**Essential Writings of Meredith G. Kline** Meredith G. Kline, 2022-05-03 The scholarship of Meredith G. Kline 1922-2007 was characterized by a very high view of Scripture a strong commitment to a Reformed view of biblical theology centered on covenant explication of the coherence of the Old and New Testaments and most of all a desire to focus the attention of both scholars and lay Christians on the centrality of Christ's redemptive work of justifying his people and imbuing them with his perfect righteousness Kline's writings are often quite creative and full of fresh insights thoroughly intellectual but also pastoral and they have provided many with the exciting energizing feeling that they are reading and understanding the biblical text and how Scripture in its entirety hangs together for the first time Essential Writings of Meredith G. Kline presents sixteen articles that Meredith G. Kline wrote over a period of forty years The articles display the unique creative and Christocentric way in which Kline interpreted the entire Bible They cover a range of topics thereby providing a good overview of Kline's scholarship Topics include covenant law and the state faith the gospel and justification redemption and resurrection and the consummation Pastors and scholars especially those in the Reformed community will be delighted by the fresh insights and wisdom and sometimes paradigm changing perspectives found in the pages of this book Meredith G. Kline 1922-2007 was a professor of Old Testament for fifty five years teaching at four seminaries Westminster Theological Seminary in Philadelphia Gordon-Conwell Theological Seminary Reformed Theological Seminary and Westminster Theological Seminary in California He was also an ordained minister in the Orthodox Presbyterian Church

*The Text of Genesis 1-11* Ronald S. Hendel, 1998-07-02 Ronald S. Hendel offers a careful and thorough re-examination of the text of Genesis 1-11 He takes a strongly positive position on the value of the Septuagint as a reliable translation of its

Hebrew parent text This position is contrary to that taken in most existing studies of the text of Genesis including some in standard editions and reference works Nevertheless Hendel shows there is an accumulating mass of evidence indicating that his position is correct Hendel begins with a discussion of theory and method and points out the lessons to be learned from the new biblical manuscripts discovered at Qumran He goes on to argue for the preparation of eclectic critical editions of books of the Hebrew Bible a task long pursued in Classical New Testament and Septuagint studies but still highly controversial with respect to the Hebrew scriptures The critical edition of Genesis 1 11 which follows is Hendel s first step toward such a comprehensive task **Plato's Timaeus and the Biblical Creation Accounts** Russell E.

Gmirkin,2022-05-02 Plato s Timaeus and the Biblical Creation Accounts argues that the creation of the world in Genesis 1 and the story of the first humans in Genesis 2 3 both draw directly on Plato s famous account of the origins of the universe mortal life and evil containing equal parts science theology and myth This book is the first to systematically compare biblical Ancient Near Eastern and Greek creation accounts and to show that Genesis 1 3 is heavily indebted to Plato s Timaeus and other cosmogonies by Greek natural philosophers It argues that the idea of a monotheistic cosmic god was first introduced in Genesis 1 under the influence of Plato s philosophy and that this cosmic Creator was originally distinct from the lesser terrestrial gods including Yahweh who appear elsewhere in Genesis It shows the use of Plato s Critias the sequel to Timaeus in the stories about the Garden of Eden the intermarriage of the sons of God and the daughters of men and the biblical flood This book confirms the late date and Hellenistic background of Genesis 1 11 drawing on Plato s writings and other Greek sources found at the Great Library of Alexandria This study provides a fascinating approach to Genesis that will interest students and scholars in both biblical and classical studies philosophy and creation narratives **The Biblical "One Flesh"**

**Theology of Marriage as Constituted in Genesis 2:24** Rene Gehring,2013-08-12 This book provides a thorough study of the sole biblical foundation of marriage as given in the short description of Genesis 2 24 For this reason a wipfpass

Reconsidering Creation Ex Nihilo in Genesis 1 Nathan J. Chambers,2020-11-15 There is a broad consensus among biblical scholars that creation ex nihilo from nothing is a late Hellenistic concept with little inherent connection to Genesis 1 and other biblical creation texts In this book Nathan J Chambers forces us to reconsider the question arguing in favor of reading this chapter of the Bible in terms of ex nihilo creation and demonstrating that there is a sound basis for the early Christian development of the doctrine Drawing on the theology of Augustine of Hippo and Thomas Aquinas Chambers considers what the ex nihilo doctrine means and does in classical Christian dogma He examines ancient Near Eastern cosmological texts that provide a potential context for reading Genesis 1 Recognizing the distance between the possible historical and theological frameworks for interpreting the text he illuminates how this doctrine developed within early Christian thought as a consequence of the church s commitment to reading Genesis 1 as part of Christian Scripture Through original close readings of the chapter that engage critically with the work of Jon Levenson Hermann Gunkel and Brevard

Childs Chambers demonstrates that far from precluding interpretive possibilities reading Genesis 1 in terms of creation from nothing opens up a variety of interpretive avenues that have largely been overlooked in contemporary biblical scholarship. Timely and innovative this book makes the case for a new or recovered framework for reading Genesis 1 that will appeal to biblical studies scholars and seminarians. *Genesis 1-11:26: The Christian Standard Commentary* Kenneth A. Mathews, 2023-06-15. Genesis 1:11 is part of The Christian Standard Commentary (CSC) series. This commentary series focuses on the theological and exegetical concerns of each biblical book thoughtfully balancing rigorous scholarship with practical application.
