

QUOTATIONS FOR PUBLIC SPEAKERS

A HISTORICAL, LITERARY,
AND POLITICAL ANTHOLOGY

EDITED BY U.S. SENATOR
ROBERT G. TORRICELLI

Speakers Of Quotations

Katja Kujanpää

Speakers Of Quotations:

A Speaker's Treasury of Quotations Michael C. Thomsett, Linda Rose Thomsett, 2015-01-24 Every public speaker can benefit from an apt quotation to illuminate a speaking point This compilation of 2 116 quotations in 263 broad subject categories is useful for political motivational and other public speakers along with speech writers planners and researchers The topics range from Ability Out of my lean and low ability I ll lend you something Shakespeare to Youth I suppose it s difficult for the young to realize that one may be old without being a fool William Somerset Maugham Each entry is credited to its author the work in which it appeared when appropriate and the date of origin There are two indexes of authors to topics and their entry numbers and of highly detailed keywords in context to their entries **The Speaker's Sourcebook**

Glenn Van Ekeren, 1988 Gathers quotes and stories about acceptance success work adversity communication humility leadership self confidence failure decisions and growth **The Speaker's Book of Quotations, Completely Revised and Updated**

Henry O. Dormann, 2009-07-29 FROM THE WORLDS OF BUSINESS POLITICS HISTORY LITERATURE ENTERTAINMENT AND MORE Think how much happier women would be if instead of endlessly fretting about what the males in their lives are thinking they could relax secure in the knowledge that the correct answer is very little DAVE BARRY I d tell you what I really thought about the national media but as my good friend Dana Carvey would say Wouldn t be prudent Not gonna do it GEORGE BUSH We must believe in luck For how else can we explain the success of those we don t like JEAN COCTEAU Don t find fault Find a remedy HENRY FORD Peace is more precious than a piece of land ANWAR SADAT People who read tabloids deserve to be lied to JERRY SEINFELD Patriotism is not a short and frenzied outburst of emotion but the tranquil and steady dedication of lifetime ADLAI STEVENSON **Analysing Citizenship Talk**

Heiko Hausendorf, Alfons Bora, 2006-01-01 Citizenship talk refers to various types of discourse initiated to make citizens take part in politically and socially contested decision making processes citizen participation Citizenship has accordingly become one of the dazzling key words whenever the democratic deficit of modern societies is moaned about Asking for citizenship to be conceived of as a communicative achievement the present book shows that sociolinguistics and pragmatics can essentially contribute to this interdisciplinary up to date issue of research the volume offers a theoretically innovative concept of communicated citizenship and it presents a set of methodological approaches suited to deal with this concept at an empirical level including contributions from Conversation Analysis Critical Discourse Analysis Social Positioning Theory Speech Act Theory and Ethnography Furthermore concrete data and empirical analyses are provided which take up the case of decision making processes around the application of modern green biotechnology GMO field trials The volume thus illustrates the kind of findings and results that can be expected from this new and promising approach towards citizenship talk *Figures in the Shadows* Bart Huelsenbeck, 2018-06-11 The collection of the elder Seneca assembles quotations from scores of declaimers over a period spanning sixty years from the Augustan Age through the early decades of the empire A view is offered onto a

literary scene for this critical period of Roman letters that is numerous populated highly interactive and less dominated by just a few canonical authors Despite this potential modern readings have often lumped declaimers together en masse and organizational principles basic to Seneca's collection remain overlooked This volume attempts to hear the individual speech of declaimers by focusing on two speakers Arellius Fuscus rhetor to Ovid and Papirius Fabianus teacher of the younger Seneca A key organizing principle informing both the collection and the practice of declamation was the shared locus a short passage defined by verbal and argumentative ingredients that gained currency among declaimers Study of the operation of the shared locus carries several advantages 1 we appreciate distinctions between declaimers 2 we recognize shared passages as a medium of communication and 3 the shared locus emerges as a community resource explaining deep seated connections between declamation and literary works

The Rhetorical Functions of Scriptural Quotations in Romans Katja Kujanpää, 2018-10-02 Quotations from Jewish scriptures play a crucial role in the Letter to the Romans The Rhetorical Functions of Scriptural Quotations in Romans explores their rhetorical functions in Paul's argumentation It offers a careful text critical analysis of the 51 quotations in Romans and asks questions such as does Paul quote accurately according to a wording known to him or does he adapt it himself Moreover to what extent does Paul strive to preserve the sense that the quoted words have in their original context Katja Kujanpää's approach of combining rhetorical matters with close textual study results in a more comprehensive picture of quotations in Romans than has been previously seen Thus the book opens new perspectives on Paul's argumentation rhetoric and theological agenda

The Complete Speakers Sourcebook Eleanor Lloyd Doan, 1960 Gathers quotes anecdotes analogies and poems that can be used by preachers and other public speakers

Dictionary of Foreign Quotations Robert Collison, 1980-06-18 **The Speaker** Paul Martin Pearson, 1911

Understanding Quotation Elke Brendel, Je'org Meibauer, Markus Steinbach, 2011 Mouton Series in Pragmatics MSP is a timely response to the growing demand for innovative and authoritative monographs and edited volumes from all angles of pragmatics Recent theoretical work on the semantics pragmatics interface applications of evolutionary biology to the study of language and empirical work within cognitive and developmental psychology and intercultural communication has directed attention to issues that warrant reexamination as well as revision of some of the central tenets and claims of the field of pragmatics The series welcomes proposals that reflect this endeavour and exploration within the discipline and neighboring fields such as language philosophy communication information science sociolinguistics second language acquisition and cognitive science MSP will provide a forum for authors who represent different subfields of pragmatics including the linguistic cognitive social and intercultural paradigms and have important and intriguing ideas and research findings to share with scholars who are interested in linguistics in general and pragmatics in particular
