Year Book ,1927 The World Book Encyclopedia ,1953 Money for Nothing Sir Pelham Grenville

Wodehouse,1952-01-01 The picturesque village of Rudge in the Vale dozed in the summer sunshine Along its narrow High
Street the only signs of life visible were a cat stropping its backbone against the Jubilee Watering Trough some flies doing
deep breathing exercises on the hot window sills and a little group of serious thinkers who propped up against the wall of the
Carmody Arms were waiting for that establishment to open At no time is there ever much doing in Rudge s main
thoroughfare but the hour at which a stranger entering it is least likely to suffer the illusion that he has strayed into
Broadway Piccadilly or the Rue de Rivoli is at two o clock on a warm afternoon in July You will find Rudge in the Vale if you
search carefully in that pleasant section of rural England where the gray stone of Gloucestershire gives place to
Worcestershire s old red brick Quiet in fact almost unconscious it nestles beside the tiny river Skirme and lets the world go
by somnolently content with its Norman church its eleven public houses its Pop to quote the Automobile Guide of 3 541 and
its only effort in the direction of modern progress the emporium of Chas Bywater Chemist Chas Bywater is a live wire He
takes no afternoon siesta but works while others sleep Rudge as a whole is inclined after luncheon to go into the back room
put a handkerchief over its face and take things easy for a bit But not Chas Bywater At the moment at which this story begins
he was all bustle and activity and had just finished selling to Colonel Meredith Wyvern a bottle of Brophy s Paramount Elixir
said to be good for gnat bites Having concluded his purchase Colonel Wyvern would have preferred to leave but Mr Bywater
was a man who liked to sweeten trade with pleasant conversation Moreover this was the first time the Colonel had been
inside his shop since that sensational affair up at the Hall two weeks ago and Chas Bywater who held the unofficial position
of chief gossip monger to the village was aching to get to the bottom of that With the bare outline of the story he was of
course familiar Rudge Hall seat of the Carmody family for so many generations contained in its fine old park a number of
trees which had been planted somewhere about the reign of Queen Elizabeth This meant that every now and then one of
them would be found to have become a wobbly menace to the passer by so that experts had to be sent for to reduce it with a
charge of dynamite to a harmless stump Well two weeks ago it seems they had blown up one of the Hall s Elizabethan oaks
and as near as a toucher Rudge learned had blown up Colonel Wyvern and Mr Carmody with it The two friends had come

walking by just as the expert set fire to the train and had had a very narrow escape Thus far the story was common property in the village and had been discussed nightly in the eleven tap rooms of its eleven public houses But Chas Bywater with his trained nose for news and that sixth sense which had so often enabled him to ferret out the story behind the story when things happen in the upper world of the nobility and gentry could not help feeling that there was more in it than this He decided to give his customer the opportunity of confiding in him *The Night Children: An Escape From Furnace Story*
Alexander Gordon Smith,2011-09-21 It is December 1944 and Europe is still gripped by war In the densely forested mountains of Belgium one of the conflict s most brutal battles is raging Cut off from the front a ragtag group of young British and American soldiers finds itself being hunted by a patrol of elite German Special Forces including a newly commissioned officer called Kreuz a teenage boy who will grow up to become Warden Cross the fearsome prison director who will one day rule Furnace Penitentiary the terrifying underground prison specially built for teen offenders As both sides fight for their lives in the unforgiving terrain however they start to realize that there are worse things hiding in the snow than soldiers There are creatures out there with gas masks and piggy eyes ancestors of Furnace prison s wheezers demonic entities that cannot be killed by guns and grenades monsters who do not care what uniforms their victims are wearing so long as they bleed and so long as they scream At the Publisher s request this title is being sold without Digital Rights Management Software DRM applied **Taimani** ,2011-01-01 Inuvialuit Timeline Visual Guide
