The Beautiful Skin Vlad Dima, 2020-09-01 In this original and provocative study of contemporary African film and literature Vlad Dima investigates the way that football and cinema express individual and collective fantasies and highlights where football and cinema converge and diverge with regard to neocolonial fantasies Shedding new light on both well known and less familiar films by Mahamat Saleh Haroun Abderrahmane Sissako Jean Pierre Bekolo Moussa Tour Safi Faye Cheick Doukour and Joseph Ga Ramaka among others the study asks just whose fantasy is articulated in football and African cinema Answering this question requires the exploration of body and identity issues here through the metaphor of skin fantasy as a skin the football jersey as a skin and ultimately film itself as a skin that has visual aural and haptic qualities The neocolonial body is often depicted as suffering and in the process of being flattened or emptied So frequently do African cinema and literature replicate this

hollowed body all skin as it were that it becomes the very type of body that defines neocolonialism Could the body of film the depth of both characters and story within the cinematic skin hold the key to moving into a post neocolonial era an era defined by full bodies and personal affirmation This is the question Dima seeks to answer Under My Skin Shawntelle Madison,2014-12-09 Everyone wants to either be a member of the Guild or work for them Little does the populace know that the Guild hides sinister secrets For Tate Sullivan life in her small coastal town is far from glamorous The affluent lives of the Guild members and their servants isn't something she has ever wanted But all sixteen year olds must take a simple test and Tate's result thrusts her into the Guild's world one where they hide horrible plans for those they select Tate must fight the relentless General Dagon for control of her mind body and soul to keep the one precious thing she has always taken for granted herself Her only ally is the same handsome boy she is pitted against in General Dagon's deadly game Quinn desires nothing more than to end the life of General Dagon who has taken over Tate's mind While romance blooms between Tate and Quinn General Dagon plots to eventually take over Tate's body and love might end before it even begins The Magic Skin Honoré de Balzac,2021-10-19 The Magic Skin Honore de Balzac Set in early 19th century Paris it tells the story of a young man who finds a magic piece of shagreen that fulfills his every desire For each wish granted however the skin shrinks and consumes a portion of his physical energy La Peau de chagrin belongs to the Etudes philosophiques group of Balzac's sequence of novels The Magic Skin Оноре де Бальзак,2021-03-16 All about Skin Jina Ortiz,Rochelle Spencer,2014-11-11 A short fiction anthology of work by award winning multicultural women writers All about Skin captures the reality of harsh media pressures difficult family relationships racial prejudices and other problems that face women of color around the world **An Arrangement of Skin** Anna Journey,2018-08-14 These are intimate delicate essays about the many skins we inhabit illuminating even in their darkness The Boston Globe Anna Journey revels in the flexibility and hybridity of the essay form swerving artfully among topics a recollection of a personal rupture and ensuing call to a suicide hotline opens into a consideration of taxidermy and lyric time a mother's penchant for telling macabre stories at the dinner table connects to campfire songs and the cultural importance of American roots music and a tattoo artist named after a pirate themed rum reminds us how we inscribe our skins and spirits through the intimate gestures of ink **The Wild Ass' Skin** Honoré de Balzac,1897 Skin of the Wolf Sam Cabot,2015 It was shocking enough for Father Thomas Kelly to discover a community of vampires Even more so was that two colleagues art historian Livia Pietro and scholar Spencer George were among them Now they're working together in New York City When Spencer is attacked in Central Park by a wolf they're plunged into a world where Native American lore and the doctrines of the Catholic Church have collided resulting in a catastrophic revelation the wolf is a shapeshifter and he is searching for a sacred mask with power that badly wielded could destroy millions of lives **Written on the Skin** Liz Porter,2007-11-10 A crime scene investigator notes the tiny indentations on the fragments of a tin can identified at a bomb site After months of testing he is able to match them to
