Social Networking Jennifer Obee, 2012-05-18 Social networking is now an entrenched activity for nearly every teen in the country. A recent study showed that nearly 75% of American teens use an online social network, a percentage that continues to rise. Librarians such as the author herself are often asked by young adults for help and advice on social networking, but teens also turn to their friends for information which can be inaccurate or incomplete. *Social Networking: The Ultimate Teen Guide* helps young adults make the most of their online experience, giving them a complete understanding of social networking while also addressing online safety. Author Jennifer Obee helps teens navigate through the challenging intricacies of social networks, covering such topics as

Facebook, YouTube, Twitter, net speak, blogs, privacy, cyberbullying, video chats, smart phones. With quotes from teenagers about their favorite sites and personal stories, *Social Networking* is the perfect resource for teens trying to gain a better understanding of the vast online world. **Keeping in Touch** Carballo, Leni Ramos, 2000 Theories of Religion Seth Daniel Kunin, Jonathan Miles-Watson, 2006

This book provides a comprehensive selection of readings that relate to and explore the definition of religion. The texts come from a wide range of approaches, unified both by the questions they are addressing and their broadly social scientific perspective. The disciplines covered include anthropology, phenomenology, psychology, and sociology. The editors have also included some key texts relating to the feminist approach to and critique of religion. The first section of the book includes some of the foundational texts such as materials by Marx, Freud, and Durkheim. The remaining sections look at more recent discussions of the issues from the different disciplinary perspectives. Each reading is introduced by a biographical sketch of the author. The book also includes introductory discussions to each section that both raise the key issues developed in a particular discipline and address the disciplinary approaches from a more critical stance. *Theories of Religion: A Reader* is an invaluable critical resource accessible to a broad audience as well as students of theology and religious studies.

Grandmama and The Church of the People Yvonne and Benton Cohen, 2007-07 *Grandmama and the Church of the People* Inspired by Psalm 78 v 1-4, this engaging series of lesson-laden vignettes set in a fictitious small town Negro church in South Carolina over the course of 20 years between 1945 and 1965 serves as a pretext for Grandmama to teach her passel of unnamed grandchildren about the curious ways of the Good Lord, God, Father, Son, and Holy Spirit. Through the telling of her stories, Grandmama unfurls fables about the forms and fashions as well as the fun foibles of faith fellowship at The Church of the People and shows us all that in our humanness we will surely fall short of God's perfect ways, sometimes even Grandmama herself. The stories are related in the conversational Ebonics of that era. Grandmama is a woman with a formal education that only reached sixth grade, yet she has the Master's degree in Christian life learning as taught by the Holy Spirit. Most of the stories are light and some are fall-out funny, but others tackle subjects that challenge Christian communities to eschew the worship of denominations, individual churches, or charismatic leaders in favor of a real

personal relationship with God the Holy Father of all Creation God the Son who sacrificed everything for the undeserving and God the Person of Holy Spirit who walks and talks with us through the signposts of life and who can get His feelings hurt when we disobey in the name of God Reflections from Behind the Glass Jasper A. Lee, 2020-10-23 We see the world through various glasses rose colored glasses glass ceilings even the looking glass While our greatest insights arise from seeing things through these glasses it is not until we look beyond them that we understand who we are and who we can be When we cannot see the glass we risk being trapped in our own glass cell or worse a house of mirrors of our own making

The Sacrament of Same-Sex Marriage Bridget Burke Ravizza, 2024-04-15 There are roughly 51 million Roman Catholics in the United States and 61% of those support same sex unions Yet even with growing support from the laity and an increasing number of vocal priests and nuns same sex couples are still denied the opportunity to experience the sacrament of marriage Drawing on testimony from same sex married couples who have a meaningful connection to the Catholic tradition this book makes a case for considering same sex marriage as sacramental from a Catholic perspective Further it argues that Catholic families church communities and institutions would benefit from wider and deeper practices of gospel inspired hospitality and sanctuary as it relates to queer persons and couples At the book s heart are stories from twenty two couples gathered from in person interviews in Wisconsin Chicagoland Washington D C Philadelphia New York City Boston San Diego and the San Francisco Bay area The research builds on a previous project on Catholic marriage conducted with a colleague Julie Donovan Massey which resulted in Project Holiness Marriage as a Workshop for Everyday Saints Liturgical Press 2015 winner of a 2016 Catholic Press Association Award While that project was limited to heterosexual couples expanding the research to include same sex couples was both timely and necessary Currently the Catholic magisterium asserts There are absolutely no grounds for considering homosexual unions to be in any way similar or even remotely analogous to God s plan for marriage and family Congregation for the Doctrine of Faith Considerations Regarding Proposals To Give Legal Recognition To Unions Between Homosexual Persons No 4 Reasserted in the 2015 Synod document No 76 and quoted by Pope Francis in Amoris Laetitia No 251 On the other hand same sex marriage has been legalized in our country same sex couples including Catholic ones are de facto marrying and parenting a significant number of mainline Protestant churches support same sex marriage and some revisionist Catholic sexual ethicists support same sex relationships Clearly at this moment in time continued theological analysis of same sex marriage is crucial The voices and experiences of same sex couples must inform that analysis Gathered are stories that highlight how couples are sacraments to one another as well as to their families and communities as their love overflows in lifegiving ways Also included are powerful stories of rejection inclusion and belonging in families church communities and Catholic institutions pointing to the power and necessity of gospel inspired radical hospitality and sanctuary This book is an invitation to practice what Pope Francis calls the art of listening necessary for genuine encounter and solidarity in a diverse body of Christ The Joy of the Gospel No 171 The Art

The Gifted Jay Crouch, 2012-04 Well let's just say I've been through a lot of things that should have put me in the grave a long time ago And everytime I get hacked shot thrown off a building burnt alive blown up I just get better You see these fangs I got Savage put his hand on Orbit's shoulder and showed him his menacing teeth Well a farmer took a baseball bat to my face and knocked them and every other tooth out of my face when he thought I was killing his calves Right after that he put a shot gun to my face and pulled the trigger I don't know about you but most people don't look like me after something like that let alone be walking the earth That's why I hope this Michael doesn't put my blood into the wrong hands

Encountering the Secular J. Heath Atchley, 2009-01-12 The author challenges the breach between the secular and the religious rendering that breach ambiguous Such ambiguity the author affirms is relevant to a time when rigid and simplistic notions of religion and secularity are used to justify thoughtlessness and even violence All too often the secular is thought of either as a triumph in overcoming the presumed irrationality and oppression of religion or as lament in losing the meaning religion is thought once to have offered Atchley suggests a view of the secular as an opportunity to experience an immanent value that is neither controlled by the human self nor conferred by a divine entity

Carla and Antonio Margaret Olsen, 2017-11-13 The sound of the church bells fills the air I hurry along the cobblestone street listening to each peal and loving it I breathe deeply as I pass one of the many chocolate shops and am rewarded with an enticing whiff of chocolate The narrow streets are filled with people many are tourists just like me But I don't feel like a tourist I feel as if I

once lived in this beautiful medieval city I m startled by a voice behind me And where are you going I whirl around Antonio Don t scare me like that He laughs and walks along with me How about stopping for a beer at that place along the canal Carla first meets Antonio in 1966 in Bruges Belgium They are each on a summer break from their American universities Their friendship develops but complications begin when Patricia a girl from England arrives Summer break draws to a close and Carla returns to Seattle to continue her studies and her life without really knowing what has become of Antonio Will she ever hear from him again Thirty years later
