The Guild Kraus Sikes, North Light Books, 1993 *Guide to the Archive of Art and Design* Elizabeth Lomas, 2019-09-17

Established in 1978 the Archive holds over 200 archives created by individual artists, craftspeople and designers and businesses and societies involved in the manufacture and promotion of art and design products. The Arts & Crafts Movement Oscar Lovell Triggs, 2023-12-28

Have nothing in your house that you do not know to be useful or believe to be beautiful. This quote alone from William Morris could summarise the ideology of the Arts & Crafts movement which triggered a veritable reform in the applied arts in England. Founded by John Ruskin then put into practice by William Morris, the Arts & Crafts movement promoted revolutionary ideas in Victorian England. In the middle of the soulless Industrial Era when objects were standardised, the Arts & Crafts movement proposed a return to the aesthetic at the core of production. The work of artisans and meticulous design thus became the heart of this new ideology which influenced styles throughout the world, translating the essential ideas of Arts & Crafts into design, architecture and painting.
