

very tricky riddles

A man was shot to death while in his car. There were no powder marks on his clothing, which indicated that the gunman was outside the car. However, all the windows were up and the doors locked. After a close inspection was made, the only bullet-holes discovered were on the man's body. How was he murdered?

When Harry comes home he finds Sarah is dead, lying in a pool of water and Tom is sitting quietly on the armchair. There is some broken glass on the floor. Tom won't be charged with murder.

Why Not?

A man was found dead in his study. He was slumped over his desk and a gun was in his hand. There was a cassette recorder on his desk. When the police entered the room and pressed the play button on the tape recorder they heard: "I can't go on. I have nothing to live for." Then there was the sound of a gunshot. How did the detective immediately know that the man had been murdered and it wasn't a suicide?

A man was at a bar feeling poor he sees a rich man take 50's out his pocket to pay the cashier. The poor man says to the rich man "I know all the songs known to man." The rich man laughed and said, "I bet you all the money in my pocket that you can't sing a song with my daughter's name in it, Sarah Lee Greyson." The poor man went home rich and the rich man went home poor. What song did the man sing?

A cop was walking past a restaurant when he heard someone scream - "No John, not the gun!" He ran inside and saw a doctor, a lawyer, a milkman, and a dead body on the floor. He promptly walked over to the milkman and arrested him. He didn't witness the shooting and there was no apparent evidence to prove who shot the person and no one told him who the killer was. How did the policeman instantly know it was the milkman?

You are on an island in the middle of a lake. The lake is in a remote part of the country and there has never been a bridge connecting the island to the mainland. Every day a tractor and wagon gives hay rides around the island. Puzzled as to how the tractor had gotten onto the island, you ask around and find out that the tractor was not transported to the island by boat or by air. Nor was it built on the island. Explain how the tractor got there?
