Spellbound From Ancient Gods To Modern Merlins A Time Tour Of Myth And Magic:

Spellbound Dominic Alexander,2002 Why is it that when we think of witches we imagine them wearing black pointy hats and flying on broomsticks Why does the number three have such mystical importance What is the difference between a wizard and a warlock What exactly are fairies and elves and where do they come from Spellbound answers all of these questions and more exploring the truth behind our fascination with myth and magic From the ancient Egyptian sorcerers to the Land of Oz Spellbound brings you a clear understanding of the subject's historical importance and the cultural legacy that surrounds it Understand the meaning of stories such as J K Rowling's Harry Potter and J R R Tolkien's epic The Lord of the Rings which have their roots in history mythology and folklore Wrestle with forces that are as old as human history Both stories in different ways provide a world of magic in which the ordinary and mundane problems of everyday life are not merely forgotten but rather transformed into a heroic landscape With Spellbound in hand you can travel back through the ages to trace the very beginnings of these timeless traditions Learn how the wanderings of Homer's Odysseus the legend of King Arthur and the tales of the Brothers Grimm provided sorely needed magic and romance for people trying to live in a difficult and often cruel world Trace the representation of witches and warlocks throughout art with historical illustrations that bring the subject to life Today we know the difference between magic and reality but we still need these stories just as much as ancient peoples both as a source of entertainment and comfort and to understand the often unexplainable events happening around us For anyone intrigued by magical lore Spellbound will quickly become a true companion From astrology to healing crystals this fascinating volume gets to the bottom of every magical mystery It is a journey worth taking **The Haunting of America** William J. Birnes,Joel Martin,2025-06-25 In the tradition of their Haunting of the Presidents national bestselling authors Joel Martin and William J Birnes write The Haunting of America From The Salem Witch Trials to Harry Houdini the only book to tell the story of how paranormal events influenced and sometimes even drove political events In a narrative retelling of American history that begins with the Salem Witch Trials of the seventeenth century Martin and Birnes unearth the roots of America's fascination with the ghosts goblins and demons that possess our imaginations and nightmares The authors examine the political history of the United States through the lens of the paranormal and investigate the spiritual events that inspired public policy channelers and mediums who have advised presidents UFOs that frightened the nation's military into launching nuclear bomber squadrons toward the Soviet Union out of body experiencers deployed to gather sensitive intelligence on other countries and even spirits summoned to communicate with living politicians The Haunting of America is a thrilling exploration of the often unexpected influences of the paranormal on science medicine law government the military psychology theology death and dying spirituality and pop culture At the Publisher's request this title is being sold without Digital Rights Management Software DRM applied Senior High Core Collection Raymond W.
