Hess, 2025-05-15 Living on the Other Side recounts and aims to redress the unspoken largely unconscious abandonment of the Feminine in ecclesial and academic settings through an economic trinity of voices a feminist with a forgiveness problem a conscious feminine theologian serving in academic and ecclesial environments unconsciously hostile to the Feminine and a preacher's wife coming to voice about the realities of congregational Christianity held redemptively in covenantal love Fruit of decades in theological education these pages demonstrate the necessity of sacred bewilderment for deepening spiritual maturity the purposes of rage becoming holy when able to acknowledge its limitation and an unexpected freedom that arises when forgiveness finds us in faith renewed in the Body of Humanity Current and prospective students in theology and religion seasoned pastors and willing congregations will find a compelling narrative and theological sense making of one woman's life in the Spirit disrupted so to become

Smyth, 2011-02-08 The Other Side of Mind delves into the mind of a bipolar patient exploring the soaring highs of mania and the devastating lows of depression When Sarah Smyth began writing she was consumed by madness and desperately needed psychiatric care Because of the complexities of this illness diagnosis was difficult and Sarah endured several years of emotional and mental torment while being in serious denial She suffers from bipolar disorder and has experienced devastating depressions and severe disturbing manias that made recovery seem impossible In the past at times she nearly lost the will to live but then at other times felt that it was her job to save the world Grippled by psychosis she suffered severe episodes of depression and mania where she lost complete touch with reality while she experienced frightening hallucinations and delusions Eventually a correct diagnosis was made and treatment finally began Medication and therapy are essential for bipolar patients to recover their lives but there are also important life skills that one must learn in order to recover successfully and maintain that recovery Smyth explores the dos and don'ts of diagnosis treatment recovery and life skills in a highly personal and compassionate narrative **The Other Side of Beauty** Leah Darrow, 2017-11-21 Leah

Kimball, 2013-04-02 In The Other Side of Truth filmmaker Paul Kimball crosses the Rubicon of the imagination to explore the idea that what we call the paranormal is actually a form of artistic expression created by an advanced non-human intelligence to inspire us to think about who we are where we have been and where we are going Using his own journey of discovery as the starting point Kimball presents the other side of truth the world not as we have been told it is but as we are being encouraged to imagine that it could become **The Other Side of Silence** Mahnaz Afkhami, 2022-09-01 When Mahnaz
