Structure And Sentiment A Test Case In Social Anthropology:

Structure and Sentiment Rodney Needham,1960 **Structure and Sentiment; A Test Case in Social Anthropology** Fellow of All Souls Professor of Social Anthropology Rodney Needham,Rodney Needham,2017-08-24 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work was reproduced from the original artifact and remains as true to the original work as possible Therefore you will see the original copyright references library stamps as most of these works have been housed in our most important libraries around the world and other notations in the work This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work As a reproduction of a historical artifact this work may contain missing or blurred pages poor pictures errant marks etc Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant Structure and Sentiment Fellow of All Souls Professor of Social Anthropology Rodney Needham,Rodney Needham,2016-09-30 Excerpt from Structure and Sentiment A Test Case in Social Anthropology Much of the argument was worked out in lectures and classes at the University of Oxford in the years 1958 60 As presented here it is virtually identical with the version submitted to the American Academy of Arts and Sciences in September 1960 The subsequent changes amount to a number of minor expository alterations and slight modification or development of the argument at a few points About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works **Structure and Sentiment** Philip Lawrence Wagner,1962 **Structure and Sentiment; A Test Case in Social Anthropology - Primary Source Edition** Fellow of All Souls Professor of Social Anthropology Rodney Needham,Rodney Needham,2014-03 This is a reproduction of a book published before 1923 This book may have occasional imperfections such as missing or blurred pages poor pictures errant marks etc that were either part of the original artifact or were introduced by the scanning process We believe this work is culturally important and despite the imperfections have elected to bring it back into print as part of our continuing commitment to the preservation of printed works worldwide We appreciate your understanding of the imperfections in the preservation process and hope you enjoy this valuable book **Theory in Social and Cultural Anthropology** R. Jon McGee,Richard L. Warms,2013-08-28 Social and cultural anthropology and archaeology are rich

subjects with deep connections in the social and physical sciences Over the past 150 years the subject matter and different theoretical perspectives have expanded so greatly that no single individual can command all of it Consequently both advanced students and professionals may be confronted with theoretical positions and names of theorists with whom they are only partially familiar if they have heard of them at all Students in particular are likely to turn to the web to find quick background information on theorists and theories However most web based information is inaccurate and or lacks depth Students and professionals need a source to provide a quick overview of a particular theory and theorist with just the basics the who what where how and why In response SAGE Reference is publishing the two volume Theory in Social and Cultural Anthropology An Encyclopedia Features Benefits Two volumes containing approximately 335 signed entries provide users with the most authoritative and thorough reference resource available on anthropology theory both in terms of breadth and depth of coverage To ease navigation between and among related entries a Reader s Guide groups entries thematically and each entry is followed by Cross References In the electronic version the Reader s Guide combines with the Cross References and a detailed Index to provide robust search and browse capabilities An appendix with a Chronology of Anthropology Theory allows students to easily chart directions and trends in thought and theory from early times to the present Suggestions for Further Reading at the end of each entry and a Master Bibliography at the end guide readers to sources for more detailed research and discussion

The Relevance of Models for Social Anthropology Michael Banton, 2013-11-05 There has been much discussion in recent years about the construction of theoretical models useful in the explanation of particular areas of social organization This volume charts that discussion and its results and covers a wide ethnographic range from the Pacific Island of Truk through African pastoral societies south east Asia and Hong Kong back to Polynesia First published in 1965

Community in the Balance James Hagen, 2015-12-03 Community in the Balance presents a fresh perspective on some classic social science issues It examines the conflicts and tensions that permeate day to day interactions of a people in a remote region of the eastern Indonesian province of Maluku The Maneo openly tout the pleasures of living alone in the forests of Seram away from the demands of kith and kin and the scrutiny that comes from life in villages in close proximity The option is real Yet while the incessant social demands and low level enmities they attribute to village life are also felt most acutely in the peril of sorcery the accounts of strife are exaggerated to help establish the mutuality of the terms on which people do associate as a collective sacrifice and virtue Drawing on Aristotelian ideas of morality and exploring the modalities of recognition desire and displacement the book focuses on the strategies of negotiation and obfuscation Maneo employ to foster community life As volition is central to moral practice the book s analysis of the subsequent religious conflagration that swept the province between 1999 and 2002 illuminates how fears and rumors of attack narrowed options that might otherwise have enabled enough people to opt out condemn the violence and perhaps contain it

Man in Africa Mary Douglas, Phyllis M. Kaberry, 2013-07-04 Tavistock Press was established as a co operative venture between the Tavistock

Institute and Routledge Kegan Paul RKP in the 1950s to produce a series of major contributions across the social sciences. This volume is part of a 2001 reissue of a selection of those important works which have since gone out of print or are difficult to locate. Published by Routledge, 112 volumes in total are being brought together under the name The International Behavioural and Social Sciences Library Classics from the Tavistock Press. Reproduced here in facsimile, this volume was originally published in 1969 and is available individually. The collection is also available in a number of themed mini sets of between 5 and 13 volumes or as a complete collection.

The Metamorphoses of Kinship Maurice Godelier, 2012-03-03. With marriage in decline, divorce on the rise, the demise of the nuclear family and the increase in marriages and adoptions among same sex partners, it is clear that the structures of kinship in the modern West are in a state of flux. In *The Metamorphoses of Kinship*, the world renowned anthropologist Maurice Godelier contextualizes these developments, surveying the accumulated experience of humanity with regard to such phenomena as the organization of lines of descent, sexuality and sexual prohibitions. In parallel, Godelier studies the evolution of Western conjugal and familial traditions from their roots in the nineteenth century to the present. The conclusion he draws is that it is never the case that a man and a woman are sufficient on their own to raise a child, and nowhere are relations of kinship or the family the keystone of society. Godelier argues that the changes of the last thirty years do not herald the disappearance or death agony of kinship, but rather its remarkable metamorphosis, one that ironically is bringing us closer to the traditional societies studied by ethnologists.

Three Styles in the Study of Kinship J.A. Barnes, 2013-11-05. The study of kinship is a fundamental part of the study and the practice of social anthropology. This volume examines the work of three distinguished anthropologists that bear on kinship and determines what theoretical models are implicit in their writings and assesses to what extent their claims have been validated. The anthropologists studied are from France, the UK and USA: Claude Lévi-Strauss, Meyer Fortes and G.P. Murdock. First published in 1971.

The Social World of the Babylonian Priest Bastian Still, 2019-06-24. In *The Social World of the Babylonian Priest*, Bastian Still presents a comprehensive study of the priestly community of Borsippa during the Neo-Babylonian and early Persian Empires, ca. 620-484 BCE. By examining patterns of marriage, landholding, moneylending and friendship, he provides an intimate account of the daily life of the Babylonian priesthood beyond the temple walls and develops a more sophisticated understanding of the organisation of ancient Babylonian society as a whole. Combining the use of social network analysis, anthropological studies and sociological concepts concerned with kinship, tie strength, social boundaries and identity formation, Bastian Still's interdisciplinary approach transcends the traditional boundary of cuneiform studies and enables the field of Assyriology to contribute to a more general socio-historical discourse. Still's book is a valuable contribution to our growing knowledge of the Mesopotamian priesthoods in the first millennium.

Nathan MacDonald, *Journal for the Study of the Old Testament* 44:5, 2020.

Constructing Indian Christianities Chad M. Bauman, Richard Fox Young, 2014-08-07. This volume offers insights into the current public square debates on Indian Christianity. Drawing on ethnographic fieldwork as well as

rigorous analyses it discusses the myriad histories of Christianity in India its everyday practice and contestations and the process of its indigenisation It addresses complex and pertinent themes such as Dalit Indian Christianity diasporic nationalism and conversion The work will interest scholars and researchers of religious studies Dalit and subaltern studies modern Indian history and politics

Encyclopedia of Social and Cultural Anthropology Alan Barnard,Jonathan Spencer,1996 Providing a guide to the ideas arguments and history of the discipline this volume discusses human social and cultural life in all its diversity and difference Theory ethnography and history are combined in over 230 entries on topics

The Cultural Analysis of Kinship Richard Feinberg,Martin Ottenheimer,2001 In the mid 1970s David M Schneider rocked the anthropological world with his announcement that kinship did not exist in any culture known to humankind This volume provides a critical assessment of Schneider s ideas focusing particularly on his contributions to kinship studies and the implications of his work for cultural relativism Schneider s deconstruction of kinship as a cultural system sounded the death knell for a certain kind of kinship study At the same time it laid the groundwork for the re emergence of kinship studies as a centerpiece of anthropological theory and practice Now a mainstay of cultural studies Schneider s conception of cultural relativism revolutionized thinking about kinship family gender and culture For feminist anthropologists his ideas freed kinship from the limitations of biology providing a context for establishing gender as a cultural construct Today his work bears on high profile issues such as gay and lesbian partners and parents surrogate motherhood and new reproductive technologies Contributors to The Cultural Analysis of Kinship appraise Schneider s contributions and his place in anthropological history particularly in the development of anthropological theory Situating Schneider s work and influence in relation to major controversies in the history of anthropology and of kinship studies they examine his important insights and their limitations consider where his approach might lead and offer alternative paradigms Inspiring many with his keenly critical mind and willingness to flout convention discomfiting others with his mercurial temperament David Schneider left an ineradicable mark on his field These frank observations on the man and his ideas offer a revealing glimpse of one of modern anthropology s most complex and paradoxical figures

The Fish People Jean E. Jackson,1983-09-30 The Bar or Fish people of the Northwest Amazon form part of a network of intermarrying local communities each community speaks a different language and marriages must take place between people from different communities with different languages Here Jean Jackson discusses Bar marriage kinship spatial organization and other features of their social landscape

Fifty Key Anthropologists Robert Gordon,Harriet Lyons,Andrew Lyons,2010-11-15 A survey of the life work ideas and impact of some of the most influential anthropologists from classic thinkers through to figures working now

The Family In Rural Society Raymond T Coward,William M Smith,Peter L Heller,Louis A Ploch,2019-07-11 Social and political attention often is focused on urban issues neglecting the still rural character of much of the United States This volume of original papers provides a clear picture of present day rural society with special emphasis on the changing role and structure of the family It

describes demographic trends discusses the family aspects of the new wave of immigrants to small towns and rural communities reviews the diversity of patterns and forms adopted by rural families considers the plight of the rural aged and explores the dynamics of intrafamily personal relationships The book ends with speculations on future prospects and challenges facing rural families

Encyclopedia of Social and Cultural Anthropology Dr Alan Barnard, 2002-09-11 This Encyclopedia provides description and analysis of the terms concepts and issues of social and cultural anthropology International in authorship and coverage this accessible work is fully indexed and cross referenced

Evolution, Religion, and Cognitive Science Fraser Watts, Léon P. Turner, 2014-03-20 The cognitive science of religion is an inherently heterogeneous subject incorporating theory and data from anthropology psychology sociology evolutionary biology and philosophy of mind amongst other subjects One increasingly influential area of research in this field is concerned specifically with exploring the relationship between the evolution of the human mind the evolution of culture in general and the origins and subsequent development of religion This research has exerted a strong influence on many areas of religious studies over the last twenty years but for some the so called evolutionary cognitive science of religion remains a deeply problematic enterprise This book's primary aim is to engage critically and constructively with this complex and diverse body of research from a wide range of perspectives To these ends the book brings together authors from a variety of relevant disciplines in the thorough exploration of many of the key debates in the field These include for example can certain aspects of religion be considered adaptive or are they evolutionary by products Is the evolutionary cognitive science of religion compatible with theism Is the evolutionary cognitive approach compatible with other more traditional approaches to the study of religion To what extent is religion shaped by cultural evolutionary processes Is the evolutionary account of the mind that underpins the evolutionary cognitive approach the best or only available account Written in accessible language with an introductory chapter by Ilkka Pyysiäinen a leading scholar in the field this book is a valuable resource for specialists undergraduate and graduate students and newcomers to the evolutionary cognitive science of religion

Decoding **Structure And Sentiment A Test Case In Social Anthropology**: Revealing the Captivating Potential of Verbal Expression

In an era characterized by interconnectedness and an insatiable thirst for knowledge, the captivating potential of verbal expression has emerged as a formidable force.
