The Gods Underground Project Z:

The Gods Underground Thomas S. Jr. Lee, Thomas Lee, 2000-03-21 Alexander Patterson head of Project Z a US government organization hidden from the world under a lonely stretch of Texas desert discovers a secret is not safe a dark and dirty secret Only two people know that the Space Shuttle Challenger tragedy was no accident But on a computer disk drive long ago relegated to the dusty corner of a forgotten scrap heap a dead man s tale lies buried in the bits and bytes Roger Howard a newly appointed UCLA professor buys a pile of old drives for his class in data recovery And as the students begin to recover data one of them is murdered But Patterson knows the secret is still not safe until all threats are removed He just didn t realize removing Roger Howard an ordinary college professor would not be easy

Mysticism is proving to be the chosen type of religion for future generations of believers in the West As traditional institutional religion continues to decline mystical thought is celebrated as a vital subversive alternative Evidence for this religious cultural shift towards the mystical the experiential and indeed the creation centered can be found in bookstores most of which devote a large amount of shelf space to mystical themes and writers from the world religions While this shift is not new an increasing number of westerners are turning east because they find the fundamentally mystical thought of Asian religious traditions appealing Furthermore numerous westerners have actually become gurus and mystics within Eastern traditions

Mysticisms East and West examines the worldwide phenomenon of mystical experience across the world religions In examining both Christian and non Christian expressions of mysticism this unique volume brings together a number of prominent evangelical scholars to analyze the central historical cultural and theological issues Beginning in the East these studies in mystical experience gradually move to the West and to Christian mysticism before concluding with a number of philosophically reflective essays examining the implications and nature of mysticism
