The Church on the Other Side Brian D. McLaren, 2009-12-15 If you are a sincere church leader or a committed church member you re probably tired of easy steps easy answers and facile formulas for church health growth and renewal You know it s not that easy In The Church on the Other Side you ll find something different honest clear and creative thinking about our churches along with a passionate challenge to thoughtful action and profound liberating change In understandable language with an energetic and engaging writing style and drawing from daily down to earth pastoral experience Brian McLaren offers thirteen strategies for navigating the modern postmodern transition You ll learn the critical

distinctions between renewed restored and reinvented churches You ll discover the importance of redefining your mission of finding fresh ways to conceive of and communicate the Gospel and of entering the postmodern world by understanding it engaging it and debugging your faith from modern viruses McLaren believes we are in an epochal sea change perhaps even more significant than the last great cultural transition about 500 years ago when the world crossed over from the medieval to the modern era He believes that today s breakthroughs in communications education travel cultural diversity science economics politics and philosophy are combining to create a new matrix in which Christians will live worship work and pursue our mission We are exploring off the map writes Brian McLaren looking into mysterious territory beyond our familiar world on this side of the boundary between modern and postmodern worlds Even if you ve read this book s first edition *Reinventing Your Church* you ll find enough new and revised material here to warrant a second purchase And if you re encountering these concepts for the first time you ll find wise guidance to help you and your church begin the journey toward the other side of the postmodern divide You ll learn to think differently see church life and these revolutionary times in a new way and act with courage hope and an adventurous spirit *The Other Side of Beauty* Leah Darrow,2017-11-21 Leah Darrow uses her experience in the beauty industry to help the women of our culture see what true beauty looks like Jennifer Fulwiler host of The Jennifer Fulwiler Show and author of *Something Other than God* Do you feel like you re never good enough Like you should be living a more Instagram worthy life Are you exhausted by the impossible quest for physical beauty but still yearn for the validation of being chosen valued and deemed beautiful Drawing on her experience on America s Next Top Model and her work as a fashion model Leah Darrow exposes the lies we are told about our worth being tied to our appearance and instead invites us to look again at the real meaning of beauty She shows how we can reclaim true and lasting beauty the kind that doesn t depend on self doubt exploitation or comparison when we reflect God s glory and embrace our value as he made us to be strong brave and free Only when we learn to see ourselves as God does can we leave behind our culture s definitions and demands and find joy in *The Other Side of Beauty* **Flames of Love** Heath Bradley,2012-11-29 Is hell for real or will all be saved What if both are true It is tempting to settle either for the liberal option of downplaying the judgment of God or for the conservative option of letting dominant church tradition trump fresh understandings of Scripture Not settling for either of these popular options this book offers a clear and compelling response to the question of what hell could be for in a universe created and redeemed by a loving God The book seeks to articulate a distinctively Christian universalism that highlights the centrality of Christ coheres with the Scriptures and early church tradition affirms the reality of divine judgment and offers motivational grounds for evangelism and holy living Ultimately this work is about the Christian struggle to envision the life of the world to come in a way that is faithful to the God in whom love and holiness are forever united *The Other Side of The Galaxy 2* , **Shoutin' in the Fire** Danté Stewart,2021-10-12 A stirring meditation of being Black and learning to love in a loveless anti Black world Only once in a lifetime do we come across a writer like Dant

Stewart so young and yet so masterful with the pen This work is a thing to make dungeons shake and hearts thunder Robert Jones Jr New York Times bestselling author of *The Prophets In Shoutin in the Fire* Dant Stewart gives breathtaking language to his reckoning with the legacy of white supremacy both the kind that hangs over our country and the kind that is internalized on a molecular level Stewart uses his personal experiences as a vehicle to reclaim and reimagine spiritual virtues like rage resilience and remembrance and explores how these virtues might function as a work of love against an unjust unloving world In 2016 Stewart was a rising leader at the predominantly white evangelical church he and his family were attending in Augusta Georgia Like many young church leaders Stewart was thrilled at the prospect of growing his voice and influence within the community and he was excited to break barriers as the church's first Black preacher But when Donald Trump began his campaign so began the unearthing Stewart started overhearing talk in the pews comments ranging from microaggressions to outright hostility toward Black Americans As this violence began to reveal itself en masse Stewart quickly found himself isolated amid a people unraveled this community of faith became the place where he and his family now found themselves most alone This set Stewart on a journey first out of the white church and then into a liberating pursuit of faith by looking to the wisdom of the saints that have come before including James H Cone James Baldwin and Toni Morrison and by heeding the paradoxical humility of Jesus himself This sharply observed journey is an intimate meditation on coming of age in a time of terror Stewart reveals the profound faith he discovered even after experiencing the violence of the American church a faith that loves Blackness speaks truth to pain and trauma and pursues a truer realer kind of love than the kind we're taught a love that sets us free
