Speech Language Assessment For The Bilingual Handicapped:

Speech and Language Assessment for the Bilingual Handicapped Larry J. Mattes,1991 **Speech and Language Assessment for the Bilingual Handicapped** L.J. Mattes,D.R. Omark,1985-12 *Speech and Language Assessment for the Bilingual Handicapped* Larry J. Mattes,Donald R. Omark,1984-01-01 **Bilingualism and Language Disability (PLE: Psycholinguistics)** Nick Miller,2013-11-12 Society is becoming increasingly multi lingual and this presents monolingual professionals particularly those in special education and speech pathology with severe problems Is the language delay in a child from a bilingual environment a result of this background or is there a specific speech problem Is a child s poor performance in school due to his problems of coping with two languages or does he need remedial teaching Originally published in 1984 this book is not concerned with second language learning but with speech and learning difficulties in bilingual children as they are presented to remedial teachers psychologists and speech therapists To this end the first group of specially written articles deals with the patterns of language usage in bilingual communities and the social and psychological factors which shape these patterns with processes in normal bilingual language acquisition and with the relationship between cognitive development and growing up with two languages Management issues and methods involved in helping children with language problems are also tackled they include taking case histories family liaison counselling bilingual programmes mother tongue teaching curriculum development and the training of personnel to work in the bilingual bicultural field This book provided a great deal of practical help in a field that was relatively new at the time of writing and helped to enlighten readers on the issues involved and assist in crystalising thought and directing future research

Interprofessional Practice with Diverse Populations Allan Barsky,Esther Geva,Fern Westernoff,2000-08-30 Concepts such as cultural competence multicultural practice and ethnosensitivity have taken root in the literature At the same time concepts such as cross disciplinary transdisciplinary interdisciplinary and interprofessional practice have been articulated Although these two trends coexist in print the literature in the various helping professions does not address whether and how the issues of client diversity and interprofessional practice can come together in productive and better informed ways The present book promises to close this gap and offer health care professionals theoretically grounded examples of best practices The range of diversity includes Native American Taiwanese Portuguese African American Algerian Irish South Asian and gay clients *Language Disabilities in Cultural and Linguistic Diversity* Deirdre Martin,2009 *Language Disabilities in Cultural and Linguistic Diversity* offers a new approach to understanding the familiar dilemma of disentangling difficulties in communication for learners developing the language of schooling The author takes a socio cultural Vygotskian approach to reinterpret international research in language disabilities namely specific language impairment communication difficulties dyslexia and deafness **Communication Disorders in Multicultural Populations** Dolores E. Battle,2011-11-01 Written by some of the top researchers and clinicians in the field *Communication Disorders in Multicultural Populations* 4th Edition

offers an in depth look at the major cultural groups in the U S and the issues concerning their communication development common disorders and treatment options This fourth edition features a wealth of updates and new features including the latest research and added coverage of communication issues in countries such as Australia China Canada and Brazil to give speech language pathology students and speech language pathologists a balanced and global perspective on the most topical multicultural communication issues of today Comprehensive coverage focuses on a wide variety of cultural and age populations Cutting edge research and data offer up to date discussions based on the latest studies in multiculturalism as it relates to the SLP and AuD professions Diverse panel of expert authors include some of the top researchers and clinicians in the field Additional resources provide a focused listing of print and electronic sources at the end of each chapter to support more in depth study of a particular subject Chapter on international perspectives tackles issues in countries such as Australia Canada China and Brazil to give you a more global understanding of communication disorders The latest statistics from the 2010 U S Census report offers the most current data available Increased content on older adults covers the multicultural issues voice disorders and neurogenic disorders particular to this important demographic Case studies give you practice solving realistic clinical problems Chapter overview and conclusion outline the key information in each chapter and serve as a checklist for content mastery

Communicative Disorders Julie G. McAfee Kenneth G. Shipley, 2013-12-11

Teaching the Bilingual Special Education Student Angela Carrasquillo, Richard E. Baecher, 1990 This book focuses on teaching those students who are bilingual handicapped and in need of special instruction It responds to the complex and practical issues in reaching the goal of teaching these students in an effective way The common underlying theme of the book is that such ways can be found and implemented in creating diversity of opportunity for teaching bilingual exceptional students The book has three central themes to present an overview of the emerging and interdisciplinary field of bilingual special education to highlight the function of language in the classroom the student s as well as the teacher s finally comprehensive coverage is presented on the instructional features of a bilingual special education classroom in such wide ranging curricular areas as English as a Second Language reading writing mathematics science and social studies Throughout the chapters both theoretical and practical issues are addressed with an emphasis on the relationship between appropriate assessment sound planning and effective instruction

Language, Learning, and Disability in the Education of Young Bilingual Children Dina C. Castro, Alfredo J. Artiles, 2021-04-27 Using an interdisciplinary perspective to discuss the intersection of language development and learning processes this book summarizes current knowledge and represents the most critical issues regarding early childhood research policy and practice related to young bilingual children with disabilities The book begins with a conceptual framework focusing on the intersection between the fields of early childhood education bilingual education and special education It goes on to review and discuss the role of bilingualism in young children s development and the experiences of young bilingual children with disabilities in early care and education settings including issues of

eligibility and access to care instruction and assessment The book explores family experiences teacher preparation accountability and policy ending with recommendations for future research which will inform both policies and practices for the education of young bilingual children with disabilities This timely volume provides valuable guidance for teachers administrators policymakers and researchers
