The Of Knowledge The Keys To Enoch Yhwh:

THE SECRET OF GENESIS: THE MESSIANIC LINE AND THE LINE OF THE SERPENT FROM THE FALLEN ANGELS TO THE LORDS OF THE NEW WORLD ORDER Cinzia Palmacci,2024-03-20 From those primordial faults humanity has been lying for eons under the influence of two opposing forces and struggles between them Good and Evil The Bible is revealing to those who know how to discern the true from the false The true origin of evil in the world and Lucifer s hatred towards Creation its harmful consequences on nature on man and on every aspect of life on this planet are explained in this book and have ancestral origins *Revelations of a Melchizedek Initiate* Joshua David Stone,1998-10-01 This book traces the author s journey of ascension through the seven levels of initiation through the process of anchoring and activating his fifty chakras expanding to a 99 percent light quotient then on to anchoring and fully activating all twelve bodies which include the five higher bodies Exactly how this is done is shared and in depth information is given on the workings of the inner plane ashram under the guidance of Djwhal Khul Lord Maitreya and Lord Melchizedek You are invited to journey with him as he unfolds the process of his initiations beginning at the sixth moving through the equivalent of the tenth initiation and into the beginning of the eleventh Written as a personal log this book shares in an open and candid manner dreams meditations conversations with the masters spiritual background thoughts and reflections and actual ascension experiences

The Bible Revealed from the Ascended Masters Perspective Joshua D. Stone,Stone,2001-08-26 This book is a compilation of the best chapters in my 40 volume Ascension Book Series on the Ascended Masters perspective of the Bible This book is a revolutionary new understanding of the Bible channeled directly from the Ascended Masters This book is guaranteed to help the Bible come alive for you in a whole new way The book is filled as well with esoteric secrets that only the Ascended Masters could reveal of the the meaning and understanding of the Old and New Testament Electrifying Spiritual reading *The Selective God* M. Teah Wulah,2022-08-14 Writing on the subject of religion in this century with advanced scientific and technological developments religion still influences the world This is an individual search for answers to console myself about what or who God is and expresses personal feelings and limited knowledge at that time thinking that I was pleasing God The book does not define God or religion but rather a personal one because each individual finds their Creator differently As with previous writings my audience is an innocent village child who has no knowledge of the surrounding and what controls the environment The book starts with my early religious training followed by the different religious sects I tried to find God and to be endowed with certain gifts It will be a good thing as you read this book to find that each creature of God whether created or evolved we all have gifts to be selected [Symbols from the Kingdom Within](#) Janine M. Prefontaine,2002-06-27 For twenty years I ve read spiritual books I m more hopeful and encouraged by your book than I ve been in years Thank you for giving us self empowering prayers connecting us directly to God Gail McGraw AZ We the Diamond Heart Angels wish to send our greetings and great admiration to Earth and everyone We have been partnering

with human beings from the beginning The love we feel in our hearts for you is universal Look around you will notice subtle changes occurring in your thoughts and in your lives In each atom of your being miracles are available for everyone now Look for the good in all and everything and you will know yourselves in WEness as manifest GodLove Through visions and Q A Book Two of Symbols is a continuing teaching from the Diamond Heart Angels While absorbing their love into our being each of us is being asked to hold LOVE thoughts for others sharing their GodLove outwardly with others in a continuous spiral of co creation with God s Heavenly Angels and ourselves They said Become part of the love we send you absorb it and extend it to all according to God s will for the greater good of all **Cosmic Ascension** Joshua David Stone,1998-02-01 Cosmic Ascension Your Cosmic Map Home Almost all the books on the planet on the subject of ascension are written about planetary ascension However because of the extraordinary times in which we now live in terms of Earth s history there is a new opening and potentiality to also begin one s cosmic ascension process This has never before been available It must be understood as Vywamus has said that in completing our planetary ascension we are no more than one tenth of the way up a ten inch ruler in terms of our cosmic ascension process This includes most of the ascended masters We on Earth who are working to complete our seven levels of initiation must remember that there are 352 levels of initiation to return to the godhead of Father Mother God at the top of creation Most of the Ascended Masters of the entire Spiritual Hierarchy are not beyond the 12th initiation This is not a criticism just a simple statement of fact The question is What lies beyond the next nine tenths of the ruler and how do we achieve our cosmic ascension as well as our planetary ascension which is no small feat in and of itself It is for this purpose that the author was guided to write this book Beyond Ascension Joshua David Stone,1996-12-12 This book brings forth incredible new channeled material that completely demystifies the seven levels of initiation and how to attain them It contains revolutionary new information on how to anchor and open our thirty six chakras and how to build our light quotient at a rate of speed never dreamed possible The book includes a chapter on cosmic ascension and a unique cosmic map that outlines the process of planetary ascension The map also charts the course for full cosmic ascension through the seven cosmic planes and forty eight dimensions of reality back to the Godhead and undifferentiated Source The Quintessential Jesus of Nazareth Allison Sledge,2011-11-03 The Quintessential Jesus of Nazareth An Astrological Interpretation of The Messiah s Natal Chart is one of the most profound metaphysical books ever written in terms of exploring all aspects of the Universe in relation to Jesus Christ The Bible omits seventeen years of His life and not much is know about Jesus as a person What were His thoughts His Moods His concept of Self How did He feel about money treasures communications family health humor service romance talent and love What were His fears His joys His inner spirituality What were His views on friendships death addiction and pain This book takes the readers through these phases that made Him who He was It is based on a natal astrological chart and the day of His birth being March 19th 7 BC Because there is no true and accurate date of His exact birth this date was chosen for many reasons especially Edgar Cayce s

reading of March 19th being the day He was born Many people have their own versions and opinions based on their own understanding of Jesus yet this book was written to open the minds of limited thinking whether one agrees or disagrees with the concepts It is with that attitude of inclusiveness rather than exclusiveness that the Author anticipates great discussions arising among people of all walks of life after reading this book It is a must have for everyone s bookshelves to be sure

Bring to the Light - A True Story of a Spiritual Awakening Benedetto Daniele Fiorista,2012 In January 2009 something very special happened to me that completely changed the course of my life and myself as a person After a series of strange events a Being of Light appeared and rescued me from the midst of some very dark grotesque threatening red eyed beings At that time I didnt know what was going on or who these spirits were After a few incredible visions and spiritual experiences I started to develop an inner eye and acquired some abilities that enabled me to free my soul and go soul travelling I was still scratching the surface of this new existence I didn t know the meaning or why all of this was happening to me Soon I started to feel very hungry for knowledge I wanted and needed to know more This is the story of Benedetto Daniele Fiorista who was inspired by a spiritual existence one day to change the way he lived He started to read books on the subject and realised he was being put under initiation which lead him to take a journey which many refer to as the journey of the spiritual warrior After many tests and events my soul started to call out for deliverance By this time I found myself absorbed in hours of meditation every day I was trying to empower myself by using what I had learnt during my searches and studies In *Bring to the Light* Benedetto tells his story the stages of this spiritual process and their difficulties and rewards It will appeal to fans of spiritual books and those both searching for answers and questioning the reasons for their existence In the past two and half years I have searched and I have found I feel that to share this with the outer world is part of my growth
