The Olympic Games Complete Track And Field Results 1896 1988:

The Olympic Games Barry J. Hugman, Peter Arnold, 1988-01-01 *The 1908 Olympic Games* Bill Mallon, Ian Buchanan, 2015-07-11 The 1908 Olympic Games were controversial There was almost constant bickering among the American team and the British officials Because of the controversies the 1908 Olympics have been termed The Battle of Shepherd's Bush referring to the site of the Olympic Stadium Reports of the 1908 Olympics have been rare and do not for instance contain full results for archery track and field athletics football soccer gymnastics motorboating and shooting A great deal of new information has been discovered by the authors and this work gives complete results for all events The information presented is based primarily on 1908 sources For the first time definitive word on the sites dates events competitors and nations as well as the event results are available for all of the 1908 Olympic events including boxing cycling diving fencing field hockey lacrosse polo raquets swimming lawn tennis tug of war weightlifting wrestling and yachting among other sports A series of appendices include rarely seen information about the many controversies surrounding the Games **The 1912 Olympic Games** Bill Mallon, Ture Widlund, 2024-10-16 The 1912 Olympic Games held in Stockholm Sweden were the most modern Olympic Games yet celebrated and the most successful of the Modern Era to that date Much of the success is credited to the influence of Viktor Balck who is remembered as The Father of Swedish Sports The 1912 Olympics also featured new innovations and events A semiautomatic electrical timing device and a photo finish camera were used and the decathlon and modern pentathlon were new events This work the sixth in a series on the early Olympics provides unusually extensive information on the sites dates competitors and nations of the Stockholm games Results for each event including cycling diving fencing rowing and sculling shooting tennis water polo and yachting among others are provided *The 1920 Olympic Games* Bill Mallon, Anthony Th. Bijkerk, 2015-07-11 Until this volume was compiled the results of the 1920 Olympics held in Antwerp Belgium have been far from complete The Antwerp organizing committee typed up a report of the results almost as an afterthought because it was so financially strapped after the games For some events only the medalists are listed with little if any additional information Very few copies were ever produced and those few copies were in French The seventh in a series on the early Olympics this work fills a gap in the recording of early Olympics history by providing complete results for all competitors and all events except for shooting which has only partial information available In virtually all cases a 1920 source has been used in preference to a more modern source of information and all details have been fully researched in contemporary newspapers journals and magazines and checked for accuracy by experts on various sports from all over the world **V & VI Olympiad** George Daniels, 2015-11-18 Following the emotional success of the I Olympiad of the Modern Era in Athens in 1896 the Olympic movement struggled through more than a decade of disappointment and uncertainty It would not be until 1912 in Stockholm that the Olympics rediscovered the magic of Athens and struck on a model for the Games that endures to this day The V George S Patton the famed WWII general who competed

in the modern pentathlon and Arnold Strophe Jackson who won gold in the 1 500 metres competing as an individual entry in what was called at the time the greatest race ever run. Following Stockholm the focus of the book shifts to the Olympics that never happened the Games of the VI Olympiad Berlin 1916. Planning for the Berlin Games began in 1912 and construction of the central venue the 64 000 seat Deutsches Stadion was completed in June 1913. But just over one year later in July 1914 the start of World War I would postpone Berlin's Olympic dream for another twenty years. Juan Antonio Samaranch former President of the International Olympic Committee called *The Olympic Century* the most comprehensive history of the Olympic games ever published. **IV Olympiad** George Constable, 2015-11-18. The IV Olympiad of the Modern Era was scheduled to take place in Rome in 1908 but the eruption of Mount Vesuvius two years prior to the Games threw Italy into economic chaos forcing Rome to withdraw as host. The IV Olympiad the fifth volume in *The Olympic Century* series tells the story of how the city of London stepped up and sustained the modern Olympic movement in a time of crisis. The book explores how with typical British resilience Londoners took on the challenge of planning the world's greatest festival of sport in spite of having less than half the normal time to prepare. Scheduled in conjunction with the Franco-British Exhibition the Games of 1908 were the longest in Olympic history running from April to October and featured events like speed boat racing, dueling with pistols and figure skating. Heroes of the 1908 London Games included 60-year-old Oscar Swahn of Sweden who became and remains the oldest ever Olympic champion, John Taylor the first black Olympic medalist and Dorando Pietri of Italy who fell five times from exhaustion on the last lap of the marathon but still managed to finish the race through sheer force of will. The book concludes with the story of Elwood Brown an American college basketball coach who journeyed to the Philippines to work as an organizer for the YMCA and became a pivotal figure in the growth of sport and the Olympic movement in Asia. Juan Antonio Samaranch former President of the International Olympic Committee called *The Olympic Century* the most comprehensive history of the Olympic games ever published. **Their Greatest Victory** David L. Porter, 2013-07-30. This book profiles 24 athletes who overcame seemingly insurmountable medical odds to attain athletic success. Each profile describes the athlete's problem, the medical issues he or she faced, how success was achieved despite the setback, and the personal qualities that helped the athlete to prevail. Part I features 15 athletes who dealt with diseases and physical disabilities including Babe Didrikson Zaharias cancer, Ron Santo diabetes, Gail Devers Graves disease, Alonzo Mourning kidney disease, Wilma Rudolph polio, Scott Hamilton a pancreatic disorder in childhood, and Jimmy Abbott born with one hand. Part II highlights nine athletes who dealt with near-fatal or life-changing accidents and injuries including Bill Toomey, Three Finger Brown, Greg LeMond, Lou Brissie, and Tommy John. **Olympic Black Women** Martha Ward Plowden, 1996. Offers brief biographies of African American women who have won Olympic medals, highlighting their accomplishments and listing each award won. **Abel Kiviat, National Champion** Alan S. Katchen, 2009-07-10. Abel Kiviat 1892-1991 was one of track and field's legendary personalities, a world record holder and Olympic medalist in the metric mile.

A teenage prodigy he defeated Hall of Fame runners before his twentieth birthday Alan S Katchen brings Kiviat's fascinating story to life and re creates a lost world when track and field was at the height of its popularity and occupying a central place in America's sporting world The oldest of seven children of Moishe and Zelda Kiviat Jewish immigrants from Poland Abel competed as the Hebrew runner for New York's famed Irish American Athletic Club and was elected its captain Katchen's engaging biography centers Abel Kiviat's life and his sport firmly in the context of American social history As a quintessential New Yorker Kiviat embodies the urban and ethnic roots of American track From his first schoolboy competitions on city playgrounds to his world records at Madison Square Garden to his pioneering role as track's press steward in the age of emerging media Kiviat's life reveals how his sport was shaped by the culture of the emerging metropolis New York City is not only the setting for these developments but also a subject of the book The narration is enriched with brief portraits of celebrated track athletes including Kiviat's Olympic roommate Jim Thorpe In addition Katchen offers a detailed account of the I A A C's evolution including its close ties to the Tammany Hall political machine and sheds light on the rapid modernization of the sport and the ways it provided a vehicle for the assimilation of working class immigrant athletes Finally Katchen explores the social origins of the ideology of amateurism and its devastating impact on Kiviat's career Kiviat died at ninety nine just months short of carrying the torch for the opening ceremonies of the Barcelona Olympics Abel Kiviat National Champion pays tribute to a remarkable athlete and the sport during its most dynamic and celebrated era
