson and Mike Leigh as amongst the finest films of their time Groundbreaking both in terms of their technique and their interest in and respect for the everyday experiences of ordinary people these films are much more than mere government propaganda Instead Jennings work offers an unparalleled window into the British home front and the hopes fears and expectations of a nation fighting for its survival Yet until now Jennings has remained a shadowy figure with his life and work lacking the sustained scholarly investigation and reassessment they deserve As such film and social historians will welcome this new book which provides an up to date and thorough exploration of the relationships between Jennings life ideas and films Arguing that Jennings s film output can be viewed as part of a coherent intellectual exercise rather than just one aspect of the artistic interests of a wide ranging intellectual Philip Logan paints a much fuller and more convincing picture of the man than has previously been possible He shows for the first time exactly how Jennings s artistic expression was influenced by the fundamental intellectual social and cultural changes that shook British society during the first decades of the twentieth century Combining biography social history and international artistic thought the book offers a fascinating insight into Jennings his work the wider British documentary film movement and the interaction between art and propaganda Bringing together assessments of his tragically short life and his films this book is essential reading for anyone with an interest in British cinema or the social history of Britain in the 1930s and 40s Mass-Observation Jennifer J. Purcell, 2023-02-09 This book reproduces the original 1937 founding pamphlet of Mass Observation the compelling social research project that ran for decades in the mid 20th century with expert commentary throughout It also features brand new supporting essays by and informative interviews with prominent scholars of Mass Observation which reflect on the organisation its origins and its influence on multiple academic disciplines including history sociology and anthropology An introductory essay by the editor synthesizes the arguments of this material as well as contributing vital historical context and suggestions for ways in which other disciplines might benefit from the use of Mass Observation approaches and archival material There is also a chronology of Mass Observation its publications and major figures associated with it Mass Observation offers an unparalleled wealth of insights into the lived experiences of Britons in the 20th century and this volume provides the best introduction to it available familiarizing you with both the original Mass Observation aims and what value this fascinating material carries for us today **Mass-Observation and Visual Culture** LucyD. Curzon, 2017-07-05 *Mass Observation and Visual Culture* Depicting Everyday Lives in Britain critically analyses the role that visual culture played in the early development of Mass Observation the innovative British anthropological research group founded in 1937

The group's production and use of painting collage photography and other media illustrates not only the broad scope of Mass Observation's efforts to document everyday life but also more specifically the centrality of visual elements to its efforts at understanding national identity in the 1930s. Although much interest has previously focused on Mass Observation's use of written reports and opinion surveys as well as diaries that were kept by hundreds of volunteer observers, this book is the first full-length study of the group's engagement with visual culture. Exploring the paintings of Graham Bell and William Coldstream, the photographs of Humphrey Spender, the paintings, collages, and photographs of Julian Trevelyan, and Humphrey Spender's photographs, and widely recognized Mass Observation film *Spare Time* among other sources, Mass Observation and Visual Culture: Depicting Everyday Lives in Britain positions these works as key sources of information with regard to illuminating the complex character of British identity during the Depression era.

Aging in Twentieth-Century Britain Charlotte Greenhalgh, 2018-06-15 As today's baby boomers reach retirement and old age, this timely study looks back at the first generation who aged in the British welfare state. Using innovative research methods, Charlotte Greenhalgh sheds light on the experiences of elderly people in twentieth-century Britain. She adds further insights from the interviews and photographs of celebrated social scientists such as Peter Townsend, whose work helped transform care of the aged. A comprehensive and sensitive examination of the creative pursuits, family relations, work, lives, health, and living conditions of the elderly, *Aging in Twentieth-Century Britain* charts the determined efforts of aging Britons to shape public understandings of old age in the modern era.

Anthropology in the Public Arena Jeremy MacClancy, 2013-01-23 **ANTHROPOLOGY IN THE PUBLIC ARENA** A critical insider, Jeremy MacClancy celebrates maverick anthropologists who transgressed academic frontiers and urges his colleagues to engage the public. This is an entertaining, original, and provocative book. Adam Kuper, Professor Emeritus, University of Cambridge. Jeremy MacClancy insightfully expands the history of anthropology beyond the confines of the academy, showing us how a collection of poets, popularizers, critics, surrealists, neo-Freudians, and iconoclast savants shaped anthropology's imagination. David Price, St Martin's University, Washington. **ANTHROPOLOGY IN THE PUBLIC ARENA** This detailed survey of the evolution of anthropology in Britain is also a spirited defence of the public as well as professional role of the discipline. The author argues for a broader vision of the value of anthropological knowledge that allows for the creative contributions of popular scientists and literary figures who often capture the public imagination and add much to our knowledge of human social relations. Informed by original archival research and engaging narratives of the larger-than-life personalities of public intellectuals, the author reveals the contributions of neglected but crucial figures such as John Layard, Geoffrey Gorer, Robert Graves, and the originators of Mass Observation. Today's online repository of anthropological data. MacClancy is guided by the notion that anthropology's continued dynamism requires an alliance of interests, popular and academic, that will recover marginalized studies and recognize the value of contributions from outside the university research community. Its synthesis of diverse topics illuminates an anthropology that enriches the popular

cultural discourse and serves as a versatile tool for exploring pressing issues of social organization and development The reframed narrative of British anthropological history that emerges is as integral to the future of the subject as it is informative about its past **Henry Green** Nick Shepley, 2016 Henry Green Class Style and the Everyday combines biography social historical context and close readings of all of Green s novels to provide a clearer vantage point from which to see into the challenges and pleasures awaiting the reader of Green s fiction **The Most Offending Soul Alive** Judith M. Heimann, 1999-11-01 An English eccentric and adventurer Tom Harrisson 1911 1976 sought knowledge and renown in a dizzying number of fields while breaking most of the rules of civilized society He was a precursor in the field of modern market research he won the DSO for his World War II service in Borneo he led efforts to save the orangutan the green sea turtle and other endangered species he discovered the oldest modern human skull known at the time This hugely enjoyable story of Harrisson s extravagant controversial life offers a sympathetic and insightful look at a charismatic figure who offended as many people as he impressed at the twilight of colonialism on the fringes of the British empire

Regenerating England , 2016-08-29 In the inter war years there was much debate in Britain as to whether the best path to post World War I regeneration would be found in the promises of science and technology in continued and increased efficiency in specialization and professionalization or whether the future of the nation depended on a rediscovery of older and more authentic ways of doing things on a defiant anti modernism This debate on Britain s future was often conducted in terms of Englishness and the rebirth of a lost more spiritual village England However Englishness also entered inter war social thinking through eclectic assimilations of diverse traditions Prominent themes in the discourses on Britain s post war regeneration include national character citizenship fitness education utopia community and so on The chapters in the present volume address these themes and break new ground by examining debates well known in political and literary history through their relations to science medicine architecture and ideas of social and political health **Sunday** Craig Harline, 2011-09-13 The mere mention of Sunday will immediately conjure up a rich mix of memories associations and ideas for most anyone of any age Whatever we think of be it attending church reading a bulky newspaper eating brunch or watching football Sunday occupies a unique place in Western civilization But how did we come to have a day with such a singular set of traditions Here historian Craig Harline examines Sunday from its ancient beginnings to contemporary America in a fascinating blend of stories and analysis For the earliest Christians the first day of the week was a time to celebrate the liturgy observe the Resurrection and work But over time Sunday in the Western world took on still other meanings and rituals especially in the addition of both rest and recreation to the day s activities Harline illuminates these changes in enlightening profiles of Sunday in medieval Catholic England Sunday in the Reformation and Sunday in nineteenth century France home of the most envied and sometimes despised Sunday of the modern world He continues with moving portraits of soldiers and civilians trying to observe Sunday during World War I examines the quiet Sunday of England

in the 1930s and concludes with the convergence of various European traditions in the American Sunday which also adds some distinctly original habits of its own such as in the realms of commerce and professional sports With engaging prose and scholarly integrity Sunday is an entertaining and long overdue look at a significant hallmark of Western culture

Speak For Yourself A Mass Observation Anthology 1937 1949 Introduction

In today's digital age, the availability of Speak For Yourself A Mass Observation Anthology 1937 1949 books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Speak For Yourself A Mass Observation Anthology 1937 1949 books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Speak For Yourself A Mass Observation Anthology 1937 1949 books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Speak For Yourself A Mass Observation Anthology 1937 1949 versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Speak For Yourself A Mass Observation Anthology 1937 1949 books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Speak For Yourself A Mass Observation Anthology 1937 1949 books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Speak For Yourself A Mass Observation

Anthology 1937 1949 books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Speak For Yourself A Mass Observation Anthology 1937 1949 books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Speak For Yourself A Mass Observation Anthology 1937 1949 books and manuals for download and embark on your journey of knowledge?
