A Long Walk To Church Nathaniel Davis, 2018-10-08 Making use of the formerly secret archives of the Soviet government interviews and first hand personal experiences Nathaniel Davis describes how the Russian Orthodox Church hung on the brink of institutional extinction twice in the past sixty five years In 1939 only a few score widely scattered priests were still functioning openly Ironically Hitler s invasion and Stalin s reaction to it rescued the church and parishes reopened new clergy and bishops were consecrated a patriarch was elected and seminaries and convents were reinstituted However after Stalin s death Khrushchev resumed the onslaught against religion Davis reveals that the erosion of church strength between 1948 and 1988 was greater than previously known and it was none too soon when the Soviet government changed policy in anticipation of the millennium of Russia s conversion to Christianity More recently the collapse of communism has created a mixture of dizzying opportunity and daunting trouble for Russian Orthodoxy The newly revised and updated edition addresses the tumultuous events of recent years including schisms in Ukraine Estonia and Moldova and confrontations between church traditionalists conservatives and reformers The author also covers battles against Greek Catholics Roman Catholics Protestant evangelists and pagans in the south and east the canonization of the last Czar the church s financial crisis and hard data on the slowing Russian orthodox recovery and growth Institutional rebuilding and moral leadership now beckon between promise and possibility

The Eastern Orthodox Church Ernst Benz, 2017-09-29 Western European Christendom finds it difficult to comprehend the Eastern Orthodox Church because it knows little about the practice and doctrines of Orthodoxy Even what is known is overlaid by many strata of prejudices and misunderstandings partly political in nature One of the obstacles has been the natural tendency to confound the ideas and customs of the Orthodox Church with familiar parallels in Roman Catholicism To escape this tradition pitfall Ernst Benz focuses on icon painting as a logical place to begin his examination of the Orthodox Church Beginning with a brilliant discussion of the importance of icons in the Eastern Church and the far reaching effects of icons on doctrine as well as art Benz counteracts the confusion explaining simply and clearly the liturgy and sacraments dogma constitution and law of Eastern Orthodoxy In brief history he describes the rise of Orthodox national churches schismatic churches and churches in exile the role of monasticism and its striking differences from Roman Catholic monasticism the missionary work of the Orthodox Church and the influence of Orthodoxy on politics and culture The role of the church can be defined in terms of the image Benz writes that the church exists so that members may be incorporated into the image of Jesus Christ a in that individual believers are achanged into his likeness as Paul writes in the second letter to the Corinthians Thus Orthodox theology holds up the icon as the true key to the understanding of Orthodox dogma The Eastern Orthodox Church will be valuable to anyone interested

in learning more about the church its thought its life and its ideals *The Orthodox Church* Thomas E.

FitzGerald,1995-06-30 The first comprehensive introduction to the Orthodox Church in the United States from 1794 to the present this book includes a succinct picture of the distinctive history of Orthodoxy and its particular perspectives on the Christian faith Attention is given to the contacts between the Orthodox Church and other Christian churches as well as its contributions to the ecumenical movement Over 80 biographies of major Orthodox leaders in America also are included along with an annotated bibliography of the writings of the major Orthodox theologians The book begins with a review of the historical characteristics and distinctive faith affirmations of Orthodoxy which has a history that is quite different from Roman Catholicism and Protestantism Subsequent chapters examine the historical development of the Orthodox Church in this country with special attention being paid to the early mission in Alaska the effects of immigration the organizational developments of parishes and dioceses the effects of old world politics the movement toward greater unity and the distinctive features of American Orthodoxy today The material is fresh and inclusive covering all major branches and treating them with an irenic spirit The biographies are thoughtful and informative and there is a tremendous amount of bibliographic and reference material Scholars practitioners in every faith and laypersons will find this volume indispensable **The Ministry**

of the Word, Vol. 21, No. 04 Various Authors,2017-04-01 This issue of The Ministry of the Word contains the first eight messages given during the fall 2016 term of the full time training in Anaheim California The general subject of this series of messages is The Failures in the Churches the Degradation of the Church the Overcomers in the Church the Recovery of the Church and the Stages of the Church This issue comprises the first three components of this fivefold subject This general subject unveils the decline of the church and illuminates our need to return to the orthodoxy of the church The term orthodoxy refers to God s way for the church as ordained by Him and revealed in His Word The practice of the church that is according to God s original intention was present in the early years of the church before degradation set in We may say that orthodoxy is the equivalent of the word normal Thus the orthodoxy of the church is the normal Christian church life The overcomers are normal Christians in a time of abnormality Moreover the principle of returning to the orthodoxy is the same as that of recovery In order to be faithful to the Lord and to His word we must forsake mere tradition and return to what God originally intended for the church Concerning the actual practice of the church life three particular matters must become clear to us and real within us First we need to have a genuine vision of the church and see the church as the Lord Himself sees the church From the Scriptures that have been opened and rightly expounded to us through the ministry may we have the veil lifted from our heart receive the shining of the divine life and have the sight under the anointing Then we will begin to realize what the church is to Christ and how He views the church in its actual condition In Revelation 2 and 3 the Lord Himself addressed many matters in the church but before doing so He presented to John a vision of the church as golden lampstands In the eyes of the Lord all seven churches including Thyatira Sardis and Laodicea as actual local churches were

seven golden lampstands This indicates that intrinsically these seven churches were the embodiment and expression of the Triune God Second we need Christ's view and understanding concerning the degradation of the church The Lord Jesus is absolutely clear about the degradation in the churches nevertheless it is He who regards the churches intrinsically as golden lampstands Although the churches in their history and actual practice may be degraded in various ways we need to see everything not from our natural perspective but as the Lord sees Third we need to know and carry out His way to care for the church in its condition We are able to do so because we are governed by the vision of the church and have the Lord's view and understanding of the degradation in the church We need to know how to minister life how to conquer the satanic chaos and how to present the truth The co-workers in particular need to learn of the Lord how to represent Him and how to carry out His administration to establish and maintain the order in the churches We need to be one with the Lord to minister Him according to the various situations Message 1 identifies that the weaknesses and failures in the churches are due to the principle of Babylon which is hypocrisy To overcome this principle we must take Christ as our burnt offering As the burnt offering Christ is the One who is absolute for God and for His satisfaction When we take Christ as our burnt offering and consecrate ourselves to in with by and through Him as our burnt offering we become ashes The ashes of the burnt offering were handled by the priests in a very stately and dignified way by placing them on the east side of the altar The east side is the side toward the sunrise and is an allusion to resurrection By being brought into resurrection we are brought into the transformation of the Triune God to become gold pearl and precious stones which are the building materials of the New Jerusalem Hence the ashes eventually become the New Jerusalem This should be our daily experience Messages 2 through 4 show that we need to consider the degradation of the church so that we may be inoculated against the decline This divine and mystical vaccine will prevent us from repeating the failures in the churches and from falling into degradation This inoculation will bring us back to the straight way of God's economy concerning the church We need to take the straight way to be one with the persecuted Jesus by going outside the camp and bearing His reproach The straight way is for the believers to be brought into the church in the way of life and built up in this life into the Body of Christ to bear the testimony of Jesus The Lord's recovery is for the preparation of the bride and in order for the bride to be prepared the local churches must become in reality both the Body of Christ and the one new man The Body is an organism through which the Lord can move to carry out His administration and the one new man is a corporate person who will fulfill Genesis 1:26 expressing God with His image and representing Him with His dominion In God's wise organic salvation the Body and the one new man become the bride Messages 5 through 8 consider the overcomers in the church Instead of expressing a hope that everyone in the church will suddenly become absolutely faithful to the Lord the Lord calls for overcomers The Lord Jesus Himself is the first Overcomer Rev 3:21, 5:5 and He will reproduce Himself in those who have the heart to be produced as overcomers The Reports and Announcements section of this issue contains reports from the January and February 2017 gospel trips to South

Africa and Europe There is also a list of upcoming conferences and trainings hosted by Living Stream Ministry and a website link for information related to similar events in Europe
