Barnett, 2012-09-14 What determines the strategies by which a state mobilizes resources for war And does war preparation strengthen or weaken the state in relation to society In addressing these questions Michael Barnett develops a novel theoretical framework that traces the connection between war preparation and changes in state society relations and applies that framework to Egypt from 1952 to 1977 and Israel from 1948 through 1977 *Confronting the Costs of War* addresses major issues in international relations comparative politics and Middle Eastern studies **The Israeli Economy (Routledge Revivals)** Yair Aharoni, 2014-05-01 First published in 1991 during a significant stagnation in the Israeli economy this title discusses the causes of the economic downturn and assesses the

country's prospects Throughout Aharoni measures the economic problems Israel has endured against the social and economic successes it has been able to achieve He highlights the incongruities of the aspirations of Israel's founders and supporters and the reality as well as the interplay of economic and political forces that have shaped this With a detailed introduction to the ideology and development of the state of Israel and a history of the Israeli economy and its institutional structure this title will be of significant value to any student studying the economic history of Israel and the Middle East

The Transformation Of Israeli Society S. N. Eisenstadt, S N Eisenstadt, 2019-07-09 This book discusses the development and organization of the major spheres of life of Israeli society It analyses major aspects and trends of development of Israeli society which have been taking place continuously since its beginning from the early period of Zionist settlement in Eretz Israel Israel Edgar S. Marshall, 2002 There has probably never been a country in the history of the world like Israel the homeland for Jews from all around the world a visceral enemy of Arab countries called a client state of the United States a developed country in its own right by its own hands Israel has seen many events since its founding in 1948 but peace it has not found The book examines current issues swirling about Israel as well as presents the historical background necessary for grasping its place in the world today **Israel** Anita Shapira, 2014-08-05 A history of Israel in the context of the modern Jewish experience and the history of the Middle East Labor Enterprises in Israel Abraham Daniel, 1976-01-01 In spite of its considerable achievements the labor economy in Israel has become a subject of contention and one that poses many challenges for the student and for the researcher who attempts to trace the obvious and the concealed mechanisms that function within it The big problem one that transcends nation and party is can socialist enterprise and democratic politics coexist The labor enterprises of Israel are divided in these two volumes into cooperative societies and administrative enterprises The structure of the cooperative enterprises is presented in volume one while the second volume focuses entirely on problems of the institutional economy within Hevrat Ovdim the economic arm of the Histadrut General Federation of Labor In a world seeking real answers to labor management strife and more meaningful attitudes toward work these volumes are essential Contents Volume II Preface Introduction The Institutional Economy THE PRINCIPAL ENTERPRISES Solel Boneh Koor Industries and Crafts Co Ltd Mixed Enterprises Financial and Mutual Assistance Activities Bank Hapoalim Ltd Hassneh Israel Insurance Co Ltd Insurance and Pension Funds Gmul Investment Company Ltd The Sick Fund Kupat Holim THE LABOR ECONOMY ACHIEVEMENTS AND OBJECTIVES Functional Structure of Hevrat Ovdim Institutionalization and Adaptation in Hevrat Ovdim Problems and Prospects The Economic Aspect Ideological and Social Aspect Workers Participation in the Management of Histadrut Industries Appendices Selected Bibliography Index *The Israeli Economy from the Foundation of the State through the 21st Century* Paul Rivlin, 2010-11-15 This book analyzes the development of the Israeli economy in its historical context It shows how the ideology of the dominant group in the Zionist movement led to the development of agriculture thus meeting the preconditions

for successful industrialization Remarkable if uneven growth has taken place with increasing allocations for defense Regional isolation led to the emphasis on high quality exports for developed markets that has stimulated the technological base Israel has benefited from mass immigration and increased access to foreign capital factors that have transformed the economy The book includes chapters on the development of the Jewish community in Palestine during the British Mandate macroeconomic developments and economic policy globalization and high technology defense the economics of the Arab minority Israeli settlements and relations with the Palestinians and the role of religion It concludes with an examination of the socioeconomic divisions that have widened as the economy has grown National Innovation Systems Richard R. Nelson, 1993-06-03 The slowdown of growth in Western industrialized nations in the last twenty years along with the rise of Japan as a major economic and technological power and enhanced technical sophistication of Taiwan Korea and other NICs has led to what the authors believe to be a techno nationalism This combines a strong belief that technological capabilities of a nation's firms are a key source of their competitive process with a belief that these capabilities are in a sense national and can be built by national action This book is about these national systems of technical innovation The heart of the work contains studies of seventeen countries from large market oriented industrialized ones to several smaller high income ones including a number of newly industrialized states as well Clearly written this work highlights institutions and mechanisms which support technical innovation showing similarities differences and their sources across nations making this work accessible to students as well as the scholars of innovation
