The Orchard A Remembrance Of George Perec:

The Orchard Harry Mathews,1988 The to Z of Postmodernist Literature and Theater Fran Mason,2009-07-23 The A to Z of Postmodernist Literature and Theater examines the different areas of postmodernist literature and theater and the variety of forms that have been produced It contains a list of acronyms a chronology an introductory essay a bibliography and several hundred cross referenced dictionary entries on individual writers important aesthetic practices significant texts and important movements and ideas that have created a variety of literary approaches within the form By placing these concerns within the historical philosophical and cultural contexts of postmodernism this reference explores the frameworks within which postmodernist literature of the late twentieth and early twenty first centuries operates Book Jacket *Historical Dictionary of Postmodernist Literature and Theater* Fran Mason,2007-02-21 Postmodernist literature embraces a wide range of forms and perspectives including texts that are primarily self reflexive texts that use pastiche burlesque parody intertextuality and hybrid forms to create textual realities that either run in opposition to or in parallel with an external reality fabulations that develop both of these strategies texts that ironize their relationship to reality works that use the aspects already noted to more fully engage with political or cultural realities texts that deal with history as a fiction and texts that elude categorization even within the variety already explored For example in fiction a postmodernist novel might tell a story about a writer struggling with writing only perhaps to find that he is a character in a book by another writer struggling to write a book The *Historical Dictionary of Postmodernist Literature and Theater* examines the different areas of postmodernist literature and the variety of forms that have been produced This is accomplished through a list of acronyms a chronology an introductory essay a bibliography and several hundred cross referenced dictionary entries on individual postmodernist writers the important postmodernist aesthetic practices significant texts produced throughout the history of postmodernist writing and important movements and ideas that have created a variety of literary approaches within the form By placing these concerns within the historical philosophical and cultural contexts of postmodernism this reference explores the frameworks within which postmodernist literature of the late twentieth and early twenty first century operates **Book Review Index Cumulation, 1989** Neil E. Walker,Beverly Baer,1990-04 The Index provides a broad coverage and access to book reviews in the general social sciences humanities sciences and fine arts as well as general interest magazines and includes journals from Great Britain Canada Switzerland Israel and Australia In addition it indexes several journals that while published in the US concentrate on reviewing foreign published or foreign language books These include *Hispania* French Review German Quarterly and World Literature Today *SchattenSchriften* Andreas Puff-Trojan,2008 **Our House** ,2006-01-01 Space has emerged in recent years as a radical category in a range of related disciplines across the humanities Of the many possible applications of this new interest some of the most exciting and challenging have addressed the issue of domestic architecture and its function as a space for both the dramatisation and the negotiation of a cluster of highly salient

issues concerning amongst other things belonging and exclusion fear and desire identity and difference Our House is a cross disciplinary collection of essays taking as its focus both the prospect and the possibility of the house This latter term is taken in its broadest possible resonance encompassing everything from the great houses so beloved of nineteenth century English novelists to the caravans and mobile homes of the latterday travelling community and all points in between The essays are written by a combination of established and emerging scholars working in a variety of scholarly disciplines including literary criticism sociology cultural studies history popular music and architecture No specific school or theory predominates although the work of two key figures Gaston Bachelard and Martin Heidegger is engaged throughout This collection engages with a number of key issues raised by the increasingly troubled relationship between the cultural built and natural environments in the contemporary world *Arts & Humanities Citation Index* ,1997 *Whitaker's Books in Print* ,1990
