ramble on in narrative The events in this adventure are so real and so heart pounding you can't put it down Mr Kennedy is by far my favorite writer Don't mess with Kane he takes no prisoners especially when you target his friends This is one of the best stories I have ever read The action and plot is believable and exciting and of course the climax is nail biting stuff This author sure knows his stuff if not he does a great job of convincing his reader that he does Fast paced international spy thriller with good old American values among its main characters I'd like to think we really do have agents like Kane
