The Oscars Hijack:

Hijack Bernice Rubens,1993 Hijacking the Runway Teri Agins,2014-10-09 A fascinating chronicle of how celebrity has inundated the world of fashion realigning the forces that drive both the styles we covet and the bottom lines of the biggest names in luxury apparel From Coco Chanel s iconic tweed suits to the miniskirt s surprising comeback in the late 1980s fashion houses reigned for decades as the arbiters of style and dictators of trends Hollywood stars have always furthered fashion s cause of seducing the masses into buying designers clothes acting as living billboards Now forced by the explosion of social media and the accelerating worship of fame red carpet celebrities are no longer content to just advertise and are putting their names on labels that reflect the image they or their stylists created Jessica Simpson Jennifer Lopez Sarah Jessica Parker Sean Combs and a host of pop sports and reality show stars of the moment are leveraging the power of their celebrity to become the face of their own fashion brands embracing lucrative contracts that keep their images on our screens and their hands on the wheel of a multi billion dollar industry And a few celebrities like the Olsen Twins and Victoria Beckham have gone all the way and reinvented themselves as bonafide designers Not all celebrities succeed but in an ever more crowded and clamorous marketplace it s increasingly unlikely that any fashion brand will succeed without celebrity involvement even if designers like Michael Kors have to become celebrities themselves Agins charts this strange new terrain with wit and insight and an insider s access to the fascinating struggles of the bold type names and their jealousies insecurities and triumphs Everyone from industry insiders to fans of Project Runway and America s Next Top Model will want to read Agins s take on the glitter and stardust transforming the fashion industry and where it is likely to take us next

Hijacking History Liane Tanguay,2013-01-01 In *Hijacking History* Liane Tanguay unravels the ideology behind an American enterprise unprecedented in scope ambition and brazen claim to global supremacy the War on Terror She argues that the fears anxieties and even the hopes encoded in American popular culture account for the public s passive acceptance of the Bush administration s wars overseas and violation of many of the rights privileges and freedoms they claimed to defend In her analysis Tanguay critically examines the neoconservative contention that the current system of liberal democratic capitalism represents the peak of human evolution a claim that creates the impression of a post historical age Establishing a continuity between the post historical imaginary and the attacks of 9 11 the book examines the links between shifting justifications for the war renewed militarism and capitalist globalization Reviewing a wide range of media including Hollywood films network television and presidential rhetoric Tanguay calls for a revival of politics in popular culture and rejects the politics of fear as disseminated by mass media A timely retrospective on the War on Terror *Hijacking History* examines popular representations of US military action and dissects both the logic and the aesthetics by which the dominant discourses strive to justify war while revealing how some of those forces can ultimately contribute to an ideology of resistance Hijacking Sustainability Adrian Parr,2012-02-10 How the sustainability movement has been co opted from

ecobranding by Wal Mart to the greening of the American military The idea of sustainability has gone mainstream Thanks to Prius driving movie stars it s even hip What began as a grassroots movement to promote responsible development has become a bullet point in corporate ecobranding strategies In *Hijacking Sustainability* Adrian Parr describes how this has happened how the goals of an environmental movement came to be mediated by corporate interests government and the military Parr argues that the more popular sustainable development becomes the more commodified it becomes the more mainstream culture embraces the sustainability movement s concern over global warming and poverty the more sustainability culture advances the profit maximizing values of corporate capitalism And the more issues of sustainability are aligned with those of national security the more military values are conflated with the goals of sustainable development Parr looks closely at five examples of the hijacking of sustainability corporate image greening Hollywood activism gated communities the greening of the White House and the incongruous efforts to achieve a sustainable army Parr then examines key challenges to sustainability waste disposal disaster relief and environmental refugees slum development and poverty Sustainability Parr says offers an alternative narrative of the collective good an idea now compromised and endangered by corporate military and government interests

As Texas Goes...: How the Lone Star State Hijacked the American Agenda Gail Collins, 2012-05-29 Discusses the conservative political agenda that began in Texas and how it became a national movement with far reaching social and economic consequences *Bette & Joan* Shaun Considine, 2017-01-25 This joint biography of Bette Davis and Joan Crawford follows Hollywood s most epic rivalry throughout their careers They only worked together once in the classic spine chiller *What Ever Happened to Baby Jane* and their violent hatred of each other as rival sisters was no act In real life they fought over as many man as they did film roles The story of these two dueling divas is hilarious monstrous and tragic and Shaun Considine s account of it is exhaustive explosive and unsparing Rip roaring A definite ten New York Magazine **Head & Heart** Kirstin Ferguson, 2023-09-05 Winner of the Thinkers50 2023 Leadership Award One of Thinkers50 s Ten Best Management Books of 2023 A timely actionable book on the virtues that every great leader needs to learn ADAM GRANT 1 New York Times bestselling author of *Think Again* and host of the TED podcast *WorkLife* Leadership is simply a series of moments and this book gives you the tools to turn each moment into an opportunity to leave a positive legacy for those you lead In this ground breaking book award winning leadership expert and business leader Kirstin Ferguson has written a much needed practical guide for every modern leader Whether you are the head of one of the largest companies in the world supervising a small team or guiding your family it will be your ability to integrate your head and heart that will influence your success in leading others and navigating our complex world Combining studies from leading thinkers in the field with her own research and more than three decades of personal experience Kirstin explains the 8 key attributes of a head and heart leader and provides the tools to measure your own approach Along the way she shares her conversations with modern leaders from a broad range of backgrounds whose stories will surprise you challenge your

thinking and inspire you to be the type of leader the world needs More Honors for Head Heart Royal Society of Arts Career Book Award Next Big Idea Club Must Read Shortlisted in the 2023 Porchlight Business Book Awards Shortlisted in the 2023 Australian Business Book Awards Named in HR Magazine Winter Reading list **Breaking History: Vanished!** Sarah Pruitt,2017-11-15 A front row seat to the breaking news photos and hype surrounding history s most mysterious disappearances Breaking History books offer a front row seat to history as it broke like breaking news and give the blow by blow of historical discovery what we learned when we learned it who made the discovery and how Vanished is an illustrated tour of history s most confounding cases of disappearance from Amelia Earhart to Jimmy Hoffa DB Cooper Alcatraz escapees Frank Morris John Anglin and Clarence Algin Jim Thompson Judge Joseph Force Crater and more Starting with the first 30 days surrounding each incident and then looking at efforts up to this very day to solve each case this book covers in photos and text history s most perplexing vanishings **When the Going Was Good** Graydon Carter,2025-03-25 From the pages of Vanity Fair to the red carpets of Hollywood editor Graydon Carter s memoir revives the glamorous heyday of print magazines when they were at the vanguard of American culture When Graydon Carter was offered the editorship of Vanity Fair in 1992 he knew he faced an uphill battle how to make the esteemed and long established magazine his own Not only was he confronted with a staff that he perceived to be loyal to the previous regime but he arrived only a few years after launching Spy magazine which gloried in skewering the celebrated and powerful the very people Vanity Fair venerated With curiosity fearlessness and a love of recent history and glamour that would come to define his storied career in magazines Carter succeeded in endearing himself to his editors contributors and readers as well as many of the faces that would come to appear in Vanity Fair s pages He went on to run the magazine with overwhelming success for the next two and a half decades Filled with colorful memories and intimate details When the Going Was Good is Graydon Carter s lively recounting of how he made his mark as one of the most talented editors in the business Moving to New York from Canada he worked at Time Life The New York Observer and Spy before catching the eye of Cond Nast chairman Si Newhouse who pulled him in to run Vanity Fair In Newhouse he found an unwavering champion a loyal proprietor who gave Carter the editorial and financial freedom to thrive Annie Leibovitz s photographs would come to define the look of the magazine as would the New Establishment and annual Hollywood issues Carter further planted a flag in Los Angeles with the legendary Vanity Fair Oscar party With his inimitable voice and signature quip he brings readers to lunches and dinners with the great and good of America Britain and Europe He assembled one of the most formidable stables of writers and photographers under one roof and here he re creates in real time the steps he took to ensure Vanity Fair cemented its place as the epicenter of art culture business and politics even as digital media took hold Charming candid and brimming with stories When the Going Was Good perfectly captures the last golden age of print magazines from the inside out **Africa in Transition: Witness to Change** Godfrey Mwakikagile,2018-04-12 Godfrey Mwakikagile looks at the major changes Africa has gone through since the end of

colonial rule including some of the events he witnessed in his home country Tanganyika later Tanzania since the late 1950s the dawn of a new era when Africa was headed towards independence One of the fundamental changes he looks at took place in the 1990s when most countries across the continent gradually moved from authoritarian rule to democracy although he contends that the gains made during that transitional period have not been consolidated and sustained through the years The majority of Africans still live under one form of authoritarian rule or another including outright dictatorship

When somebody should go to the books stores, search start by shop, shelf by shelf, it is really problematic. This is why we give the ebook compilations in this website. It will unquestionably ease you to see guide **The Oscars Hijack** as you such as.
