The Origin And Destiny Of Humanness An Interpretation Of The Gospel According To Matthew:

The Origin and Destiny of Humanness Herman C. Waetjen, 1978 The Structure of Matthew's Gospel David Bauer, 2015-01-29 This book addresses a central issue confronting the reader of the Gospel Professor Bauer describes the impasse that has been reached in recent investigation of the structure of Matthew and demonstrates that an appreciation of literary design can provide a way forward After identifying rhetorical features that relate to literary structure he devotes the major part of his book to a systematic examination of such features as they appear in the Gospel in order to gain a fresh insight into the shape of the work This study is valuable both for its comprehensive and judicious review of the question of structure in Matthew's Gospel and for the new direction which it establishes **Matthew's Missionary Discourse** Dorothy Jean Weaver, 2015-01-29 This book offers a distinctive solution to the interpretative difficulties surrounding Matthew's Missionary Discourse While the discourse proper lies within a narrative framework designating the setting of its delivery the outlined mission does not at all points agree with the designated setting Weaver shifts attention from historical critical to literary critical concerns Rather than focusing on the historical setting's of the disciples mission's she analyses the role of Mt 9 35 11 1 within its literary setting in the Gospel and assesses the impact of this text on the reader of the Gospel **The Poetics of Matthew 1** Timothy Lewis, 2023-01-20 The Poetics of Matthew 1 is about seeing what has not previously been seen in the first chapter of Matthew by explaining key literary patterns What is the reason for the five references to mothers in the Messiah's genealogy How can the genealogy be called Jesus's lineage if it is not Jesus's biological lineage What kind of genesis is the Messiah's kind of genesis in verse 18 Why is Joseph labeled as righteous in verse 19 Why does verse 22 say This has all happened seemingly before it has all happened Questions such as these were not previously thought to have answers within the text The Poetics of Matthew 1 employs an underestimated method of answering text based questions with text based answers *Matthew 24-25 as Prophetic-Apocalyptic* Kennedy K. Ekeocha, 2024-01-10 Despite centuries of scholarly and popular engagement much confusion still hangs over Jesus Olivet Discourse There is no consensus on the nature and meaning of the disciples question in Matt 24 3 How is the temple's fate related to the parousia or second coming of Jesus Is the Great Tribulation past present or future Will Christians be raptured to heaven Should you rather prefer to be left behind Combining inductive and discourse grammar approaches as bases for literary structure and analysis this study is a holistic and compelling fresh interpretation of Jesus eschatological discourse that provides answers to these questions The author shows that extant interpretive frameworks fail to adequately account for the biblical data Moreover and unlike the available treatments the study sheds light on the discourse's structural and theological function within Matthew's Gospel as a whole and how it coheres with New Testament teaching in general Jesus, Paul and Matthew, Volume Two Andries Van Aarde, 2020-04-16 This book is the second of two volumes which reflect on the trend in biblical scholarship that contrasts the vision of the historical Jesus with that of the apostle Paul on the one hand and the vision of Paul with that of the evangelist

Matthew on the other It argues that Jesus replaced the concept of politics of holiness with that of politics of compassion This means that the church as a community of Jesus followers forms a fictive family replacing a soteriology grounded in the biological family God s adoption of people as God s children is based on the potential of people to absorb the divine into their humanity This truism is to be found in the visions shared by the peasant Jesus the apostle Paul and the rabbi Matthew as well as in creedal Christianity The book concludes with autobiographical reflective notes analogous to the parabolic story of the travellers to Emmaus from Jerusalem Luke 24 and that of the African eunuch Acts 8 on his way back from Jerusalem to Africa The notes serve to consolidate the two volumes on Jesus Paul and Matthew and their messages of God s wisdom justice and mercy

The Intention of Matthew 23 David E. Garland, 2014-04-03 Preliminary Material Introduction The Composition and Structure of Matthew 23 Matthew 23 1 12 The Intention of the Woes of Matthew 23 The Charge of Hypocrisy in Matthew 23 The Exegesis of the Individual Woes in Matthew 23 13 28 Matthew 23 29 39 Conclusion Appendix A Appendix B Bibliography Index

A Mediator in Matthew Craig D. Saunders, 2021-03-01 What is a consistent theological meaning of the Son of Man in the Gospel of Matthew For a suitable response it is essential to analyze all thirty Son of Man logia in their relative literary contexts and in relationship to the gospel as a whole Also to bring out the uniqueness in Matthew s portrayal of the Son of Man a comparison with the other Synoptic Gospels aids the investigation This work argues that the answer lies in the role of the Son of Man in the first Gospel In Matthew Jesus the Son of Man functions as mediator of God s will to his genuine disciples As the Son of Man journeys through his earthly life climaxing in his death and resurrection Jesus mediates God s will through his message and works and by exhibiting active obedience to his Father in the heavens Jesus s genuine disciples learn how to emulate the Son of Man s character and ministry enabling them to continue it in their future mission At his parousia the Son of Man will mediate God s promised vindication and reward for his genuine disciples who have proven their fidelity to Jesus and God s will

Tribals, Empire and God Zhodi Angami, 2017-04-06 Tribal biblical interpretation is a developing area of study that is concerned with reading the Bible through the eyes of tribal people While many studies of reading the Bible from the reader s social cultural and historical location have been made in various parts of the world no thorough study that offers a coherent and substantive methodology for tribal biblical interpretation has been made This book is the first comprehensive work that offers a description of tribal biblical interpretation and shows its application by making a lucid reading of Matthew s infancy narrative from a tribal reader s perspective Using reader response criticism as his primary method Zhodi Angami brings his tribal context of North East India into conversation with Matthew s account of the birth of Jesus Since tribal people of North East India see themselves as living under colonial rule a tribal reader sees Matthew s text as a narrative that actively resists and subverts imperial rule Likewise the tribal experience of living at the margins inspires a tribal reader to look at the narrative from the underside from the perspective of those who are sidelined ignored belittled or forgotten Tribal biblical interpretation presented here follows a process of conversation between tribal

worldview and Matthew's narrative. Such a method animates the text for the tribal reader and makes the biblical narrative not only more intelligible to the tribal reader but allows the text to speak directly to the tribal context. *The Gospel of the Son of God* David R. Bauer, 2019-11-19. From beginning to end the Gospel of Matthew emphasizes that Jesus is the Son of God. In this comprehensive introduction to Matthew David Bauer presents a holistic inductive approach with a literary, theological, and canonical focus. Exploring issues of genre, interpretive methods, authorship, audience, and literary structure, he also guides readers through interpretation and emerging theological themes.
