The Ordinary House Of Love:

The Ordinary House of Love Theo Dorgan,1990 The House of Love Elizabeth Cheney,1914 *House of Love* Dahlia MacEachern,2023-01-17 Can the haloxias survive in a brand new world When they arrive at their destination they must start from square one Everything is new to them even the basic tenets of survival feel out of reach Their number one goal is to stay alive The longer they spend on earth the more in tune they become with the humans that inhabit it There is evil all around but there is also good While some creatures want only to abuse others other creatures seek out and consume these evil people to rid the world of their energy In this ongoing battle between good and evil will the haloxias be able to find their place More than that will they live to see the outcome **House of Love** Ka-tzetnik 135633,1971 **The Eyes of Love** Barbara Cartland,2020-11-01 Although Scottish born and bred beautiful young Vara McDorn speaks with a refined English accent thanks to her education in the South which is why she is called upon to become Reader to the new Chieftain of the McDorn Clan who has been blinded by an Indian Fakir s curse while protecting the Viceroy at a Fort on the North West Frontier of India Troubled by his affliction and frustrated by his inability to understand the local Scots brogue the Chieftain the Earl of Dornoch soon comes to rely on Vara as his tutor in the customs and attitudes of his people as well as being his eyes on the estate And although he is terse and resentful at first Vara finds herself warming to this haughtily handsome Nobleman After taking him on an adventure that she hopes will restore his sight Vara catches Hamish the Earl s murderous relative a rival for the title of Chieftain attempting to stifle him with a pillow over his face and shoots him with her revolver saving the Earl s life Already Vara knows that she is in love with the Earl but even as she prays frantically for his blindness to be cured she frets and worries that he could be disappointed when finally he is able to see her Thirst for Love Yukio Mishima,1999-02-22 Full of sexual torment jealousy and impossible to resolve longing this novel from one of the outstanding writers of the world The New York Times presents a riveting portrait of the corrosive power of frustrated desire The protagonist is Etsuko a young widow whose philandering husband died horribly from typhoid After moving into the house of her father in law her misery deepens as she numbly submits to the old man s advances But soon Etsuko falls in love with the young servant Saburo Tormented by his indifference yet invigorated by her anguish she makes one last catastrophic bid for his attentions **The Devil In Love** Barbara Cartland,2023-08-01 Travelling alone to France to take up her position as governess to the Duc de Valmont s grandson beautiful young Larisa Stanton receives dire warnings about the child s father Keep away from Comte Raoul de Valmonte they say For Monsieur le Diable the devil is handsome wickedly charming and utterly irresistible to women Sure enough at Chateau Valmont Larisa finds herself in a seething cauldron of violent passions wickedness and murderous intent Is it possible to fall in love with a man known as the devil she asks herself With Comte Raoul s life at stake Larisa and Monsieur le Diable are about to find out *The Curious History of Love* Jean-Claude Kaufmann,2011-12-12 The one emotion that matters most to many people is the one about which social thinkers rarely speak

love For many people love is the thing that matters most in their lives they are searching for love hoping to find in love a kind of happiness that they cannot find in their work or by surrounding themselves with material goods But where does this peculiar and powerful blending together of love and happiness come from and why do we find it such a compelling idea today In this short book Jean Claude Kaufmann offers a fresh account of the history of a feeling unlike any other The modern idea of love as passion was born in the 12th century but it was marginalized by the rise of a kind of instrumental calculating reason that became increasingly central to modern societies As calculating reason began to encroach on the personal domain many individuals sought to escape from it searching for happiness elsewhere As our societies become dominated by calculating reason and selfish individualism we search elsewhere for the kind of happy love that will heal all our wounds This is why we experience so many changes of heart in our personal lives at times we are coldly calculating and then a few moments later we sacrifice ourselves to love without a second thought Written by one of France's leading sociologists this highly readable book sheds new light on love and happiness and will resonate with many readers **The Book of Love**
