Special Education Case By Case:

Special Education Law Case Studies David F. Bateman, Jenifer Cline, 2019-01-12 Tremendous changes have occurred over the past decade in the provision of services to students with disabilities Federal mandates continue to define requirements for a free appropriate public education FAPE in the least restrictive environment Additionally there has been an increase in the number of lawsuits filed against school districts regarding the provision of educational services for students with disabilities Case studies are a helpful way to understand these difficult issues The case studies presented here are actual students eligible for special education and related services The case studies are represented not to tell districts and parents that this is the only way questions about special education law can be answered but to provide likely answers along with commentary for analysis The cases were developed to help new and experienced special education leaders and supervisors survive the pressures of working with students with disabilities while working to provide appropriate services and prevent litigation

Case Studies of Minority Student Placement in Special Education Beth Harry, Janette Klingner, Elizabeth Cramer, 2007 This book features vivid case studies that bring to life real children school personnel and family members from the bestselling book Why Are So Many Minority Students in Special Education Once again addressing the disproportionate placement of minority students in special education programs this new book includes the voices and perspectives of all stakeholders to show the tremendous complexity of the issues and the dilemmas faced by professionals family members and children Challenging questions and scenarios are offered at the end of each case study to provide thoughtful follow up activities and topics for further study This collection of cases can be used on its own or as a companion to the main volume in elementary and special education courses and professional development workshops This book provides a thorough and detailed description of the multiple factors that combine to provide inequitable educational opportunities for minority students living in poverty the authors do not shy away from discussion of racism on the individual and institutional levels they engage in this discussion in a refreshingly detailed and nuanced way TC Record It is the best casebook on special education that I have seen Velma L Cobb Vice President of Education and Youth Development National Urban League

Case Studies in Building Equity Through Family Advocacy in Special Education Lydia Ocasio-Stoutenburg, Beth Harry, 2021 You've read the history and the background now meet the families This companion book to Meeting Families Where They Are traces the advocacy journeys of 12 caregivers across a range of racial ethnic social disability economic and family identities The stories reflect the unique lives histories and needs of each family as well as the different approaches they employ to meet the needs of their children Caregivers indicate when they began to advocate describe how they continue their efforts across schools medical offices therapies communities and virtual spaces and discuss how they adapt to changing social and health climates and educational delivery modes They also share their collective wisdom to assist other parents who are new to the advocacy platform or are feeling discouraged with the process This is must reading for family members

teachers administrators health care personnel and everyone invested in creating a culture of respect love and understanding Book Features Emphasizes how families have resisted the deficit based view of their children while still utilizing systems of support Identifies gaps and challenges across multiple systems as well as what s working Incorporates the fields of special education and disability studies in education Uses the framework of DisCrit to explore how disability and other social identities operate in tandem examining concepts such as power access privilege and barriers Positions caregivers as experts in their children s lives illustrating how they advocate for their children teens and young adults Takes a deep dive into the nuances of generational cultural organizational and geographical factors that impact how caregivers advocate Resists approaches that typically involve professionals dictating what families need centering instead on a collaborative model that includes families and professionals

Case Studies in Special Education Tera Torres,Catherine R. Barber,2017-06-12 Special education law and practice have undergone profound transformation over the past 50 years Students with disabilities are now more likely to receive a free and appropriate education in the least restrictive environment possible however the ideals of the law have not always been manifested in effective practice Although special education services are vastly better today than they were in the early years of public education current policies and practices continue to result in the under education of many children with disabilities This book illustrates key failures of the system within the context of real children s experiences The case study approach gives voice to the students families and educators who have been let down by the special education process The goal is to shed light on the flaws and injustices of the status quo After identifying these problems the authors offer sound solutions Section 1 is devoted to issues surrounding identification of students with learning disabilities These topics include occurrence of inconsistencies in assessment and diagnoses understanding the struggles of the slow learner and the interference of behavioral challenges with students educational performance Section 2 addresses problems within the evaluation process that negatively influence diagnoses Discussions include disproportionate representation of students from low socioeconomic backgrounds as well as

students of color and bilingual students Section 3 highlights significant concerns with service provision within the special education realm The narratives throughout the book present stories of children on the receiving end of a severely fractured special education system Recommendations focus on solving specific problems such as inconsistent identification processes and categories disproportionate representation ill conceived IEPs ineffective specially designed instruction and poorly implemented RTI programs The book s methodological approach affirms that there is much room for reform within both the special education system and the public education system as a whole This book will be an excellent resource for graduate level students practitioners and teachers in the fields of special education disability studies early intervention school psychology and child and family services Additionally it will be of interest to social workers counselors and researchers
