Stringed Keyboard Instruments:

Stringed Keyboard Instruments, 1440-1880 Franz Josef Hirt, 1968 **A History of Stringed Keyboard Instruments** Stewart Pollens, 2022-04-21 This book explores the history of keyboard instruments from their fourteenth century origins to the development of the modern piano It reveals the principles of their design and describes structural and mechanical developments through the medieval and renaissance periods and eighteenth and nineteenth centuries as well as the early music revival Stewart Pollens identifies and describes the types of keyboard instruments played by major composers and virtuosi through the ages and provides the reader with detailed instructions on their regulating stringing tuning and voicing drawn from historical sources **A Brief History of Stringed Keyboard Instruments** Rosemary L. Jacques, 1970 *Stringed Keyboard Instruments, 1400-1880* Franz Josef Hirt, 1968 **A History of Stringed Keyboard Instruments** Stewart Pollens, 2022-04-21 The first comprehensive technical and historical study of stringed keyboard instruments from their fourteenth century origins to modern times *Harpsichord, Clavichord & Fortepiano* Derek Adlam, 2009-06 This book looks at the history of the three types of stringed keyboard instrument that dominated Western music from the sixteenth century to the middle of the nineteenth century The Virginal which provided the musical accompaniment to the reign of Elizabeth 1st was part of the family that also included the harpsichord which was the concert keyboard for over two hundred years and its smaller cousin the spinet which could be found in ladies chambers across Europe But not every polite lady owned a spinet for some this instrument with its plucked strings was altogether too harsh and the clavichord which used flexible quills to stroke the strings was much a much gentler option In the latter part of the eighteenth century a new type of keyboard began to sweep all of these instruments into history the fortepiano the forerunner of the piano This instrument used hammers to strike the strings giving the possibility for the first time of real dynamic contrast *Prelude* Mark Macdonald, 2014 **A Description and History of the Pianoforte and of the Older Keyboard Stringed Instruments** Alfred James Hipkins, 1896 *On Stringed Keyboard Instruments, Their Makers and Players* Michael Latcham, 2024 *Stringed Keyboard Instruments* Franz Josef Hirt, 1982-08-21
