

Gerontological Social Work Practice

- Gerontological vs. Geriatric Social Work
 - Gerontological social work
- biopsychosocial-spiritual knowledge of aging
- social workers enhance developmental, problem solving, coping abilities of older people, family members
 - Geriatric social work
 - older adults who have health concerns
 - physiological changes in aging, health care
 - social workers focus on family caregiving
 - approximately 80% of the care for older adults is rendered by informal support systems

Evolution of Gerontological Practice Introduction to Social Work

Chapter 11: Challenges and Rewards of Aging

- Relatively new social work practice
- Mid-20th century - social work profession recognized need for specific gerontological /geriatric knowledge
 - Late 1960s, early 1970s - social work profession identified older adults as target population requiring specialized knowledge, training

Specialized Course Outlines For Gerontological Social Work Education

Puja Mehta

Specialized Course Outlines For Gerontological Social Work Education:

Specialized Course Outlines for Gerontological Social Work Education Robert Lawrence Schneider, 1984-01-01

Advancing Gerontological Social Work Education Joanna Mellor, Joann Ivry, 2013-10-23

As your gerontological social work program as comprehensive and as well attended as it could be Advancing Gerontological Social Work Education will help you develop courses that effectively prepare social work students and practitioners to work with the ever increasing older population It clearly presents the rationale for geriatric gerontological preparation and defines the current status of geriatric gerontological education With fascinating case studies detailed curricula and a review of the skills and knowledge competencies necessary for effective geriatric social work practice this book also describes a variety of courses and teaching programs in detail noting the problems that other educators have encountered and offering practical suggestions to help in replicating the programs in other institutions This book is especially useful because it not only examines the issues surrounding and need for increased gerontological education for social workers but because it follows this with specific concrete descriptions of educational approaches and curricula It provides you with both the framework and the specifics to develop your own gerontological social work education program at the graduate or undergraduate level Helpful charts and tables make the information easy to access and understand Advancing Gerontological Social Work Education is divided into three sections each of which will increase your knowledge and understanding of this vital area of social work education The first section examines the historical development of gerontological social work education the CSWE SAGE SW Competencies Project the importance of interdisciplinary teamwork and the educational basis for interdisciplinary team training highlighting organizational context team structure team process and team outcomes ways to increase students interest in this vital area of social work In the second section of this well referenced book you will examine school based initiatives focusing on the development and implementation of the John A Hartford Foundation Geriatric Social Work Initiative the recruitment of students into geriatric social work with an examination of a fellowship program the relationship between the aging population of the United States and the growing demand for geriatric social workers and how that need can be met through graduate level social work training developing a field training rotation model a doctoral fellowship program and its dissertation support mentorship and leadership development The third section of Advancing Gerontological Social Work Education features an empirical study exploring the potential for a limited curriculum module to enhance MSW and BSW students gerontological practice related knowledge attitudes and interest an overview of the history and rationale of service learning in elder care a description of the varied service learning in elder care programs an experiential exercise that was used successfully to assist graduate students in integrating and applying their knowledge about geriatric assessment the results of interviews with MSW students about the appropriateness of their preparation for medical social work with an aged population conducted at the beginning midpoint and end of their field placements a report on incorporating intergenerational

service learning into an undergraduate introductory gerontology course the use of the family study which exposes teams of students for 20 weeks to a family that includes an older adult Teaching Gerontological Social Work ,1999 *Personnel for Health Needs of the Elderly Through the Year 2020* United States. Department of Health and Human Services,1988

Gerontological Social Work Practice Enid Opal Cox,Rosemary Chapin,Elizabeth Kelchner,2014-02-25 What are the challenges facing gerontological social workers today and in the near future This book gives you an essential overview of the role status and potential of gerontological social work in aging societies around the world Drawing on the expertise of leaders in the field it identifies key policy and practice issues and suggests directions for the future Here you ll find important perspectives on home health care mental health elder abuse older workers issues and death and dying as well as an examination of the policy and practice issues of utmost concern to social workers dealing with the elderly With *Gerontological Social Work Practice Issues Challenges and Potential* you ll explore the differences between real situations and what demographics lead one to expect the need for social workers to focus on economic political and social issues in order to promote positive change the long term care insurance issues facing elderly Japanese citizens a Canadian perspective on social work practice with aging people practice techniques to use with aging African Americans strengths based and empowerment oriented ways to work with frail elderly the impact of multiculturalism on social policy and much more

Minority Aging ,1990 This book is designed to help focus attention on and development a sensitivity to the need to include minority aging in the curricula for selected health and allied health professionals The conference papers covers the topics of aging culture ethnicity and the impact of race and ethnicity on aging **Gerontological Social Work** Merl C Hokenstad, Jr,Katherine Kendall,2014-04-04 In this fascinating book leading international experts in gerontology and social work examine the conditions of older people in their respective native lands Australia Canada West Germany Great Britain Israel Japan the Netherlands and Sweden In response to the need for world wide sharing of information and research on one of the most dramatic developments of the twentieth century in the United States and throughout the western world the aging of the populations these professionals offer an international dimension and cross cultural knowledge to social gerontology and gerontological social work Emphasis is placed on the social service delivery system in each country together with an analysis of social work roles and activities The informative articles include demographic notes the socioeconomic characteristics of older people in each country and the author s forecast of trends issues and future directions These timely reviews of what has worked elsewhere may spark greater creativity among educators and practitioners in social work and gerontology in finding alternative solutions to the many problems professionals face as advocates and service providers for older adults Social work practitioners and educators examine social services for seniors in eight different industrialized countries Each chapter focusing on a different country features a review of the social service delivery system providing information about its historical evolution and current organization a look at home care programs as well as community based

and institutionally based services a review of service availability and accessibility with consideration of how social services are coordinated with health care and other human services special attention is given to social work roles within the social service system including an examination of direct service and planning management roles a consideration of the importance and usefulness of social work in service provision for each country a brief analysis of current trends and future directions for gerontological social work and social services for the elderly The cross national perspectives will highlight global trends in the industrial world and illuminate distinctions among countries based upon a particular historical political and cultural context Gerontological Social Work provides a wider base for understanding and evaluating policies and programs in one's own country Each analysis suggests new and different ways of solving problems and providing services Social work professionals worldwide will learn successful methods of enabling the elderly to maintain maximum self sufficiency and participate actively in society thus insuring improved quality of life *Social Work Education* Hong-Chan Li, 1978 The first supplement to the author's *Social work education* a bibliography Scarecrow 1978 The new volume contains about 2 800 references arranged by subject indexed by author No annotations Annotation copyright Book News Inc Portland Or

Fostering Social Work Gerontology Competence Catherine J. Tompkins, Anita L. Rosen, 2013-12-19 Inspire the next generation of gerontological social workers The growing number of people over the age of 65 in the United States has increased the demand for social workers who are trained to work with the elderly a demand that's in danger of not being met *Fostering Social Work Gerontology Competence* presents innovative techniques and strategies to help educators infuse aging content into their graduate and undergraduate curriculums in an effort to produce a new generation of social work practitioners who are up to the task of working with an older population Recent surveys show that there has been a decline in the number of aging specialties and courses offered by schools of social work *Fostering Social Work Gerontology Competence* offers a renewed focus on the promotion of gerontological social work education presenting papers that grew out of the first National Gerontological Social Work Conference NGSWC held in 2003 This unique book is invaluable to anyone who educates future social workers leads staff training sessions and/or teaches continuing education courses on aging Leading gerontologists examine teaching research community collaboration and social work competencies while focusing on special populations and issues including end of life care elder abuse grief counseling cultural diversity cultural competence and the effects of spirituality and social support on the well being of the elderly *Fostering Social Work Gerontology Competence* examines curricular and organizational change developing intergenerational projects involving older persons in the educational process uniting field practice with theory strategies to promote student interest identifying geriatric competencies intergenerational service learning developing an aging prepared community emerging trends in aging and health care end of life care and death education environmental issues affecting elder abuse victims mental health services for older persons in rural communities kinship care and much more *Fostering Social Work Gerontology Competence*

is a vital resource for social work educators and practitioners gerontology educators and practitioners and students

Gerontological Social Work Matthias J. Naleppa, William James Reid, 2003 This eminently practical book applies the task centered model to gerontological practice across various settings community based hospital based home healthcare etc The book features in depth coverage of specific client problems such as physical or mental health caregiving home and personal safety senior living and long term care arrangements A series of task planners offer a menu of possible actions that can resolve or alleviate a designated problem
