Sanctuary in the Wilderness Alan Mintz, 2011-12-14 The effort to create a serious Hebrew literature in the United States in the years around World War I is one of the best kept secrets of American Jewish history Hebrew had been revived as a modern literary language in nineteenth century Russia and then taken to Palestine as part of the Zionist revolution But the overwhelming majority of Jewish emigrants from Eastern Europe settled in America and a passionate kernel among them believed that Hebrew provided the vehicle for modernizing the Jewish people while maintaining their connection to Zion These American Hebraists created schools journals newspapers and most of all a high literary culture focused on producing poetry Sanctuary in the Wilderness is a critical introduction to American Hebrew poetry focusing on a dozen key poets This secular poetry began with a preoccupation with the situation of the individual in a disenchanted world and then moved outward to engage American vistas and Jewish fate and hope in midcentury American Hebrew poets hoped to be read in both Palestine and America but were disappointed on both scores Several moved to Israel and connected with the vital literary scene there but most stayed and persisted in the cause of American Hebraism Jewish Renaissance , 2006 Index to Jewish Periodicals , 2005 An author and subject index to selected and American Anglo Jewish journals of general and scholarly interests

Authentic Writing Jeffrey Rice,2021-04-20 In typical academic circles texts must

be critiqued mined for the obfuscated meanings they hide and shown to reveal larger broader meanings than what are initially evident To engage in this type of writing is to perform an authentic version of scholarship But what if a scholar chooses instead to write without critique What if they write about travelling their children food grocery shopping frozen garlic bread sandwiches condiments falafel yoga and moments that normally wouldn't be considered scholarly Can the writing still be scholarly Can scholarly writing be authentic if its topics comprise the everyday In *Authentic Writing* Jeff Rice uses this question to trace a position regarding critique the role of the scholar the role of the personal in scholarship the banal as subject matter and the idea of authenticity He explores authenticity as a writing issue a rhetorical issue a consumption issue a culture issue and an ideological issue Rather than arguing for a more authentic state or practice Rice examines the rhetorical features of authenticity in order to expand the focus of scholarship
