The Disappearance Of Abigail:

The Disappearance of Abigail Jill Stephenson, 2002-04-12 Abigail Wallestine is trying to survive A single woman in New York City she knows she must have money to live the glamorous life she dreamed of as a child But instead of the glamor Abigail finds herself entrenched in the politics and madness of a corporate nightmare A brokerage firm bent on the crash and burn of profit by any means Abigail finds she must play the game their way or risk losing it all A story out of the headlines of today The Disappearance of Abigail is a shocking insider s account of the kind of Enron culture that has become America s most sinister and contagious epidemic of our time

The Abandoned Countess - Abigail's Story Shannon Salter, 2013-12-26 Abandoned shortly after her wedding day the Countess of Rathbourne has been searching for her husband for two years with little success A social outcast with few loyal friends left Abigail begins to despair of ever seeing her husband again until a chance encounter rekindles her hopes But as the mystery of her husbands disappearance unravels who can she trust The seemingly angelic gentleman who swiftly befriends her or the darkly mysterious brother of her best friend And when lives are in danger will her heart prove to be the worst traitor of all Spies lies and intrigues set against the backdrop of Regency England

And He Will Take Your Daughters... April D. Westbrook, 2015-04-23 April Westbrook explores the intentional inclusion of woman stories those displaying significant female presence within the David narrative in the books of Samuel These stories are made prominent by the surprisingly high number of their occurrences as well as the sequentially progressive literary pattern in which they occur in the larger narrative Westbrook shows that the dramatic and detailed accounts within the story repeatedly challenge the reader to consider the experiences of women and their contribution to the purpose of the larger narrative When viewed collectively these woman stories serve to stir the reader s responses in ways which systematically call into question the nature of the monarchy itself as a power system both its impact upon the nation and upon the kings who rule Although King David is often held up as a paragon of virtue the experiences of the women in his life frequently reveal a different side of his character and the reader must wrestle with the resultant ambiguity In the process the reader must also think deeply about the inevitably negative aspects of hierarchical social structures and why this biblical text is apparently designed to press the reader toward unavoidable and uncomfortable personal confrontation with these realities concerning the use of power within community life

Softened Moon's Glow: Collective Works Connie L. Valentine, Jon R. W. Thomas, 2015-02-15 David and Abby hoped to live simply but were confronted by other world influences that radically changed their expectations plans ideals and perceptions
