The Struggle for the American Curriculum, 1893-1958 Herbert M. Kliebard, 2004 First Published in 2004 Routledge is an imprint of Taylor Francis an informa company *The Struggle for the American Curriculum, 1893-1958* Herbert M. Kliebard, 1995 Published in 1987 the first edition of *The Struggle for the American Curriculum* was a classic in curriculum studies and in the history of education This new third edition is thoroughly revised and updated and includes two new chapters on the renewed attacks on the subject curriculum in the 1940s and 1950s as well as the way individual school subjects evolved over time and were affected by these attacks ***The Struggle for the American Curriculum, 1893-1958*** Herbert M. Kliebard, 1986 Published in 1987 the first edition of *The Struggle for the American Curriculum* was a classic in curriculum studies and in the history of education This new third edition is thoroughly revised and updated and includes two new chapters on the renewed attacks on the subject curriculum in the 1940s and 1950s as well as the way individual school subjects evolved over time and were affected by these attacks *Struggle for the American Curriculum, 1893-1958* Herbert M. Kliebard, 1988-03-17 **An Elusive Science** Ellen Condliffe Lagemann, 2000 Since its beginnings at the turn of the 20th century the science of education has been regarded as a poor relation reluctantly tolerated at the margins of academe In this history of education research Condliffe explains how this came to be **Education and Social Change** John L. Rury, 2019-08-05 This brief interpretive history of American schooling focuses on the evolving relationship between education and social change Like its predecessors this new edition investigates the impact of social forces such as industrialization urbanization immigration and cultural conflict on the development of schools and other educational institutions It also examines the various ways that schools have contributed to social change particularly in enhancing the status and accomplishments of certain social groups and not others Detailed accounts of the experiences of women and minority groups in American history consider how their lives have been affected by education at key points in the past Updates to this edition A revised final chapter updated to include recent changes in educational politics finance policy and a shifting federal policy context Enhanced coverage and new conceptual frames for understanding the experiences of women and people of color in the midst of social change Edited throughout to update information and sources regarding the history of American education and related processes of social transformation in the nation's past *Women Educators in the Progressive Era* A. Durst, 2010-07-19 In 1896 John Dewey established the Laboratory School at the University of Chicago an experimental school designed to test his ideas in the reality of classroom practice Through a collective portrait of four of the school's teachers *Women Educators in the Progressive Era* examines the struggles and satisfactions of teaching at this innovative school and situates the school community in the context of Progressive Era experimental impulses in Chicago and the nation This book reassesses the implications of Dewey's ideas for current efforts to improve schools as it explores how the Laboratory School teachers participated in inquiry designed to advance educational thought and practice **Works**

about John Dewey, 1886-1995 Barbara Levine, 1996 Although she has devised a new format for this bibliography Barbara Levine has included most of the materials published in the two editions of the Checklist of Writings about John Dewey Material new to this volume includes recently discovered items published during the ninety years covered by the Checklist as well as items published since 1977 Because certain studies at best have only marginal value or because they can be obtained through ordinary library research tools Levine has deleted some classes of material that appeared in the 1974 and 1978 Checklist editions primary sources with only brief references to Dewey the entire section entitled Unpublished Works about Dewey which included theses dissertations and papers presented at meetings and Educational Resources Information Center ERIC documents Levine has included all of the material published about Dewey during the 108 years between 1886 and 1994 and has included many 1995 items as well She has verified all items and whenever possible obtained copies She has discovered hundreds of items omitted from the second edition of the Checklist and has augmented the current bibliography by nearly two thousand items published since 1977 The bibliography is divided into four parts The first Books and Articles about Dewey lists works alphabetically by author Replies and responses to articles immediately follow the work cited The Reviews of Dewey's Works lists titles alphabetically Reviews are grouped alphabetically by journal under the Dewey work reviewed The Author Index includes multiple authors and editors authors of replies and responses and reviewers of works both by and about Dewey The Title Key Word Index lists key words from most titles and subtitles The CD ROM version of Works about John Dewey contains both Windows and Macintosh formats and provides increased search capabilities

Competence and Program-based Approach in Training Catherine Loisy, Jean-Claude Coulet, 2018-10-08 The controversies that have developed in recent years in the field of education and training around program and competency based approaches are not without reminiscent of those which are at the origin of a reflection on the question of methods to monitor control organize and shape innovation in science and technology and led to the emergence of the notion of responsibility for innovation and research Pell Reber 2015 This book is clearly part of this type of approach Starting from a current state of play on the issues and controversies raised by curricular and competency based approaches Chapters 1 and 2 this book aims at presenting new theoretical frameworks allowing to account for the processes implied by the implementation of these pedagogical innovations and in particular those which at the very heart of the skills mobilized promote a responsibility dimension Based on a developmental approach to individual and collective competencies and their evaluation Chapters 3 4 and 5 it attempts to show how this approach can mobilize educational practices on strong societal issues such as sustainable development Chapter 5 Lastly it aims to provide theoretical and practical benchmarks to help engage educational teams and institutions in these innovative and responsible approaches by providing a coherent framework for doing so Chapters 6 7 and 8
