Struggle To Understand Isaiah As Christian Scripture

Christopher R. Seitz

Struggle To Understand Isaiah As Christian Scripture:

The Struggle to Understand Isaiah as Christian Scripture Brevard S. Childs, 2015-09 A key emphasis of Brevard Childs's distinguished career has been to show not only that the canon of Scripture comprises both Old and New Testaments but also that the concept of canon includes the way the Christian church continues to wrestle in every age with the meaning of its sacred texts In this new volume Childs uses the book of Isaiah as a case study of the church's endeavor throughout history to understand its Scriptures In each chapter Childs focuses on a different Christian age using the work of key figures to illustrate the church's changing views of Isaiah After looking at the Septuagint translation Childs examines commentaries and tractates from the patristic Reformation and modern periods His review shows that despite an enormous diversity in time culture nationality and audience these works nevertheless display a family resemblance in their theological understandings of this central Old Testament text Childs also reveals how the church struggled to adapt to changing social and historical conditions often by correcting or refining traditional methodologies while at the same time maintaining a theological stance measured by faithfulness to Jesus Christ In an important final chapter Childs draws out some implications of his work for modern debates over the role of Scripture in the life of the church Of great value to scholars ministers and students this book will also draw general readers into the exciting theological debate currently raging in the Christian church about the faithful interpretation of Scripture

The Bible as Christian Scripture Christopher R. Seitz, Kent Harold Richards, 2013-10-23 This memorial volume both displays and evaluates the canonical approach of Brevard S Childs whose attention to history through time animated his interest in the Bible's use in the church through the ages up to and including the present Just as Childs wrote on a wide range of topics canonical and theological both Testaments Isaiah and Exodus the Pauline letters the history of biblical interpretation biblical theology and historical theological and methodological questions the contributors to this volume seasoned colleagues as well as younger scholars who studied with Childs offer an international collection of historical theological and New Testament essays as well as contributions focused on the Old Testament The contributors are Stephen B Chapman Brevard S Childs Don Collett Daniel R Driver Mark W Elliott Leonard G Finn Mark Gignilliat Bernd Janowski J rg Jeremias Leander E Keck Neil B MacDonald David L Petersen Murray A Rae C Kavin Rowe and Christopher R Seitz

The Character of Christian Scripture Christopher R. Seitz, 2011-10 An internationally renowned expert in canonical interpretation illuminates the two testament character of Scripture and its significance for the contemporary church

1 Samuel as Christian Scripture Stephen B Chapman, 2016 In this theological commentary on 1 Samuel Stephen Chapman probes the tension between religious conviction and political power through the characters of Saul and David Saul Chapman argues embodies civil religion a form of belief that is ultimately captive to the needs of the state David on the other hand stands for a vital religious faith that can support the state while still maintaining a theocentric freedom Chapman offers a robustly theological and explicitly Christian reading of 1 Samuel carefully studying the received Hebrew text to reveal its internal

logic He shows how the book's artful narrative explores the theological challenge presented by the emergence of the monarchy in ancient Israel Chapman also illuminates the reception of the David tradition both in the Bible and in later history even while David as king becomes a potent symbol for state power his biblical portrait continues to destabilize civil religion

The Character of Christian Scripture (Studies in Theological Interpretation) Christopher R. Seitz, 2011-10-01 The early church received the Scriptures of Israel as Christian Scriptures and did not change them The older testament was received as a witness to God and when a newer testament emerged the older was not dismissed harmonized or edited Rather the church moved forward with a two testament witness Christopher Seitz an internationally renowned expert in canonical interpretation illuminates the two testament character of Scripture and its significance for the contemporary church He interacts critically with current interest in the New Testament's use of the Old Testament and addresses an issue of perennial concern how to hear both testaments as Christian witness *The Immoral Bible* Eryl W. Davies, 2010-11-11 *An*

Introduction to the Bible David M. Carr, Colleen M. Conway, 2010-03-08 This groundbreaking introductory textbook explores the emergence and development of the Bible placing it in the broader context of world history It particularly focuses on the role of a number of empires in the formation of the Biblical canon Explores the historical role the Bible has played in subsequent empires and its enduring influence in the contemporary world resulting in a balanced overview of the historical forces that shaped the canon Explores topics including the formation of the Pentateuch the development of the earliest Old Testament stories the historical study of the Gospel traditions surrounding Jesus the influence of Roman rule in the provinces where Paul spent much of his ministry and the interpretation of the Biblical texts and their use by different faith communities Incorporates numerous student friendly features throughout including study questions review sections bibliographies timelines and illustrations and photos **The Word Leaps the Gap** J. Ross Wagner, C. Kevin Rowe, A. Katherine

Grieb, 2008-11-05 This is a collection of essays to celebrate Richard Hays 60th birthday It is written by colleagues and friends whose scholarly imaginations have been sparked in numerous ways by his insights **Church, Society, and the Christian**

Common Good Ephraim Radner, 2017-07-14 Philip Turner's contributions as a leader and thinker in Christian missions and social ethics are here engaged by an array of friends and colleagues Turner's scholarly and clerical career spans a key era of transition in American and world Christianity and his thinking and teaching about the intersection between ecclesial and civil life have encouraged several generations of Christian theologians and ministers The essays in this collection touch on key topics in which Turner has been involved cross cultural missions social relations in terms of family and procreation ecclesiology scriptural interpretation the nature of the public good and the character of a human life before God Turner has been a pioneer within the Anglican world especially in promoting what has been called a generous orthodoxy and these essays by prominent theologians from America and the United Kingdom extend his witness in lively and fruitful ways **The**
