## Spenser A Collection Of Critical Essays:

*Spenser* Harry Berger, 2013      **Spenser** Harry Berger (Jr.), 1970      *Spenser* Harry Berger (jr.), 1968      **Spenser** Elizabeth A. F. Watson, 1967      **Spenser: a Collection of Critical Essays. Edited by Harry Berger** Harry Berger, 1968

**Spenser's Allegory** Isabel Gamble MacCaffrey, 2015-03-08 Isabel MacCaffrey contends that in allegory the mind makes a model of itself and she shows that *The Faerie Queene* mirroring as it does the mind's structure is both a treatise on and an example of the central role that imagination plays in human life Viewing the poem as a model of Spenser's universe the author investigates the poet's theory of knowledge and the role of imagination in the construction of cosmic models She begins with a survey of theories of the imagination and the creation of fictions establishing a context in which allegorical images may be understood throughout the European allegorical tradition to which *The Faerie Queene* belongs Isabel MacCaffrey's new readings show that insofar as Spenser's poem concerns modes of knowledge it offers the reader an anatomy of its own composition an analysis of imagination in its varied relations to the world Originally published in 1976 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905      *Spencer*, 1968\*      *Spenser's Famous Flight* Patrick Cheney, 1993-12-15 In *Spenser's famous Flight* Patrick Cheney challenges the received wisdom about the shape and goal of Spenser's literary career He contends that Spenser's idea of a literary career is not strictly the conventional Virgilian pattern of pastoral to epic but a Christian revision of that pattern in light of Petrarch and the Reformation Cheney demonstrates that far from changing his mind about his career as a result of disillusionment Spenser embarks upon and completes a daring progress that secures his status as an Orphic poet In October Spenser calls his idea of a literary career the famous flight Both classical and Christian culture has authorized the myth of the winged poet as a primary myth of fame and glory Cheney shows that throughout his poetry Spenser relies on an image of flight to accomplish his highest goal      *Faerie Queen Book 1 (a.o.l.t)* M. C. (ed.), Jussawala, 1981      *Revisionary Play* Harry Berger (Jr.), 1988 What critic of Spenser's poetry does not know and acknowledge a debt to Harry Berger The collection at last of these seminal essays into a single volume is welcome news indeed for the generation of scholars who learned from them and can now more easily send their own students to them Their importance as documents of the discovery of Spenser and the Spenserian mode in the 1960s is given new prominence moreover by Berger's recent essays here on the metapastoralism of *The Shepheardes Calendar* In them this New Critic comes home again to Spenser recognizing the value of recent critical trends but arguing passionately for the centrality of the close reading of text The result is a powerful case for reconciliation and consolidation of methods that have dominated

literary study over the second half of this century Donald Cheney co editor of The Spenser Encyclopedia

## Decoding **Spenser A Collection Of Critical Essays**: Revealing the Captivating Potential of Verbal Expression
