55 Years of Struggle for Women's Ordination in the Catholic Church Ida Raming, 2021-11-30 55 years of struggle for women's ordination in the Roman Catholic Church this lifelong effort by the theologian Ida Raming together with her pioneering compatriots some of whom have passed away are described in this documentation She is deeply convinced that a fundamental renewal of the church can only be achieved together with women who are no longer subject to discrimination and not without them Beginning with the Vatican Council 1962-1965 this endeavor has stretched across several phases of church history all the way into the present Numerous documents bearing witness to internal church developments conflicts and international movements are related in a vivid gripping manner from the perspective of the author The international Women Priests Movement RCWP ARCWP its inception and development is also described in this context This documentation offers an excellent aid in studying the epoch of church history dating from 1962 **Pros and Cons** Debbie Newman, Trevor Sather, Ben Woolgar, 2013-10-08 Pros and Cons A Debaters Handbook offers a unique and invaluable guide to the arguments both for and against over 140 current controversies and global issues Since it was first published in 1896 the handbook has been regularly updated and this nineteenth edition includes new entries on topics such as the right to possess nuclear weapons the bailing out of failing industries the protection of indigenous languages and the torture of suspected terrorists Equal coverage is given to both sides of each debate in a dual column format which allows for easy comparison Each entry also includes a list of related topics and suggestions for possible motions The introductory essay describes debating technique covering the rules structure and type of debate and offering tips on how to become a successful speaker The book is then divided into eight thematic sections where specific subjects are covered individually **Pros and Cons** , 2005-07-28 First Published in 1999 Routledge is an imprint of Taylor Francis an informa company *The Ordination of Women* Michael P.
