Strategy and Structure Alfred D. Chandler, Jr., 1969-08-15 This book shows

how the seventy largest corporations in America have dealt with a single economic problem: the effective administration of an expanding business. The author summarizes the history of the expansion of the nation's largest industries during the past hundred years and then examines in depth the modern decentralized corporate structure as it was developed independently by four companies: du Pont, General Motors, Standard Oil of New Jersey, and Sears Roebuck. This 1990 reprint includes a new introduction by the author.

The Idea Agent Jonas Michanek, Andréas Breiler, 2013-07-18 The Idea Agent is a practical idea management handbook aimed at people who want to take an active role in creative processes across all areas. It combines the creatively wild with the rationally structured techniques for innovation to provide readers with a varied toolbox of proven idea management methodology. From discussing how to identify a problem or opportunity to describing techniques for idea creation, it offers a step-by-step guide to building creative concepts for the marketplace. With built-in exercises and applications, this book is an ideal working companion for any innovator.

The Oxford Handbook of Creativity, Innovation, and Entrepreneurship Christina Ellen Shalley, Michael A. Hitt, Jing Zhou, 2015 A great deal of research has been conducted on creativity, innovation, and entrepreneurship. Although highly interrelated, these three areas have developed largely independently of one another. The Oxford Handbook of Creativity, Innovation, and Entrepreneurship brings together leading scholars in these areas to review major research findings, examine their intersections, and provide promising directions for future research.
