Struktur Und Sprachmagie Zur Methode Der Lyrikinterpretation:

Struktur und Sprachmagie ,1966 **Karl Krolow and the Poetics of Amnesia in Postwar Germany** Neil H.

Donahue,2002 Donahue presents Krolow s career from a wholly new perspective presenting in sum but overturning decades of Krolow criticism that begun on a false footing missed the real historical depth in Krolow s poems the depth of avoidance

BOOK JACKET *Struktur und Sprachmagie* Herbert Lehnert,1966 *The Poetry of Gottfried Benn* Martin Travers,2007

This book is the first comprehensive study of Gottfried Benn s poetry to appear in English It covers the entirety of Benn s verse from his early Morgue cycle 1912 and Expressionist poems through to the anthropological poetry of his middle period to the postmodern Phase II work after the Second World War Against the background of the poet s theoretical writings this study drawing upon the classic texts of Benn scholarship analyzes in detail the major themes of his verse and its distinctive idiom In particular this work focuses on Gottfried Benn s extended process of rhetorical self fashioning his use of classical iconography color motifs and chiffres his often confusing historical semantics the seemingly self constituting absolute poem and the colloquial idiom of his late verse The book also engages with the multiplicity of voices in Benn s work and their varied textual forms the hermeneutically variable positions of speech that they articulate and the often contradictory notion of selfhood to which they give rise **Henri Meschonnic Reader** Meschonnic Henri Meschonnic,2019-09-27 Henri

Meschonnic was a linguist poet translator of the Bible and one of the most original French thinkers of his generation He strove throughout his career to reform the understanding of language and all that depends on it His work has had a shaping influence on a generation of scholars and here for the first time a selection of these are made available in English for a new generation of linguists and philosophers of language This Reader featuring fourteen texts covering the core concepts and topics of Meschonnic s theory will enrich enhance and challenge your understanding of language It explores his key ideas on poetics the poem rhythm discourse and his critique of the sign Meschonnic s vast oeuvre was continuously preoccupied with the question of a poetics of society he constantly connected the theory of language to its practice in various fields and interrogated what that means for society In exploring this fundamental question this book is central to the study and philosophy of language with rich repercussions in fields such as translation studies poetics and literary studies and in redefining notions such as rhythm modernity the poem and the subject Der von Kürenberg Gayle Agler-Beck,1978-01-01

Thinking Through German Literature with Andrew Jaszi

Kenneth M. Ralston, 2025 Brings to light an important and unconventional teacher of literature whose way of thinking and method are relevant both in and beyond German Studies particularly in view of the present crisis of the humanities At a time when enrollment in the humanities is said to be in free fall Nathan Heller The New Yorker 2/27/2023 the figure of Andrew Jaszi offers an alternative vision of what a literary education might look like Jaszi was a Hungarian born philosopher and literary scholar in the German Department at the University of California Berkeley from 1948 to 1985 His accessible jargon free approach a method he developed through analogy with Goethe's unique way of doing science attracted students of diverse backgrounds and majors to his classes while also winning acclaim from colleagues who compared him to Wittgenstein and Buber Drawing on a set of previously unknown tape recordings of Jaszi's seminars this book offers readers the opportunity to witness this legendary teacher in action The book's immediate benefit is the illumination provided by Jaszi's original interpretations of Goethe's Faust and Kafka's The Judgment More broadly it illustrates the transformative whole self education Jaszi advocated and himself embodied one that runs counter to the technocratic imperatives of our time Ultimately the book's goal is to make better known an important literary thinker and an unconventional teacher of German Studies the value of whose work extends beyond a single discipline to humanities education in general with special bearing on its present crisis and potential future immediate benefit is the illumination provided by Jaszi's original interpretations of Goethe's Faust and Kafka's The Judgment More broadly it illustrates the transformative whole self education Jaszi advocated and himself embodied one that runs counter to the technocratic imperatives of our time Ultimately the book's goal is to make better known an important literary thinker and an unconventional teacher of German Studies the value of whose work extends beyond a single discipline to humanities education in general with special bearing on its present crisis and potential future immediate benefit is the illumination provided by Jaszi's original interpretations of Goethe's Faust and Kafka's The Judgment More broadly it illustrates the transformative whole self education Jaszi advocated and himself embodied one that runs counter to the technocratic imperatives of our time Ultimately the book's goal is to make better known an important literary thinker and an unconventional teacher of German Studies the value of whose work extends beyond a single discipline to humanities education in general with special bearing on its present crisis and potential future immediate benefit is the illumination provided by Jaszi's original interpretations of Goethe's Faust and Kafka's The Judgment More broadly it illustrates the transformative whole self education Jaszi advocated and himself embodied one that runs counter to the technocratic imperatives of our time Ultimately the book's goal is to make better known an important literary thinker and an unconventional teacher of German Studies the value of whose work extends beyond a single discipline to humanities
