Slovenly Peter Heinrich Hoffmann, 2020-07-15 Written in 1844 by German physician Heinrich Hoffmann Slovenly Peter has entertained generations of readers around the world Intending to buy a picture book as a Christmas present for his three year old son Hoffmann instead wrote and illustrated his own book In 1845 he was persuaded by friends to publish the book anonymously It was one of the first uses of chromolithography a method of making multi colored prints in a children's book For the third

edition published in 1858 new stories and pictures were added and the title was changed to Struwwelpeter the name of the character in the first story As a psychiatrist Hoffmann dressed the most common childhood disorders and misbehavior in entertaining verses and pictures Stories in verses with colorful pictures were then long before Wilhelm Busch and the first comics still completely new The little book conquered the world in no time and was parodied imitated and recast with ever new political and cultural messages more often than any other children s book This bilingual edition shows Hoffmann s original First German Print of 1845 and the version known today in Mark Twains witty translation as well as the story of Struwwelpeter s creation told by Hoffmann himself Among the more than a dozen different English translations Mark Twain s free rendering is certainly the most original and he is no doubt the most prominent among the many translators into over 100 languages and dialects The English Struwwelpeter Or Pretty Stories and Funny Pictures Heinrich Hoffman,1996-11-18 The story of Struwwelpeter is just over 150 years old and tells of a young lad whose name when translated into English is Slovenly Peter *Once Upon a Time in a Dark and Scary Book* K. Shryock Hood,2018-05-25 Contemporary American horror literature for children and young adults has two bold messages for readers adults are untrustworthy unreliable and often dangerous and the monster always wins as it must if there is to be a sequel Examining the young adult horror series and the religious horror series for children Left Behind The Kids for the first time and tracing the unstoppable monster to Seuss s Cat in the Hat this book sheds new light on the problematic message produced by the combination of marketing and books for contemporary American young readers
