Carrell, 2013-04-11 Listeners do love their pastors and they agree with the sermon content they hear Lori Carrell once explained to a group of pastors but most sermons don t ask for change and most listeners don t experience spiritual growth as a result of the sermon A participant responded Let s get practical I want my preaching to make a difference What changes are worth making and how do I make them In Preaching that Matters Lori Carrell shares

answers to that question drawing on the experiences of thousands of people preachers and their listeners whose effort she has studied over many years In each chapter of this book she offers research revelations about high impact preaching that will encourage and challenge readers to continue to grow as preachers She then links these principles with Reflective Practice Challenges RPCs exercises that honor the rich experiences of pastors while opening opportunities for self analysis spiritual introspection conversation with a trusted other or implementation of research based preaching recommendations The activities have been used by hundreds of other pastors and each RPC has been carefully selected for its demonstrated contribution to the process of transforming sermon communication A selection of the RPCs are available as a downloadable file E mail resource material rowman com for more information As a communication expert Carrell approaches preaching from a sermon communication paradigm She begins with the task of identifying the spiritually transformative purpose of the sermon and then explores exegeting organizing deepening and delivering the sermon as well as listening to the listeners and planning for continued transformation Her own goal is simple to inspire and equip clergy to make changes that will enhance the transformative power of their preaching To connect with others reading Preaching That Matters and to find an online accountability partner join the book's Google communities
